

BOARD MEETING DATE: June 1, 2018

AGENDA NO. 22

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: Below is a summary of key issues addressed at the MSRC's meeting on May 17, 2018. The next meeting is scheduled for Thursday, June 21, 2018, at 2:00 p.m., in Conference Room CC8.

RECOMMENDED ACTION:
Receive and file.

Ben Benoit
SCAQMD Representative on MSRC

MMM:FM:psc

Meeting Minutes Approved

The MSRC unanimously approved the minutes of the March 15 and April 19, 2018 meeting. Those approved minutes are attached for your information (*Attachment 1*).

MSRC Chair Appointed and MSRC Vice-Chair Appointed

Annually the MSRC elects its chair and vice-chair. At its May 15, 2018 meeting, the MSRC unanimously appointed Larry McCallon as its Chair for a one-year term. Mr. McCallon is the Mayor for the City of Highland and represents the San Bernardino County Transportation Authority on the MSRC. The MSRC also unanimously elected Greg Winterbottom as its MSRC Vice-Chair for a one-year term. Mr. Winterbottom serves as the Public Member on the Orange County Transportation Authority (OCTA) Board of Directors and is also the Chairman of the OCTA Transit, Planning and Operations Committee and represents the OCTA on the MSRC.

Appointments to MSRC-TAC

The MSRC-TAC currently has a vacancy for the position of "Air Pollution Control Expert." This position is mandated under the California Health & Safety Code Section 44244(c). Mr. Tim Olsen has volunteered to fill this vacancy on the MSRC-TAC. Mr. Olsen currently serves as Senior Policy Advisor for Transportation Fuels and Technology of the California Energy Commission (CEC). Ms. Rhett deMesa and Mr. Sam Lerman have volunteered to serve as Alternates for this position. Ms. deMesa serves as Special Advisor to Commissioner Janea A. Scott and Mr. Lerman is an Air

Resources Engineer in the Fuels and Transportation Division, both of the CEC. The MSRC approved the appointment of Mr. Tim Olsen, as Primary, and Ms. Rhett deMesa and Mr. Sam Lerman, as Alternates, to the position of Air Pollution Control Expert to the MSRC-TAC.

FYs 2016-18 Natural Gas Infrastructure Program

The MSRC approved the release of Program Announcement #PA2017-07 under the FYs 2016-18 Work Program. The Program Announcement, with a targeted funding level of \$4.0 million, provides funds for new and expanded natural gas stations, as well as for the upgrade of existing vehicle maintenance facilities and technician training. Stations will be eligible for up to 50 percent of station capital equipment, site construction, signage, and reasonable project management costs, not to exceed the specified maximum award amounts. The maximum MSRC funding per project varies from \$100,000 to \$275,000 depending upon whether the applicant is a public or private entity, the accessibility level of the proposed project, and the number of fuels offered. Additionally, projects may be eligible for a \$100,000 bonus if they commit to use at least 50% renewable natural gas for a minimum of five years. The RFP includes an open application period commencing with its release on June 2, 2017, and closing June 29, 2018. To date, the MSRC has awarded a total of \$1,056,500. The MSRC considered recommendations concerning an additional application for the installation of a limited access CNG station. The MSRC unanimously approved a contract award to El Dorado National in an amount not to exceed \$100,000 as part of the FYs 2016-18 Work Program. This contract award will be considered by the SCAQMD Board at its June 1, 2018 meeting.

FYs 2016-18 Local Government Partnership Program

The MSRC approved the release of Local Government Partnership PON2018-01 under the FYs 2016-18 Work Program. The Invitation to Negotiate (ITN), with a targeted funding level of \$21,180,650, focuses on providing funds for projects to support SCAQMD's 2016 AQMP. Cities and counties which have opted into the AB 2766 motor vehicle registration surcharge fee program are eligible to participate. The majority of participants would be allocated maximum funding equivalent to their annual AB 2766 Subvention Fund allocation; however, those whose annual Subvention Fund allocation is less than \$50,000 would be eligible to receive a maximum of \$50,000, and the maximum allocation for any single city or county would be \$3,000,000. MSRC funding could be used for light-duty zero emission vehicle purchases and leases, medium- and heavy-duty zero emission vehicle purchases, near-zero emission heavy-duty alternative fuel vehicle purchases and repower, electric vehicle charging station installation, and construction or expansion of alternative fuel refueling infrastructure, subject to match funding requirements as outlined in the ITN. Additionally, those jurisdictions eligible for a maximum contribution of \$50,000 would have the option to pursue traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies. The ITN includes an open application period commencing with its release on September 1, 2017, and closing August 2, 2018. The MSRC previously

approved awards totaling \$5,863,716 in response to this solicitation. The MSRC approved six additional awards as part of the FYs 2016-18 Work Program, as follows:

- a. A contract with the City of Pico Rivera in an amount not to exceed \$83,500 to install electric vehicle charging infrastructure;
- b. A contract with the City of Mission Viejo in an amount not to exceed \$115,690 to procure up to two light-duty zero-emission vehicles, install electric vehicle charging infrastructure, and expand an existing CNG fueling station;
- c. A contract with the City of Torrance in an amount not to exceed \$187,400 to procure up to four heavy-duty near-zero-emission vehicles and install electric vehicle charging infrastructure;
- d. A contract with the City of Lomita in an amount not to exceed \$32,750 to procure a light-duty zero-emission vehicle, install bicycle racks, and install bicycle roadway improvements;
- e. A contract with the City of Chino Hills in an amount not to exceed \$30,000 to procure up to two light-duty zero-emission vehicles and install electric vehicle charging infrastructure; and
- f. A contract with the City of Anaheim in an amount not to exceed \$239,560 to procure up to nine light-duty zero-emission vehicles and up to two medium/heavy-duty zero-emission vehicles.

These contract awards will be considered by the SCAQMD Board at its June 1, 2018 meeting.

FYs 2016-18 County Transportation Commission Partnership Program

The MSRC approved the release of an Invitation to Negotiate for the CTC Partnership Program under the FYs 2016-18 Work Program. The ITN, with a targeted funding level of \$8,000,000, seeks to stimulate the demonstration of innovative projects, as well as expand “tried and true” air quality improvement strategies. CTCs within SCAQMD are eligible to participate. Other public and private entities could participate as subcontractors to a CTC. Each CTC is eligible to receive a maximum of \$2,000,000 on a sole-source contract award basis. Eligible project types include, but are not necessarily limited to: capital improvement projects, capital purchase projects including fleet vehicle purchases that meet, at a minimum, ARB’s optional 0.02 g/bhp-hr NOx emissions standard, traffic signal coordination, ridesharing programs, active transportation programs including bicycle sharing projects, transit pass incentive programs, freeway service patrols, first mile/last mile strategies, and information technology projects that focus on air quality improvement. The ITN includes an open application period commencing with its release on December 1, 2017, and closing June 29, 2018. The MSRC previously approved awards totaling \$4,000,000 in response to this solicitation. The MSRC considered recommendations concerning a work plan submitted by Los Angeles County Metropolitan Transportation Authority (LA Metro). LA Metro proposes to apply \$2,000,000 towards the purchase of 40 zero-emission transit buses. The MSRC approved a contract award to LA Metro in an amount not to

exceed \$2,000,000 as part of the CTC Partnership Program under the FYs 2016-18 work program. The contract award will be considered by the SCAQMD Board at its June 1, 2018 meeting.

Contract Modification Requests

The MSRC considered five contract modification requests and took the following actions:

1. For City of Claremont, Contract #ML16053, which provides \$498,750 to implement the “complete streets” projects, a 22-month contract term extension, due to a longer than anticipated design process to address unanticipated community and regulatory feedback;
2. For County of Los Angeles, Department of Public Works, Contract #ML14023, which provides \$230,000 to upgrade the Westchester Maintenance Facility, a one-year contract term extension, due to unanticipated delays in obtaining Building Department approval of the HVAC design;
3. For County of Los Angeles, Contract #ML14024, which provides \$230,000 to upgrade Baldwin Park Maintenance Facility, a one-year contract term extension, due to unanticipated delays in obtaining Building Department approval of the HVAC design;
4. For County of Los Angeles, Department of Public Works, Contract #ML14025, which provides \$300,000 to install a CNG Station in Malibu, a one-year contract term extension, due to longer than expected time needed for the Gas Company to connect the station to the meter; and
5. For Los Angeles County Metropolitan Transportation Authority (Metro), proposed Contract #MS18025, which provides \$1,324,560 to provide special bus and train service to Dodger Stadium, the Metro requests to modify the train service to be provided in support of “cross-town rivalry” games with the Los Angeles Angels of Anaheim.

Contracts Administrator’s Report

The MSRC’s AB 2766 Contracts Administrator provides a written status report on all open contracts from FY 2004-05 through the present. The Contracts Administrator’s Report for March 29 through April 25, 2018 is attached (*Attachment 2*) for your information.

2. March 29 through April 25, 2018 Contracts Administrator’s Report

MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, MARCH 15, 2018 MEETING MINUTES
21865 Copley Drive, Diamond, Bar, CA 91765 - Conference Room CC-8

MEMBERS PRESENT:

(Vice-Chair) Larry McCallon, representing SBCTA
Brian Berkson (Alt.), representing RCTC
Michael Carter, representing California Air Resources Board
Michele Martinez, representing SCAG
Dolores Roybal Saltarelli, representing Regional Rideshare Agency (via v/c)
Greg Winterbottom, representing OCTA
Mark Yamarone (Alt.), representing Los Angeles County MTA (via v/c)

MEMBERS ABSENT:

(Chair) Greg Pettis, representing RCTC
Jack Kitowski, representing California Air Resources Board
Steve Veres, representing LA County MTA

MSRC-TAC MEMBERS PRESENT:

MSRC-TAC Chair Gretchen Hardison representing City of Los Angeles
Rongsheng Luo, representing SCAG
Kelly Lynn, representing SBCTA

OTHERS PRESENT:

Ruben Aronin, Better World Group
Sam Emmersen, Better World Group
Ric Teano, OCTA

SCAQMD STAFF & CONTRACTORS

Leah Alfaro, MSRC Contracts Assistant
Penny Shaw Cedillo, MSRC Administrative Liaison
Jennifer de la Loza, Secretary
Ray Gorski, MSRC Technical Advisor-Contractor
John Kampa, Financial Analyst
Cynthia Ravenstein, MSRC Contracts Administrator
Greg Rowley, Information Technology Specialist
Veera Tyagi, Principal Deputy District Counsel

CALL TO ORDER

- Call to Order

MSRC Vice-Chair Larry McCallon called the meeting to order at 2:00 p.m.

Roll call was taken at the start of the meeting. The following members and alternates were present: BRIAN BERKSON, MICHAEL CARTER, MICHELE MARTINEZ, LARRY MCCALLON, DOLORES ROYBAL SALTARELLI, GREG WINTERBOTTOM, MARK YAMARONE.

STATUS REPORT

Copies of the Clean Transportation Policy Update were distributed at the meeting. Cynthia Ravenstein, MSRC Contracts Administrator highlighted a report about the best practices to make electric vehicle friendly cities in California. This information goes hand and hand with the work that the Luskin Center is doing on multi-unit housing and workplace charging.

CONSENT CALENDAR (Items 1 through 5)
Receive and Approve Item**Agenda Item #1 – Minutes for the February 15, 2018 MSRC Meeting**

The minutes of the February 15, 2018 meeting were not available.

Information Only - Receive and File**Agenda Item #2 – MSRC Contracts Administrator's Report**

The MSRC AB 2766 Contracts Administrator's Report for January 25 through February 21, 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #2 THROUGH #5, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE
CONTRACTS ADMINISTRATOR'S REPORT FOR JANUARY 25 THROUGH
FEBRUARY 21, 2018.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: Staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the April 6, 2018 SCAQMD Board meeting.

Agenda Item #3 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for February 2018 was included in the agenda package.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #2 THROUGH #5, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL
REPORT FOR THE PERIOD ENDING FEBRUARY 2018.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: No further action is required.

For Approval – As Recommended**Agenda Item #4 – Consider Three-Month Term Extension by County of Los Angeles, Department of Public Works, Contract #ML05014 (\$204,221 – Florence/Mills Avenue Signal Synchronization Project)**

The County requested a six-month term extension. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to consider the remainder of the extension request. Therefore, an additional three-month extension would fulfill the County's request.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #2 THROUGH #5, MSRC
UNANIMOUSLY VOTED TO APPROVE THE THREE-MONTH TERM
EXTENSION TO THE COUNTY OF LOS ANGELES, CONTRACT
#ML05014.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #5 – Consider Nine-Month Term Extension by City of Bellflower, Contract #ML12051 (\$100,000 – Install Electric Vehicle Charging Infrastructure)

The City requested a one-year term extension as a result of delays associated with the prospective station vendor. Due to the impending contract expiration date, a three-month term extension was processed administratively in order to allow sufficient time for the MSRC to

consider the remainder of the extension request. Therefore, an additional nine-month extension would fulfill the City's request.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #2 THROUGH #5, THE
MSRC UNANIMOUSLY VOTED TO APPROVE THE NINE-MONTH TERM
EXTENSION TO THE CITY OF BELLFLOWER, CONTRACT #ML12051.
AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

ACTION CALENDAR

Agenda Item #6 – Introduction to New MSRC Website

Ruben Aronin and Sam Emmersen from The Better World Group presented an overview of the recently revamped MSRC website.

Mr. Aronin stated we are especially excited about some of the things you can't see, it has a lot more user-friendly ability to make changes, updates and edits to content. If there is feedback that you have on the content, please give it to Cynthia Ravenstein and her team for us to consider because it is a lot easier than it used to be to keep it fresh and updated. Geographics is the contractor that was hired to revamp the website. We are really pleased with the functionality, as well as the look and feel of it. In addition to working well with any desktop or laptop, it will also work well on tablets and mobile devices. It is optimized to load quickly and be a user-friendly tool for our two core audiences: those who are looking to apply for any of the open solicitations as well as for your broader group of constituents that are looking for resources on funding. We updated the look and feel of the logo. That header is consistent throughout, it populates our Facebook site, letterhead and other collateral. Folks can, as they always have, sign into the website with a username and password but if they don't want to bother with that, folks can just leave their email address on the footer that stays on the website and be able to get our e-news a little more easily. We encourage and invite you to send this out to folks so that we can grow our quarterly news update list. The core navigation takes you to Requests for Proposals, upcoming meetings, the news portal and sign in.

MSRC Member Greg Winterbottom questioned does it continue to scroll through the pictures?

Mr. Aronin replied yes, it has some dynamism that's built into it rather than having a static landing page. Those are portals that we can update over time or when we have programs. Those are stock beauty images but we can also program with any of our funded projects.

MSRC VICE-Chair Larry McCallon commented he called it up on his phone and it was easy. Mr. Aronin replied more than half of websites are now viewed on a mobile devices and tablets rather than computers. That was an important update for us. Most of the navigation components

were just lifted from the old website with a new look and feel. The Who We Are tab tells us about all of you, followed by the TAC members. People can learn more about the history, the accomplishments, and the policies through that tab. The meetings, agendas, and minutes tab is straightforward. People can find out when your meetings are and review the minutes as well. We have a more robust media section, under the Media/Library tab. For the first time it is populated with a couple of videos: the PSAs from the Rideshare Thursday campaign and the edited clip from the MSRC and Metro Dodger night from a year ago. You can also find our E-news and newsletter.

Ms. Emmersen added the policy update that you received today, we do on a monthly basis. We have old editions, in case someone is tracking a particular issue. They can go back and research where a particular policy started and track where it is now. They come up as a PDF and are very easy to print out. Mr. Aronin added the policy update tool is something that a lot of local government staff are really interested in. It's a resource we can send for current update, it's like a Snapshot of what's happening in policy. We encourage you to send it out to anyone who was asking what's going on now.

Ms. Emmersen commented the next tab is the Contractor Resources, which is very important. The digital badge is here and we refreshed the logo and the look here, so it is consistent throughout. The Resources for our project partners are much easier to find and to navigate. The last tab is Contact, that shows how to find the MSRC staff. One thing I wanted to highlight that is new on the homepage, is the MSRC spotlight. We want to draw people's attention to the latest and greatest with the MSRC. We will put news items up there, the Local Government Partnership extension is there, so people can easily see this right away when they come to the website. Cynthia and her staff worked really hard on it. You should be very proud of it.

Mr. McCallon questioned who updates it and keeps it current. Ms. Emmersen replied Cynthia and her staff will update the website with help from us. Mr. Aronin added the Better World Group programs the monthly news and quarterly newsletter updates.

Mr. McCallon commented there's nothing worse then going to a site that has stale stuff on it. If it is not updated and current, it is not very useful. I know that takes some effort and I assume that we have appropriate effort. Cynthia Ravenstein, MSRC Contracts Administrator added MSRC isn't doing something new everyday but we are trying to keep new things there. The Better World Group also helps with keeping the Facebook page updated; they take the lead on that.

MSRC Member Michele Martinez questioned why we only have Facebook and Twitter; why don't we have Instagram. A lot of people are now on Instagram. Mr. Aronin replied one of the things that we would need for Instagram, is good pictures. It's very visual and we do not get a lot of photo content from our partners. If we are putting a press release statement or a newsworthy item, that's easy to flag in Facebook and Twitter but for Instagram to be viable, it's really an image based medium and we are not generating enough photos. That is something that would be worth exploring with our partners.

Ms. Martinez questioned is it possible to use Google to translate to different languages? Mr. Aronin replied that is a great question and suggestion. It won't do the graphic buttons but it will translate all the other text within it. We will follow up on that.

ACTION: No further action is required.

FYs 2016-18 WORK PROGRAM

Agenda Item #7 – Consider Funding for Applications Received under the Natural Gas Infrastructure Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported the MSRC allocated \$4 million to fund new and expanded CNG and LNG refueling stations, as well as modifications to vehicle maintenance facilities and technician training. The MSRC has received one additional application from the Irvine Ranch Water District requesting \$190,000 to install a new limited access CNG station and obtain technician training. The MSRC-TAC unanimously recommends approval this award.

ON MOTION BY MSRC MEMBER MICHAEL CARTER AND SECONDED BY MSRC MEMBER MICHELE MARTINEZ, THE MSRC UNANIMOUSLY VOTED TO APPROVE AWARD TO IRVINE RANCH WATER DISTRICT FOR \$190,000.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its April 6, 2018 meeting.

Agenda Item #8 – Consider Funding for Applications Received under the Local Government Partnership Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported the MSRC allocated over \$21M under the Local Government Partnership Program to fund projects with cities and counties that participate in the AB 2766 Subvention fund. This recommendation is for eight awards totaling \$514,480. There was an additional application that was submitted, but they had not gone to their City Council to make the required presentation. That will be brought forward for consideration at a later date.

Vice-Chair Larry McCallon questioned how are we advertising this to the cities and jurisdictions? Ms. Ravenstein added we are going to be meeting with SCAQMD's Public Affairs and Transportation departments tomorrow afternoon to talk about next steps. We are also going to be making sure that everyone that hasn't applied yet is aware that the deadline is extended through emails and notices on our websites. Any ideas that you have would certainly be appreciated. Mr. McCallon asked if the Transportation Commissions are advertising this so that the cities are aware of the program? Ric Teano, OCTA, added that the Orange County Transportation Authority is supplementing the outreach that the MSRC staff is doing. Mr. McCallon questioned San Bernardino. MSRC-TAC Member Kelly Lynn replied we can certainly do something with the managers. Mr. McCallon added it is a program begging for applications. MSRC Member Michele Martinez questioned is it possible to send it to the COGs, the executive

directors? Since you're dealing with all the cities and typically if we are all engaged, we definitely forward it to our cities. I haven't seen anything beyond ourselves pushing it out there.

MSRC Alternate Michael Carter questioned do you have any kind of sense of how much those applicants are asking for, would it come closer to the \$21M that we have available. Ms. Ravenstein replied we did get at least one large application from the County of Los Angeles. That's the most recent application that we have received. The total is approximately \$4M, that includes the applications you have already approved.

Mr. McCallon asked for a reminder of the match requirement. Ms. Ravenstein replied it depends on the particular category that they are choosing to pursue. The one with the lowest requirement is publicly accessible charging infrastructure. There's probably some correlation on why that is so popular. If it is limited access CNG station, then they have to come up with 75% of the funding and the MSRC funding can't be more that 25%. It really does vary depending on the specific project and the type of vehicle they want to buy.

Ms. Martinez commented in regards to on-street parking, do we know how many cities are actually putting in that infrastructure? I know that it is now considered a best practice that we should be looking into on-street parking. Mr. Gorski replied very few cities are doing on-street parking. Ruben Aronin, The Better World Group added the City of LA has the most aggressive program. They have 50 that are going in and 200 a year for the next several years. That's because they can work with the LADWP and the City to kind of choreograph that.

Ms. Martinez questioned is anyone doing a white paper on it? I think a lot of us are asking that, so if we are putting these EV chargers in city facilities, we are pretty much just serving the people that actually go visit City Hall, or they're just for our city employees. That was my question and they said they really have to think about it. Maybe someone can summarize what they're doing but it is important for us as we move towards this. I also met with a property owner that owns about 800 units, he has over 6 apartments, he said he would love to do bike share and also electrical vehicle charging but he said he can't afford it. Will an apartment owner like himself, be eligible for these dollars? Mr. Gorski replied the MSRC has already set aside funding to do the implementation of multi-unit dwelling charging infrastructure, not under this program specifically. The MSRC has allocated funding towards that element. Multi-unit developments are one of the tougher nuts to crack when it comes to EVSE because there is very little upside benefit to the individual or entity that owns that property. That's why we have invested some money to do some research with the Luskin Center of UCLA. Having someone come forward is great and we would want to engage that individual to find out a little bit more about what their intentions are, where their location is and how that specific site can accommodate EVSE.

MSRC-TAC Chair Gretchan Hardison commented she would be happy to connect MSRC Member Michele Martinez with LADWP's electric vehicle transportation staff, if she would like to speak with them about the light pole and utility pole chargers that they have been installing.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITIES OF
GRAND TERRACE, DIAMOND BAR, ARCADIA, DUARTE, CALABASAS,

WESTLAKE VILLAGE, INDIAN WELLS AND WESTMINSTER TOTALING \$514,480.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its April 6, 2018 meeting.

Agenda Item #9 – Consider Alternative Approach to Implementing Hydrogen Infrastructure Element of FYs 2016-18 Work Program

Ray Gorski, MSRC Technical Advisor reported that back in November, the MSRC took an action to make a funding award to the California Energy Commission to work with the MSRC and the other project partners, specifically the South Coast Air Quality Management District and California Air Resources Board, to implement hydrogen refueling stations throughout the basin. This is a recommendation from your Technical Advisory Committee to make a modification to how the program will be implemented. As the result of discussion between the MSRC staff and the Energy Commission, as well as the South Coast AQMD, it was determined that the original approach of providing a sole-source award to the Energy Commission might in some ways not allow the MSRC to retain the level of flexibility that historically the MSRC has had to identify projects and apply funding towards them.

We are going to introduce an approach that we feel will both retain the original intentions of the program, that is to have a funding program that has partnerships with the South Coast AQMD, the California Energy Commission and the California Air Resources Board, but will also retain a level of flexibility for the MSRC to make sure that the stations that you feel are worthy of the allocations can receive them. This has been vetted rather extensively. We had close coordination with the California Energy Commission and the South Coast AQMD as the major funding partners. This has also been reviewed by the South Coast AQMD's Executive Management and they have concurred. The approach is called a Program Opportunity Notice (PON). We feel that this will allow the utmost flexibility, allow the broadest number of applicants to be brought forward and still retains the positive elements of the original approach: a funding partnership between the state regulatory agencies and the MSRC. It does allow participation by other stakeholders. There's really no prohibition as to who can come in and work with the MSRC to implement a hydrogen refueling station.

The specific attributes of the program are that it retains the current funding level previously allocated of \$3M. It sets in place a mechanism for the MSRC to augment that amount in the future should they choose to. It establishes a geographic funding minimum which was not an element of the original approach. It also puts forth a recommended initial period of having applications accepted that can be extended at the discretion of the MSRC. The whole idea was to remove some perceived impediments of the sole-source contract with the CEC, retaining the same level of participation from all of the stakeholder agencies but also provide the MSRC with additional flexibility in making project awards. We feel the approach that has been put forth by staff and the MSRC-TAC is something that is very doable. The MSRC has a long successful history of using PONs as procurement instruments. The only thing an applicant really needs to do is provide a very concise project description concept and the MSRC staff will work with that

project proponent to develop it into a project which will be brought forth for your consideration. Flexibility here is the key. What this allows the MSRC to do is really the following: if a project partner, for example, the Energy Commission approaches the MSRC with a station that has been decided to be mutually beneficial to all parties, the MSRC can enter into a sole-source award with the CEC, exactly as you would have been able to do under the prior program structure. However, if you find that there is a geographic area in which there are lots of project proponents seeking MSRC funding, you can have staff put together a Request for Proposals and then do a competition amongst those entities to determine which is the best fit with the MSRC. There is a mechanism in place that if a station doesn't appeal to you, you can simply decline it and there is no further action required. The nice part is, they don't have to put forth a full-blown proposal and a lot of staff time to develop it. They can put in a concept paper, we can do an initial evaluation, if it's not going to work, we can tell them before they expend a lot of effort. If it's something that the MSRC would like to look at, we will have them provide additional data for your review.

Today we ask that the MSRC nullify the action that was taken at the November 17, 2017 meeting, approving a sole-source award with the California Energy Commission, and instead issue an authorization for the Program Opportunity Notice that would be submitted to the South Coast AQMD for their consideration at the April 6, 2018 meeting. There is ample opportunity for the MSRC to provide comments, suggestions or recommendations to the PON.

MSRC Alternate Brian Berkson questioned what is the negative downside. Mr. Gorski replied there is none.

MSRC Member Greg Winterbottom questioned what's good about the dollar amounts? Do we meet the \$500,000 per county minimum usually? How is this going to function? Mr. Gorski replied in this case there is a high probability we will meet or exceed the county minimum. We've already been made aware of some potential station locations within the Inland Empire. We know that there is an effort to go out and do some additional marketing to entice some key locations to implement hydrogen refueling. We did meet with the South Coast AQMD throughout this process, as well as, the Energy Commission. John Kato, the Chair of your MSRC-TAC's Infrastructure Subcommittee, is a partner in coming up with this new approach. It was recognized as we were going through the contract formation process that there were some good things and then there were some things that probably would be not as good. We tried to keep the good things and try to make sure there weren't any impediments. We feel that the \$500,000 is going to be met within each of the four counties and hopefully exceeded. This program is open for two years and can easily be amended by the MSRC to increase both the dollar value as well as the length of time. All of the stakeholders are on board.

Mr. Winterbottom commented if we get more requests than we can fund, we can move monies around to get into this because we always have monies left on other programs.

ON MOTION BY MSRC MEMBER MICHELE MARTINEZ AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO RESCIND THE PREVIOUS \$3.0 MILLION
AWARD TO THE CALIFORNIA ENERGY COMMISSION AND ISSUE A
\$3.0 MILLION PROGRAM OPPORTUNITY NOTICE FOR HYDROGEN
INFRASTRUCTURE PROJECTS.

AYES: BERKSON, CARTER, MARTINEZ, MCCALLON, ROYBAL
SALTARELLI, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its April 6, 2018 meeting.

Agenda Item #10 – Other Business

- Cynthia Ravenstein, MSRC Contracts Administrator commented we are kicking off the process starting to schedule our workshops for the next Work Program Development. You may be hearing from The Better World Group or your TAC member soon about seeing if you are able to attend one of the workshops as we collect input on what type of things we would like to fund next.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

ADJOURNMENT

There being no further business, the MSRC meeting adjourned at 2:38 p.m.

NEXTMEETING

Thursday, April 19, 2018 at 2:00 p.m., Room CC8.

[Prepared by Penny Shaw Cedillo]

MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, APRIL 19, 2018 MEETING MINUTES
21865 Copley Drive, Diamond, Bar, CA 91765 - Conference Room CC-8

MEMBERS PRESENT:

(Chair) Greg Pettis, representing RCTC
(Vice-Chair) Larry McCallon, representing SBCTA
Brian Berkson (Alt.), representing RCTC
Jack Kitowski, representing California Air Resources Board
Greg Winterbottom, representing OCTA
Mark Yamarone (Alt.), representing Los Angeles County MTA (via v/c)

MEMBERS ABSENT:

Ben Benoit, representing SCAQMD
Michele Martinez, representing SCAG
Dolores Roybal Saltarelli, representing Regional Rideshare Agency
Steve Veres, representing LA County MTA

MSRC-TAC MEMBERS PRESENT:

Rongsheng Luo, representing SCAG
Vicki White, representing SCAQMD

OTHERS PRESENT:

Lauren Dunlap, SoCalGas
Ruben Aronin, Better World Group
Ric Teano, OCTA

SCAQMD STAFF & CONTRACTORS

Leah Alfaro, MSRC Contracts Assistant
Penny Shaw Cedillo, MSRC Administrative Liaison
Ray Gorski, MSRC Technical Advisor-Contractor
John Kampa, Financial Analyst
Megan Lorenz, Principal Deputy District Counsel
Fred Minassian, Asst. Deputy Executive Officer
Cynthia Ravenstein, MSRC Contracts Administrator
Paul Wright, Information Technology Specialist

CALL TO ORDER

- Call to Order

MSRC Vice-Chair Larry McCallon called to order at 2:08 p.m.

Roll call was taken at the start of the meeting. The following members and alternates were present: BRIAN BERKSON, JACK KITOWSKI, LARRY MCCALLON, GREG PETTIS, GREG WINTERBOTTOM, MARK YAMARONE.

STATUS REPORT

Copies of the Clean Transportation Policy Update were distributed at the meeting.

MSRC Vice-Chair Larry McCallon stated for the record that for Agenda Items #5 and #8, he does not have any financial interest, but is required to identify that he is a Board Member for the San Bernardino County Transportation Authority and Southern California Association of Governments, which is involved in these items.

MSRC Member Greg Winterbottom stated for the record that for Agenda Item #8, he does not have any financial interest, but is required to identify that he is a member of the Southern California Regional Rail Authority Board of Directors, which is involved in this item.

CONSENT CALENDAR (Items 1 through 6)
Receive and Approve Item**Agenda Item #1 – Minutes for the March 15, 2018 MSRC Meeting**

The minutes of the March 15, 2018 MSRC meeting were not yet ready and therefore, were pulled from the agenda.

Agenda Item #2 – Summary of Final Report by MSRC Contractors

The MSRC received and approved the final report summary this month, as follows:

- Transit Systems Unlimited, Contract #MS16084, which provided \$565,600 for the Hollywood Bowl-Union Station Shuttle

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #6, THE

MSRC UNANIMOUSLY APPROVED THE FINAL REPORT LISTED ABOVE.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: MSRC staff will file the final report and release any retention on the contract.

Information Only - Receive and File

Agenda Item #3 – MSRC Contracts Administrator’s Report

The MSRC AB 2766 Contracts Administrator’s Report for February 22 through March 28, 2018 was included in the agenda package.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #6, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE
CONTRACTS ADMINISTRATOR’S REPORT FOR FEBRUARY 22
THROUGH MARCH 28, 2018.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: Staff will include the MSRC Contracts Administrator’s Report in the MSRC Committee Report for the May 4, 2018 SCAQMD Board meeting.

Agenda Item #4 – Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for March 2018 was included in the agenda package.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #6, THE
MSRC UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL
REPORT FOR THE PERIOD ENDING MARCH 2018.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: No further action is required.

For Approval – As Recommended**Agenda Item #5 – Consider Modified Project List and Seven-Month Term Extension by Southern California Association of Governments (SCAG) (\$2,500,000 – Implement “Go Human” Program)**

MSRC Chair Greg Pettis stated for the record that for Agenda Item #5, he does not have any financial interest, but is required to identify that he is a Board Member for Southern California Association of Governments, which is involved in this item.

Some of the previously approved projects have opted out of the Program. SCAG requests to substitute projects within the same counties as those projects being replaced: Chino in place of Redlands, Riverside in place of Hemet, South El Monte in place of Rancho Palos Verdes, and Los Angeles in place of El Segundo. Additionally SCAG requests a seven-month term extension to accommodate the substitutions as well as delays in some of their matching projects.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #6, MSRC
UNANIMOUSLY VOTED TO APPROVE MODIFIED PROJECT LIST AND
SEVEN-MONTH TERM EXTENSION FOR SOUTHERN CALIFORNIA
ASSOCIATION OF GOVERNMENTS.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

Agenda Item #6 – Consider Modified Station Specifications, Contract Value Reduction and One-Year Term Extension by City of South Pasadena, Contract #ML16025 (\$180,535 – Expand CNG Station and Purchase HeavyDuty CNG Vehicle)

The City of South Pasadena requests to substitute the installation of an all-in-one unit with additional buffer storage for the installation of a separate compressor and storage vessels. As the new configuration would have a lower total cost, the contract value would be reduced by \$20,000. The City further requests a one-year contract term extension.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 THROUGH #6, MSRC
UNANIMOUSLY VOTED TO APPROVE MODIFIED STATION
SPECIFICATIONS, CONTRACT VALUE REDUCTION AND ONE-YEAR
TERM EXTENSION FOR THE CITY OF SOUTH PASADENA, CONTRACT
#ML16025.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: MSRC Staff will amend the above contract accordingly.

ACTION CALENDAR (Items 7 through 9)
FYs 2016-18 WORK PROGRAM

Agenda Item #7 – Consider Funding for Applications Received under the Local Government Partnership Program

MSRC Chair Greg Pettis stated for the record that he has to recuse himself from the City of Carson portion of Agenda Item #7 because of past employment and left the room; however, he did vote on the remaining portion of the same Agenda Item #7.

Cynthia Ravenstein, MSRC Contracts Administrator, reported the City of Carson has requested Southern California Association of Governments \$106,250 for light-duty zero-emission vehicles and electric vehicle charging infrastructure. The MSRC-TAC recommends approval of this award.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM AND
SECONDED BY MSRC MEMBER JACK KITOWSKI, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO THE CITY OF
CARSON FOR \$106,250.

AYES: BERKSON, KITOWSKI, MCCALLON, WINTERBOTTOM, YAMARONE.
NOES: NONE.

Ms. Ravenstein continued with respect to balance of this item, noting there are some typos in the table of Recommended Awards on page 3. The last column should read "Award Amount" not "Funding Request." The City of San Fernando had requested a larger amount of funding, they requested \$10,000 for a light-duty zero-emission vehicle but were also requesting \$20,000 for traffic signal cabinets. Putting in traffic signal cabinets on their own without doing the signal synchronization wasn't going to achieve any emissions benefits. The Subcommittee and the TAC recommended that the City of San Fernando revisit that portion of their application and potentially revise it and resubmit it; they still have until August 2nd for that part. The TAC recommends that the MSRC just fund the \$10,000 for the light-duty vehicle right now. That has been communicated to the City and they are looking into revising their application. Also, the incorrect amount was listed for the City of Garden Grove, their application is for \$53,593 for light-duty zero-emission vehicles as well as electric charging infrastructure to support them. The total of the recommended awards is \$5,081,695.

MSRC Member Jack Kitowski questioned is there more detailed information? Cynthia Ravenstein replied what type of information were you looking for? Mr. Kitowski replied a lot of what we do at the California Air Resources Board, we are also responsible for different incentive programs that crisscross many of these categories. I am very interested in understanding who's coming to you and the details of what exactly are the near-zero heavy-duty vehicles, or the medium-duty charging infrastructure, what are they putting in, what are the makes and models. Ms. Ravenstein replied we aren't holding them necessarily to specific makes and models, some of them disclose that but they were not required to. I can prepare that information for you. Mr. Kitowski added this category still seems to be lagging behind in the amount of allocation that we thought it would get with the \$20M, what was the extended timeframe. Ms. Ravenstein replied it was hoped that more applications would have been received sooner. The original deadline was a little over a month ago, once a lot of the local governments who were working on applications

found out the deadline has been extended, it suddenly becomes not as pressing. We have also notified all of the local governments that have not submitted their applications about the extension of the deadline, and as a result I have heard from some local governments that we have not heard from previously. Our goal is to get as close to 100% participation as possible. Mr. Kitowski commented should we put in a backup plan for this funding or do you have thoughts, if it is not spent. Ray Gorski, MSRC Technical Advisor, replied this program opportunity will close on August 2nd and on or about that time that MSRC will be having their Retreat and deliberations as to how to utilize the MSRC Discretionary Funds. We will have knowledge as to how much of that \$20M has been requested at the time; that funding will simply roll into the upcoming Work Program. Any residual balance and turn back funds will be added to that amount.

MSRC Member Greg Winterbottom asked what does that seem like it's going to be. Mr. Gorski replied we are expecting to have some amount of funding as a residual balance in the Infrastructure Program based on the natural gas element of that program. There's going to be a recommendation from your TAC to have that funding roll into the new Hydrogen PON. There will be approximately \$16.4M annually if you have a two-year Work Program again.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM AND
SECONDED BY MSRC VICE CHAIR LARRY MCCALLON, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AWARDS TO THE CITIES OF
AGOURA HILLS, ANAHEIM, BEAUMONT, CHINO, CULVER CITY,
DOWNEY, GARDEN GROVE, GLENDALE, IRVINE, LA HABRA HEIGHTS,
LONG BEACH, LYNWOOD, MALIBU, MORENO VALLEY, PARAMOUNT,
PERRIS, RANCHO CUCAMONGA, REDLANDS, RIVERSIDE, SAN
FERNANDO, SANTA ANA, WEST HOLLYWOOD, WHITTIER, YORBA
LINDA, AND THE COUNTY OF LOS ANGELES FOR \$4,975,445.
AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.
NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its May 4, 2018 meeting.

Agenda Item #8 – Consider Work Plan Received under the CTC Partnership Program

Ray Gorski, MSRC Technical Advisor reported this item is under the 2016-18 CTC Partnership Program. Under this program \$2M was allocated to each of the four County Transportation Commissions within the South Coast Air Basin. This is a request for funding allocation from San Bernardino County Transportation Authority (SBCTA); they are requesting that their \$2M allocation be applied to a Fare Reduction Program for the San Bernardino Line of the Metrolink Rail System. Over the past few years, they have experienced a decline in ridership; they believe by lowering the fares and having that sustained for a period of time, they can bring back their prior riders but also potentially increase their overall ridership by making the fare structure more attractive to new rail users. This will be matched in the amount of \$814,999 from SBCTA, as well as an additional contribution of \$4.2M from Los Angeles Metro. We are anticipating that the MSRC funding will be allocated over an approximately four-year period. There is the belief that the ridership will reach a net-zero, meaning that the MSRC money will be used for approximately four-years, and at that time the rail fare will remain constant but the increased

revenue as a function of additional riders is going to offset any short-term losses that they will have experienced. This means that the number of riders and the revenue is going to be sufficient to sustain the operation costs even at the reduced fare structure. The initial belief is that four years will be sufficient, and break even will be in year five. However, in the event that the program is discontinued or if the fare reduction is for a longer period, we would like to contract to accommodate that flexibility. This is a partnership between MSRC, SBCTA, SCRRA, and LA Metro/MTA.

MSRC Vice-Chair Larry McCallon commented this is a program that originated at Metro asking for a partnership to increase ridership. As you know ridership has gone down, primarily because of the Gold Line extension. The Gold Line is a lot cheaper. There's also competition from some of the express buses. They are all in the same corridor. We have seen this work on the Antelope Valley Line; ridership picked up when they reduced the fares. We are very hopeful that this will also increase ridership.

ON MOTION BY MSRC MEMBER GREG WINTERBOTTOM AND
SECONDED BY MSRC VICE-CHAIR LARRY MCCALLON, THE MSRC
UNANIMOUSLY VOTED TO APPROVE AN AWARD TO SAN
BERNARDINO COUNTY TRANSPORTATION AUTHORITY (SBCTA) FOR
\$2,000,000.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.

NOES: NONE.

ACTION: This item will be considered by the SCAQMD Board at its May 4, 2018 meeting.

Agenda Item #9 – Consider Duration of Next MSRC Work Program

Cynthia Ravenstein, MSRC Contracts Administrator, reported the MSRC's Work Program is often adopted on an annual basis. At times the MSRC has also elected to pursue a two-year Work Program. This item would consider whether the MSRC's next Work Program should cover one or two fiscal years.

MSRC Vice-Chair Larry McCallon questioned is there any downside to doing a two-year Work Program. Ms. Ravenstein replied the only potential downside is that somebody might have a project that they want to do and the timing doesn't line up with when the opportunity is available. Mr. McCallon replied our two-year Work Program has been fairly successful.

MSRC Alternate Brian Berkson questioned if it is a two-year Work Program, but if you find that something that was done in year one wasn't as successful as we hoped, and the money is still in the fund, it would be a shame to have to wait until that following year to reinvest it back into the system, is there a way to deal with those scenarios? Ms. Ravenstein replied it is at the MSRC's discretion, if there is funding available and they see a need for another program in the interim, they can do it.

MSRC Member Greg Winterbottom questioned what do you think about considering a longer duration. Mr. Gorski replied we have discussed internally what we feel is more or less an optimum duration. We feel that with one-year, given the complexity of the projects and the

partnerships that have to be formed, there may not be enough time. Also one year might pose a problem in trying to get a better understanding of what other incentive funds are available. With two-years, there is a comfort level that it seems to work well. We did think about if it was three-years, what could we do. We could potentially have some larger programs but that might be just a little too long for fresh ideas to be brought in. We feel that two years is a pretty good length of time given the current environment, the other funding categories and sources that we are trying to coordinate with, as well as, always having at least within the next 24 months an opportunity for folks to come to the table.

ON MOTION BY MSRC VICE-CHAIR LARRY MCCALLON AND
SECONDED BY MSRC MEMBER GREG WINTERBOTTOM, THE MSRC
UNANIMOUSLY VOTED TO ADOPT A TWO-YEAR WORK PROGRAM
COVERING FISCAL YEARS 2018-20.

AYES: KITOWSKI, MCCALLON, PETTIS, WINTERBOTTOM, YAMARONE.

NOES: NONE.

Agenda Item #10 – Other Business

MSRC Member Jack Kitowski commented he would like more information on the workshops. Ray Gorski, MSRC Technical Advisor, replied we have a flyer that we put together that you will receive this afternoon. We are hosting a series of workshops. This is typically the initial stage of the Work Program development process; each of the four counties is represented. We host a round table in which we invite members of the public to come in and share their ideas on where the MSRC can best invest their next funding allocation. We are going to begin in Coachella Valley on May 1st. It will be held in Cathedral City and Mr. Pettis will be there to host the event. We will have meetings for the next several weeks in the different geographical regions. OCTA, SBCTA, RCTC and SCAG will be host sites this year. It's informal, we have a presentation that we give to more or less start the dialogue. It's really an opportunity for anyone to share their ideas for how the MSRC can work to implement clean air projects. We have received some very good ideas in the past. We have a lot of city representation, often we have other stakeholders that have specific ideas relative to their industry. We get a good mix of both public and private entities. Normally, participation varies but it's on the order of 20-40 entities. Once we have completed those workshops, we take that data, digest it into lessons learned, what are the major areas that the stakeholders are suggesting for MSRC focus and use that as an introduction to your Work Program development process which the MSRC will convene at your workshop which is probably going to be in the July time frame this year. We will need at least a month to get the workshops concluded, some time to compile the data, then of course work with the membership to find out what your availability is to participate in a Retreat. And also, there are the other things we need to do with the logistics, finding a location, and identifying additional guests to participate along with you. That takes a little bit of time. Your Retreat will probably be at the end of July/August time frame. At that point there will be some additional work and staff will put together the results of your Retreat and ideas that we received and start the process of actually putting together your 2018-2020 Work Program. It will probably be completed in the October time frame. At that time we will have solicitations ready for your review and subsequent release.

MSRC Vice-Chair Larry McCallon stated he will be out of the country the first week of July and the last week of July. Mr. Gorski replied I know that that SCAQMD Governing Board is dark in

August. We're going to poll membership and find out what works for folks and try to meet. We usually like to have it on the same day as the MSRC meeting because we know that you have blocked out at least some portion of the day, but again often times we start mid-morning and go through the afternoon session.

PUBLIC COMMENT PERIOD

Public comments were allowed during the discussion of each agenda item. No comments were made on non-agenda items.

ADJOURNMENT

There being no further business, the MSRC meeting adjourned at 2:34 p.m.

NEXTMEETING

Thursday, May 17, 2018 at 2:00 p.m., Room CC8.

[Prepared by Penny Shaw Cedillo]

MSRC Agenda Item No. 2

DATE: May 17, 2018

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from March 29 to April 25, 2018.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are with the prospective contractor for signature or executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are with the prospective contractor for signature. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are under development or with the prospective contractor for signature.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Match Program. These contracts are under development.

2014-16 Work Program

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives Program. These contracts are under development, with the prospective contractor for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

Work Program Status

Contract Status Reports for work program years with open (including “Open/Complete”) and/or pending contracts are attached.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2006-07 Work Program Contracts

No contracts from this work program year are open; and one is in “Open/Complete” status.

FY 2006-07 Invoices Paid

No invoices were paid during this period.

FY 2007-08 Work Program Contracts

4 contracts from this work program year are open; and 3 are in “Open/Complete” status.

FY 2007-08 Invoices Paid

No invoices were paid during this period.

FY 2008-09 Work Program Contracts

2 contracts from this work program year are open; and 4 are in “Open/Complete” status. One contract closed during this period: Los Angeles World Airports, Contract #ML09032 – Purchase Seven Heavy-Duty Natural Gas Vehicles.

FY 2008-09 Invoices Paid

One invoice in the amount of \$25,000.00 was paid during this period.

FY 2010-11 Work Program Contracts

5 contracts from this work program year are open; and 35 are in “Open/Complete” status. One contract was cancelled during this period: City of Santa Monica, Contract #ML11038 – Maintenance Facility Modifications. One contract closed during this period: City of Chino, Contract #ML11042 – Purchase One Heavy-Duty Natural Gas Vehicle and Repower One Heavy-Duty Off-Road Vehicle.

FY 2010-11 Invoices Paid

No invoices were paid during this period.

FY 2011-12 Work Program Contracts

13 contracts from this work program year are open, and 33 are in “Open/Complete” status.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

36 contracts from this work program year are open, and 25 are in “Open/Complete” status.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

76 contracts from this work program year are open, and 16 are in “Open/Complete” status. During this period VNG declined a \$100,000 award for installation of public access CNG station in Bell Gardens, and the Sanitation Districts of Los Angeles County declined a \$275,000 award for expansion of their existing L/CNG station.

FYs 2014-16 Invoices Paid

Two invoices totaling \$468,056.77 were paid during this period.

FYs 2016-18 Work Program Contracts

11 contracts from this work program year are open.

FYs 2016-18 Invoices Paid

Two invoices totaling \$406,427.90 were paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period of March 29 to April 25, 2018.
