

BOARD MEETING DATE: April 4, 2025

AGENDA NO. 22

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: The Mobile Source Air Pollution Reduction Review Committee held a hybrid meeting on Thursday, March 20, 2025. The following is a summary of the meeting.

RECOMMENDED ACTION:
Receive and file.

Curt Hagman
South Coast AQMD Representative
to MSRC

AK:CR:me

Contract Modification Request

The MSRC considered one contract modification request and took the following action:

1. City of Long Beach, Contract #ML18055 to install EV charging stations, approval of reduction in scope from 74 to 63 stations, reduction in value from \$622,220 to \$529,728, and one-year term extension with condition that this be the final extension.

Carl Moyer Program Partnerships Update

In January 2024, the MSRC awarded conditional funding to the Southern California Gas Company, Penske Truck Leasing, and Pilot Travel Center to partner in seeking funding under the Carl Moyer Program. The MSRC received an update on the Carl Moyer Program results and de-obligated \$273,130 that had been awarded to Penske Truck Leasing Co. for their Anaheim project location, which did not receive a Carl Moyer Program award and is not on a Carl Moyer Program backup list. The MSRC will reassess their remaining allocations for Carl Moyer backup list projects in six months.

Website Hosting and Maintenance

The MSRC released an RFP on December 6, 2024 to solicit proposals for hosting and maintenance of the existing MSRC website. Eight proposals were received prior to the deadline on January 15, 2025. The proposals were scored and ranked as follows:

Proposer Name	Final Score	Final Rank
Exemplifi, LLC	96	1
Geographics	91.67	2
Gravity Works	77	3
AKA Comp Solutions	72	4
Aleph0 Capital, LLC	67.33	5*
Best Service Pros	67.33	5*
Consultadd	67	7
Digital Factory 24	64	8

*Tied

The MSRC awarded a contract in an amount not to exceed \$20,200 to Exemplifi, LLC for website hosting, maintenance and minor modification services for a two-year period, as part of the FYs 2024-27 Work Program. The contract will also include provisions for an additional two-year option for continued hosting and maintenance. Funding to exercise the option will be considered by the MSRC and South Coast AQMD Board separately at the appropriate time.

Transportation Demand Management (TDM) – County Transportation Commission (CTC) Partnership Program

The MSRC approved the release of an Invitation to Negotiate for the TDM – CTC Partnership Program. The four CTCs within South Coast AQMD jurisdiction – Los Angeles County Metropolitan Transportation Authority, Orange County Transportation Authority, Riverside County Transportation Commission (RCTC), and San Bernardino County Transportation Authority (SBCTA) - have historically taken the lead in implementing TDM strategies. The purpose of the TDM – CTC Partnership Program is to provide a flexible funding opportunity to implement innovative projects that have a high potential to reduce significant numbers of automobile trips and vehicle miles traveled. In addition, projects that stimulate the use of lower-emitting technologies, especially those coupled with traditional TDM strategies, are sought. While each CTC would have the opportunity to identify priority programs proposed for MSRC co-funding, CTCs are encouraged to assess and consider partnering with MSRC on projects that either prepare for, or directly implement, TDM and air pollution reduction strategies supportive of upcoming major events that do not occur in the region on an

annual basis, including but not limited to the 2026 FIFA World Cup, 2027 Super Bowl and 2028 Los Angeles Olympics and Paralympic Games.

Under the Invitation to Negotiate, each of the four CTCs would be eligible to propose one or more projects up to a maximum of \$4,000,000, for a total not to exceed a targeted funding amount of \$16,000,000. Proposals may be submitted from April 4 through August 1, 2025. Should RCTC need additional time, the MSRC reserves the right to extend the proposal acceptance period at their discretion. Any funding awards would be considered by the MSRC and brought forward for South Coast AQMD Board approval as part of the MSRC's FYs 2024-27 Work Program.

Regional Rideshare Integration and Enhancement Project

The MSRC approved the release of an Invitation to Negotiate to SBCTA for a project to expand the existing regional rideshare database. Currently, the regional database encompasses the counties of Los Angeles, Orange, Riverside, San Bernardino, and Ventura. Currently, it is estimated that nearly 70,000 commuters travel between the current five-county CTC Rideshare Partnership area and San Diego County. Currently, there is no mechanism in place to capture these intercounty commuters for purpose of ride matching, and thus no ability to integrate San Diego based intercounty commuters into a transit or shared ride arrangement. The proposed Regional Rideshare Integration and Enhancement Project, to be implemented on behalf of the five counties by SBCTA, would integrate San Diego County commuters and their employers into a unified, six-county regional ride matching database. In addition, other enhancements would be implemented to improve the regional rideshare platform's overall effectiveness.

Under the Invitation to Negotiate, SBCTA would be eligible to submit a proposal for the Regional Rideshare Integration and Enhancement Project. The not-to-exceed targeted funding amount is \$725,000. The proposal must be submitted from April 4 through August 1, 2025. Should SBCTA need additional time, the MSRC reserves the right to extend the proposal acceptance period at their discretion. Any funding award would be considered by the MSRC and brought forward for South Coast AQMD Board approval as part of the MSRC's FYs 2024-27 Work Program.

Regional Worksite Transit Trainer Program

The MSRC considered a proposed Invitation to Negotiate to Riverside County Transportation Commission for implementation of a regional worksite transit trainer program. The program was intended to address the barrier of transit system unfamiliarity and attract new commuter rail and express route riders. The MSRC did not approve the Invitation to Negotiate.

Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's report provides a written status report on all open contracts from FY 2011-12 to the present. The Contracts Administrator's Report for January 1, 2025 through February 26, 2025 is attached (*Attachment 1*).

1. January 1 through February 26, 2025 Contracts Administrator's Report
2. Minutes of September 19, 2024 MSRC Meeting

MSRC Agenda Item No. 3

DATE: March 20, 2025

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 1 to February 26, 2025.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2021-24 Work Program

On September 2, 2022, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On February 3, 2023, the SCAQMD Governing Board approved an award under the Transformative Transportation Strategies & Mobility Solutions Program. This contract is executed.

On June 2, 2023, the SCAQMD Governing Board approved six awards under the Microtransit Service RFP, for zero-emission shared mobility service. These contracts are executed.

On September 1, 2023, the SCAQMD Governing Board approved two awards under the Publicly Accessible Goods Movement Zero Emission Infrastructure Request for Information. One of these contracts will be administered by SCAQMD on behalf of the MSRC, and the other award is conditional upon successful selection of a site developer and operator and securing co-funding commitments.

On February 2, 2024, the SCAQMD Governing Board approved allocations for partnership in applications seeking funding under the Carl Moyer Program solicitation. If the applications are awarded funding, to the extent feasible these contracts will be administered by SCAQMD on behalf of the MSRC. A report on these partnerships is included as a separate item on the agenda.

2024-27 Work Program

On December 6, 2024, the SCAQMD Governing Board approved an award for partnership on the West Coast Truck Charging and Fueling Corridor Project. This contract is under

development. The SCAQMD Governing Board also approved three allocations for partnership with SCAQMD on technology advancement projects; to the extent feasible these contracts will be administered by SCAQMD on behalf of MSRC.

Work Program Status

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

FY 2011-12 Work Program Contracts

1 contract is in “Open/Complete” status, having completed all obligations except operations.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

1 contract from this Work Program year is open, and 2 are in “Open/Complete” status. 1 contract closed during this period: Waste Resources, Inc., Contract #MS14079 – Install New Limited Access CNG Station.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

4 contracts from this Work Program year are open, and 10 are in “Open/Complete” status.

FYs 2014-16 Invoices Paid

1 invoice in the amount of \$244,508.00 was paid during this period.

FYs 2016-18 Work Program Contracts

18 contracts from this Work Program year are open, and 56 are in “Open/Complete” status. 5 contracts moved into “Open/Complete” status during this period: City of Irvine, Contract #ML18050 – Install EVSE; City of Riverside, Contract #ML18063 – Expand CNG Station; City of Los Angeles Dept. of General Services, Contract #ML18134 – Purchase Two Medium-duty ZEVs; and City of Placentia, Contract #ML18166 – Purchase 1 Heavy-duty Near-Zero Emission Vehicle. 4 contracts closed during this period: City of Yorba Linda, Contract #ML18043 – Install EV Charging Infrastructure; City of Lynwood, Contract #ML18048 – Purchase 3 Medium-duty ZEVs; City of Burbank, Contract #ML18101 – Install 20 EV Charging Stations; and City of Paramount, Contract #ML18186 – Install EV Charging Infrastructure. 1 contract was terminated during this period: City of La Puente, Contract #ML18178 – Purchase 1 Heavy-duty Near-Zero Emission Vehicle.

FYs 2016-18 Invoices Paid

2 invoices totaling \$418,035.00 were paid during this period.

FYs 2018-21 Work Program Contracts

8 contracts from this Work Program year are open, and 6 are in “Open/Complete” status. 1 contract moved into “Open/Complete” status during this period: Pac Anchor Transportation, Inc., Contract #MS21018 – Deploy up to 21 Near-Zero Emission Trucks. 1 contract closed during

this period: Better World Group Advisors, Contract #MS21002 – Programmatic Outreach Services.

FYs 2018-21 Invoices Paid

11 invoices totaling \$666,273.35 were paid during this period.

FYs 2021-24 Work Program Contracts

8 contracts from this Work Program year are open.

FYs 2021-24 Invoices Paid

No invoices were paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period from January 1 to February 26, 2025.

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, SEPTEMBER 19, 2024 MEETING MINUTES**
21865 Copley Drive, Diamond, Bar, CA 91765

MEMBERS PRESENT:

(Chair) Larry McCallon, representing San Bernardino County Transportation Authority (SBCTA)
William Robertson, representing California Air Resources Board (CARB)
Linda Krupa, representing Regional Rideshare Agency
Rena Lum (Alt.), representing Los Angeles County Metropolitan Transportation Authority (Metro)
Cindy Allen (Alt.), representing Southern California Association of Governments (SCAG)

MEMBERS ABSENT:

(Vice-Chair) Brian Berkson, representing Riverside County Transportation Commission (RCTC)
Mark Henderson, representing SCAG
Patrick Harper, representing Orange County Transportation Authority (OCTA)
Curt Hagman, representing South Coast Air Quality Management District (AQMD)
Steve Veres, representing Metro
John Dutrey (Alt.), representing SBCTA
Peter Christensen (Alt.), representing CARB

MSRC-TAC MEMBERS PRESENT:

Rongsheng Luo, representing SCAG

OTHERS PRESENT:

Rahul Sen, City of Long Beach
Sam Emmersen, Better World Group
Keiko Cadby
Mike Swaney, BNSF Railway

SOUTH COAST AQMD STAFF & CONTRACTORS PRESENT:

Aaron Katzenstein, Deputy Executive Officer
Cynthia Ravenstein, MSRC Contracts Administrator
Daphne Hsu, Principal Deputy District Counsel
De Groeneveld, Information Technology Supervisor
Debra Ashby, Sr. Public Affairs Specialist
Ghislain Muberwa, Information Technology Specialist
Karen Sandoval, Financial Analyst
Lane Garcia, Program Supervisor
Leticia Allie Ramirez, MSRC Contracts Assistant
Maria Allen, Administrative Assistant
Marjorie Eaton, Administrative Assistant
Ray Gorski, MSRC Technical Advisor-Contractor
Victor Juan, Program Supervisor

CALL TO ORDER

- Chair Larry McCallon called the meeting to order at 2:00 p.m.
- Roll call was taken at the start of the meeting.
- Cynthia Ravenstein, MSRC Contracts Administrator, reported on the Clean Transportation Policy update highlighting a successful funding award from USDOT for a tri-state application involving the MSRC, CEC, and Caltrans. The \$6 million allocated by MSRC will focus on local charging stations. Further updates will follow regarding another application submitted by CEC and Caltrans, which may also receive funding.
- Chair McCallon asked for public comment on this item.
No public comment
- Chair McCallon asked for public comment on the Consent Calendar.
No public comment.

CONSENT ITEMS (Items 1 through 4):**Receive and Approve****1. Minutes of April 18 and May 16, 2024 MSRC Meetings**

The April 18 and May 16, 2024 MSRC meeting minutes were included in the agenda package.

Moved by Krupa; seconded by Robertson; under approval of Consent Calendar Items #1-4, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon

Noes: None

Action: Staff will include the MSRC minutes with the MSRC Committee Report for the October 2024 South Coast AQMD Board meeting.

Information Only – Receive and File**2. MSRC Contracts Administrator's Report**

The MSRC AB 2766 Contracts Administrator's Report for July 25 through August 28, 2024 was included in the agenda package.

Moved by Krupa; seconded by Robertson; under approval of Consent Calendar Items #1-4, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon

Noes: None

Action: Staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the October 2024 South Coast AQMD Board meeting.

3. Financial Report on AB 2766 Discretionary Fund

A financial report on the AB2766 Discretionary Fund for August 2024 was included in the agenda package.

Moved by Krupa; seconded by Robertson; under approval of Consent Calendar Items #1-4, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon

Noes: None

Action: No further action is required.

FYs 2016-18 Work Program

4. Consider \$27,605 Reallocation Between Tasks by City of Glendale, Contract #ML18059 (\$260,500 – Install Electric Vehicle Charging Infrastructure).

The City requests to reallocate \$27,605 from Level III station installation to Level II station installation.

Moved by Krupa; seconded by Robertson; under approval of Consent Calendar Items #1-4, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon

Noes: None

Action: Staff will amend the above contract accordingly.

ACTION ITEMS (Items 5 through 7)

5. Consider Eight-Month Term Extension by BNSF Railway Company, Agreement #MS21023 (\$1,313,000 – Install Electric Vehicle Charging Infrastructure)

Cynthia Ravenstein, MSRC Contracts Administrator, presented that the original \$3 million award for electric yard hostlers and infrastructure was split, with BNSF now responsible for charging infrastructure and ConGlobal for vehicles. An easement issue with the City of San Bernardino delayed energizing the infrastructure. While

BNSF was initially requested an 8-month extension, the MSRC Contracts Administrator and MSRC-TAC recommended a 1-year extension to ensure adequate operation time. The City has since signed the easement, potentially allowing for the original timeline to be met, but the 1-year extension is still advised.

Chair Larry McCallon asked for public comment on item number 5.
No public comment.

Moved by Robertson for a 1-year term extension; seconded by Krupa; under approval of Action Calendar Item #5, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon
Noes: None
Action: Staff will amend the above contract accordingly.

6. Consider Five-Month Term Extension by ITS Technologies & Logistics dba ConGlobal, Agreement #MS21009 (\$1,686,900 – Deploy 12 Zero-Emission Yard Tractors)

Cynthia Ravenstein, MSRC Contracts Administrator, presented that the original award was bifurcated into awards for the infrastructure and the yard tractors. This is the agreement for 12 zero-emission yard tractors. They have been delivered, but are currently not in service due to charging issues. There was a misunderstanding regarding their operational status, and ITS/ConGlobal received one payment. While ConGlobal requested a 5-month extension, the MSRC Contracts Administrator and MSRC-TAC recommended a 9-month extension to align with BNSF's timeline.

MSRC Member Robertson commented that it is encouraging to see significant progress being made in various projects. It's worth considering extensions for those initiatives that are actively advancing, rather than letting funds remain stagnant for years without any noticeable development. Chair McCallon agreed.

Chair Larry McCallon asked for public comment on item number 6.
No public comment.

Moved by Allen for a 9-month term extension; seconded by Robertson, under approval of Action Calendar Item #6, item unanimously approved.

Ayes: Krupa, Allen, Lum, Robertson, McCallon
Noes: None
Action: Staff will amend the above contract accordingly.

FYs 2024-27 Work Program

7. Consider Recommendation for Programmatic Outreach Services for the**MSRC**

Cynthia Ravenstein, MSRC Contracts Administrator, presented that the MSRC approved an RFP for Programmatic Outreach Services, which was released on May 3rd. Due to advertising issues, the deadline was extended to July 10th. Four proposals were received, one of which was deemed non-responsive. The remaining three were reviewed, and the Better World Group Advisors were recommended for a \$300,000 award for an initial three-year period, with an option for an additional two years to be considered later.

Chair McCallon asked for public comment on item number 7.

No public comment.

Moved by McCallon; seconded by Krupa, under approval of Action Calendar Item #6, item unanimously approved.

Ayes: Krupa, Henderson, Harper, Lum, Robertson, McCallon

Noes: None

Action: Staff will amend the above contract accordingly.

Disclosures were requested from Members.

Item No. 8 – MSRC Member Linda Krupa said she does not have a financial interest in Item No 8 but is required to identify for the record that she is a Commissioner for the Riverside Transportation Commission, which is involved in this item.

Item No. 8 – MSRC Alternate Member Rena Lum said she does not have a financial interest in Item No. 8 but is required to identify for the record that she is an employee of the Los Angeles County Metropolitan Transportation Authority, which is involved in this item.

Item No. 8 – MSRC Member William Robertson said he does not have a financial interest in Item No. 8 but is required to identify for the record that he is an employee of the California Air Resources Board, which is involved in this item.

Read by Daphne Hsu:

Item No. 8 – MSRC Chair Larry McCallon does not have a financial interest in Item No. 8 but is required to identify for the record that he is a Director for the San Bernardino County Transportation Authority and a member of the Governing Board of the South Coast AQMD, which is involved in this item.

8. Status Update on MSRC FY 2025-27 Work Program Development

Ray Gorski, MSRC Technical Advisor, presented a status update on the Work Program development by the MSRC-TAC subcommittees. Several months ago, the MSRC requested a Work Program to be presented by September. While the program is not fully defined yet, actions will be proposed next month. There is no action needed today, but this is a chance for questions and guidance on the program's direction.

The MSRC has approved three subcommittees for its new Work Program: Partnership, Innovation, and Innovative Transportation Control Measures/Transportation Demand Management. Each subcommittee emphasizes collaboration to enhance funding and air quality benefits. The estimated value of the three-year Work Program is approximately \$80.5 million.

This MSRC-TAC underscores the importance of ensuring that funds are available before they are allocated. The money will accumulate over a three-year period, and any programs developed must account for this timeline to ensure funds are in the bank before distribution.

The Partnership Subcommittee's work is evolving, with two approved partnerships currently in progress. The MSRC has committed to support a successful USDOT award of \$102 million to Caltrans and the California Energy Commission project for infrastructure supporting drayage trucks, with a maximum of \$6 million. Future decisions will involve allocating these funds between two programs, one already awarded and another pending review, focusing on projects within the jurisdiction of the South Coast Air Quality Management District.

At the last MSRC meeting, a request for information (RFI) was approved to seek funding from the Trade Corridor Enhancement Program for heavy-duty charging and refueling infrastructure along the I-710 corridor, covering 23 communities. The RFI is currently open for responses, and once complete, will help Metro and the MSRC prepare an application to the California Transportation Commission for funding. No MSRC funds are allocated yet, but future co-funding may be requested.

Chair McCallon asked if there was any insight to the response of the RFI. Gorski answered no responses have been received but every indication is that it will be well received and that we will have a strong application for state funding.

Gorski continued that the MSRC-TAC is collaborating with the South Coast AQMD to evaluate several funding programs. Two programs will be presented next month, including one focused on developing fast charging solutions for Class 4 and

5 trucks, which are currently underserved by electric vehicle charging infrastructure. Chair McCallon mentioned attending a groundbreaking for Green Lane, and that their infrastructure is to better those types of truck charging.

The next program is the development of a medium-duty zero emission pickup by Voltu. This would help to address a significant gap in the electric vehicle market. Currently, options are limited to light-duty and heavy-duty vehicles, leaving local governments and public works without zero-emission choices.

Chair McCallon asked who Voltu is. Gorski answered that they are a company developing an electric drivetrain system. They're going to have it tailored to the Ford F350 truck platform. An upcoming presentation will seek investment of up to \$800,000 for these projects.

The Innovation Subcommittee is developing a program focused on zero-emission heavy-duty equipment for sanitation and landfill operations in the four-county region. This initiative aims to showcase the viability of using such equipment in non-traditional settings, with interest from the South Coast AQMD and potential collaboration with the California Resources Board.

The South Coast AQMD is keen on showcasing zero-emission refuse collection and transfer trucks. This initiative expands beyond off-road vehicles to include trucks that transport waste to processing facilities. The program also encompasses charging infrastructure, with possibilities for hydrogen refueling, not limiting to just battery electric options.

The life cycle of a refuse collection truck involves a transition to zero-emission vehicles (ZEVs), mandated by California's Advanced Clean Fleet rule. Existing investments in natural gas infrastructure and the durability of heavy-duty vehicles complicate this transition.

The initiative would involve creating a tailored program for each county in the South Coast jurisdiction, demonstrating the feasibility of zero emission technology in sanitation facilities. This aims to develop a blueprint for transitioning to 100% zero emissions. The program aims to establish partnerships with four key entities: the MSRC as program developer and administrator, the South Coast AQMD for funding and expertise, the California Air Resources Board for Clean Off-Road Equipment (CORE) funding to reduce equipment costs, and local utilities to support infrastructure. Collaboration is crucial for success, particularly given the complexities of working across four counties. We're preparing to develop an Invitation to Negotiate after MSRC's approval, collaborating with four county sanitation transportation divisions to create tailored programs for their specific

needs. We'll work with South Coast AQMD and seek additional funding, with MSRC's requested contribution of up to \$30 million highlighted.

The Innovative Transportation Control Measure and Transportation Demand Management Subcommittee is actively developing program concepts for consideration, with recent discussions involving all four county Transportation Commissions within South Coast AQMD jurisdiction. A successful model from 2017 is being revisited, where each commission presents customized programs for funding approval, promoting effective regional transportation demand management.

The 2028 Olympics are approaching and will affect the Southern California region, not just Los Angeles. To address anticipated congestion, the Transportation Control Measure Subcommittee is developing strategies to improve mobility and alleviate traffic. Collaboration with regional partners is essential for success, and a cohesive program will be presented next month, though completion isn't guaranteed due to the need for broad stakeholder input.

MSRC Member Robertson asked if there is a broad overview of the various types of measures within a specific category. He emphasized that he is not looking for detailed information on individual projects, but rather a general range of options available. Gorski responded that the Subcommittee sees a lot of promise in mobility hubs, which aim to enhance public transit by integrating traditional options like bus and rail with last-mile solutions such as active transportation and shared rides. Micro-mobility programs are in development to enhance last-mile transportation options, complementing existing services like Uber and Lyft, especially in preparation for the 2028 Olympics.

Gorski and Chair McCallon's discussion revolves around measuring reductions in trips and vehicle miles traveled (VMT) to assess air pollution and traffic impact, particularly in preparation for the LA 2028 Olympics. Emphasis is placed on the need for effective transit strategies, funding, and coordination to handle the anticipated influx of participants and spectators. A sense of urgency is conveyed regarding the preparation timeline and resources needed to support transportation demands.

Gorski concluded that today is not an action day but a preparatory stage for future initiatives. The MSRC-TAC subcommittees are working towards ambitious goals, focusing on broad regional participation and transitioning to zero emissions in response to state mandates.

Chair Larry McCallon asked for public comment on item number 8.
No public comment.

OTHER BUSINESS:

Chair McCallon asked if anyone has other business.

Cynthia Ravenstein, MSRC Contracts Administrator, introduced the newest MSRC staff member, Allie Ramirez, Contracts Assistant.

PUBLIC COMMENT PERIOD

No public comments.

ADJOURNMENT

The meeting adjourned at 2:54 p.m.

NEXT MEETING

Thursday, October 17, 2024 at 2:00 p.m.

[Prepared by Marjorie Eaton]
