### **Background**

In January 2020, the Board approved a revised Procurement Policy and Procedure. Under the revised policy, RFQs/RFPs for budgeted items over \$100,000 that follow the Procurement Policy and Procedure would no longer be required to obtain individual Board approval. However, a monthly report of all RFQs/RFPs over \$100,000 is included as part of the Board agenda package and the Board may, if desired, take individual action on any item. The attached report provides the title and synopsis of the RFQ/RFP, the budgeted funds available, and the name of the Deputy Executive Officer/Assistant Deputy Executive Officer responsible for that item. Further detail including closing dates, contact information, and detailed proposal criteria will be available online at <http://www.aqmd.gov/grants-bids> following Board approval on January 9, 2026.

### **Outreach**

In accordance with South Coast AQMD's Procurement Policy and Procedure, a public notice advertising the RFQs/RFPs and inviting bids will be published in the Los Angeles Times, the Orange County Register, the San Bernardino Sun, and Riverside

County's Press Enterprise newspapers to leverage the most cost-effective method of outreach to the South Coast Basin.

Additionally, potential bidders may be notified utilizing South Coast AQMD's own electronic listing of certified minority vendors. Notice of the RFQs/RFPs will be emailed to the legislative caucuses and various minority chambers of commerce and business associations and placed on South Coast AQMD's website (<http://www.aqmd.gov>), where it can be viewed by making the selection "Grants & Bids."

### **Proposal Evaluation**

Proposals received will be evaluated by applicable diverse panels of technically qualified individuals familiar with the subject matter of the project or equipment and may include outside public sector or academic community expertise.

RFQQ #P2026-02	Issue RFQQ to Prequalify Vendors for Computer, Network, Printer, Hardware and Software, Audio Visual Equipment and Services	Moskowitz/3329
----------------	---	----------------

On February 4, 2024, the Board approved a vendor list for the purchase of computer, network, printer hardware and software, and audio-visual equipment for a two-year term. That vendor list will expire on February 4, 2026. This action is to issue an RFQQ to prequalify vendors capable of providing computer, network, and printer hardware and software, as well as audio-visual equipment, and to purchase desktop computer hardware upgrades for a new two-year period. Funds for these services are included in the FY 2025–26 Budget and will be requested in subsequent fiscal years as needed.
