

BOARD MEETING DATE: January 9, 2026

AGENDA NO. 16

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: The Mobile Source Air Pollution Reduction Review Committee held a hybrid meeting on Thursday, December 18, 2025. The following is a summary of the meeting.

RECOMMENDED ACTION:

Receive and file.

Curt Hagman  
South Coast AQMD Representative  
to MSRC

AK:CR:me

---

### **Contract Modification Requests**

The MSRC considered three contract modification requests and took the following actions:

1. Southern California Association of Governments, Contract #MS21005 to implement the Last Mile component of the MSRC's Regional Goods Movement Program, approval of eighteen-month term extension;
2. Orange County Transportation Authority, Agreement #MS27010 (proposed) for expanded transit and mobility services for Los Angeles Olympic and Paralympic Games, approval to reallocate \$600,000 from transit enhancements to planning study; and
3. Los Angeles County Metropolitan Transportation Authority, Agreement #MS27005 (proposed) for heavy-duty charging project with Forum Mobility, approval to change location, reduce charging stalls from 107 combined charging system stalls to 14 megawatt charging system and 6 combined charging system stalls, and \$1,021,000 value reduction.

## **Zero-Emission Infrastructure MOUs with Port of Long Beach (POLB) and Port of Los Angeles (POLA)**

MOUs were previously executed between POLB, POLA and South Coast AQMD on behalf of the MSRC to facilitate the Ports' investment in zero-emission infrastructure supporting goods movement trucks. In November 2025, the MSRC approved modifications to the MOUs to change the name of one recipient and to modify the descriptions of work. The modified MOUs were considered and approved by the South Coast AQMD Board on December 5, 2025. To effectuate the projects impacted by the modifications, it was necessary to authorize new and modified awards from the funds being conveyed from POLB and POLA. The MSRC approved one new and one modified award for the zero-emission drayage truck charging infrastructure projects, with funds from POLA/POLB EVSE Infrastructure Projects Special Revenue Fund (92), as follows:

- a. A contract with 4 Gen Logistics in an amount not to exceed \$7,876,168 to install a total of up to 46 EVSE in Rialto and Long Beach; and
- b. A modified contract with Terawatt Infrastructure Inc., increasing the value from \$6,785,714 to an amount not to exceed \$8,000,000, to install a total of up to 74 EVSE in Rancho Dominguez, Rialto, Fontana and Commerce.

## **Contracts Administrator's Report**

The MSRC AB 2766 Contracts Administrator's report provides a written status report on all open contracts from FY 2011-12 to the present. The Contracts Administrator's Report for October 30, 2025 through December 4, 2025 is attached (*Attachment 1*).

## **Attachments**

1. October 30 through December 4, 2025 Contracts Administrator's Report
2. October 16, 2025 MSRC Meeting Minutes

## MSRC Agenda Item No. 2

**DATE:** December 18, 2025

**FROM:** Cynthia Ravenstein

**SUBJECT:** AB 2766 Contracts Administrator's Report

**SYNOPSIS:** This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from October 30 to December 4, 2025.

**RECOMMENDATION:** Receive and file report

**WORK PROGRAM IMPACT:** None

### Contract Execution Status

#### **2021-24 Work Program**

On September 2, 2022, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On February 3, 2023, the SCAQMD Governing Board approved an award under the Transformative Transportation Strategies & Mobility Solutions Program. This contract is executed.

On June 2, 2023, the SCAQMD Governing Board approved six awards under the Microtransit Service RFP, for zero-emission shared mobility service. These contracts are executed.

On September 1, 2023, the SCAQMD Governing Board approved two awards under the Publicly Accessible Goods Movement Zero Emission Infrastructure Request for Information. One of these contracts will be administered by SCAQMD on behalf of the MSRC, and the other award is conditional upon successful selection of a site developer and operator and securing co-funding commitments. In September 2025, the MSRC approved entering into an agreement with LA Metro for co-funding. These contracts are under development.

On February 2, 2024, the SCAQMD Governing Board approved allocations for partnership in applications seeking funding under the Carl Moyer Program solicitation. Some of the applications were subsequently awarded funding Carl Moyer funding; these contracts are under development or executed. To the extent feasible these contracts will be administered by SCAQMD on behalf of the MSRC. The MSRC has subsequently de-obligated funding associated with most of the applications which were placed on the Carl Moyer backup list. \$26,044 remains allocated to for partnership on the Los Angeles location on the backup list. MSRC staff

are working with Penske and SCAQMD to investigate the feasibility of moving forward with this project.

**2024-27 Work Program**

On October 4, 2024, the SCAQMD Governing Board approved an award for programmatic outreach services for the MSRC. This contract is executed.

On December 6, 2024, the SCAQMD Governing Board approved three allocations for partnership with SCAQMD on technology advancement projects. To the extent feasible these contracts will be administered by SCAQMD on behalf of MSRC. One contract is executed, and two contracts are under development. The SCAQMD Governing Board also approved an award for partnership on the West Coast Truck Charging and Fueling Corridor Project. This contract is under development. At the time of MSRC approval, the MSRC requested a status report if this contract had not been executed within one year. The contract has not yet been executed; however, recently there has been significant progress in negotiations. There is a separate item on the agenda concerning the status.

On April 4, 2025, the SCAQMD Governing Board approved an award for hosting and maintenance of the MSRC website. This contract is executed.

On June 6, 2025, the SCAQMD Governing Board approved an allocation for partnership with SCAQMD on the Strategic Pathways for Extended Electric Drayage project, with the MSRC's funding to be applied to the Class 8 battery electric truck element. To the extent feasible this contract will be administered by SCAQMD on behalf of MSRC. This contract is under development.

On September 5, 2025, the SCAQMD Governing Board approved two awards for partnership on recharging infrastructure projects receiving funding under the California Transportation Commission's Trade Corridor Enhancement Program. These contracts are under development; a requested modification to one project is on the agenda for consideration.

**Work Program Status**

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

***FY 2011-12 Work Program Contracts***

1 contract is in "Open/Complete" status, having completed all obligations except operations.

***FY 2011-12 Invoices Paid***

No invoices were paid during this period.

***FYs 2012-14 Work Program Contracts***

1 contract from this Work Program year is open, and 1 is in "Open/Complete" status.

***FYs 2012-14 Invoices Paid***

No invoices were paid during this period.

**FYs 2014-16 Work Program Contracts**

1 contract from this Work Program year is open, and 7 are in “Open/Complete” status.

**FYs 2014-16 Invoices Paid**

No invoices were paid during this period.

**FYs 2016-18 Work Program Contracts**

9 contracts from this Work Program year are open, and 43 are in “Open/Complete” status. One contract closed during this period: City of San Bernardino, Contract #ML18177 – Expansion of Existing CNG Infrastructure/Mechanic Training.

**FYs 2016-18 Invoices Paid**

No invoices were paid during this period.

**FYs 2018-21 Work Program Contracts**

2 contracts from this Work Program year are open, and 10 are in “Open/Complete” status.

**FYs 2018-21 Invoices Paid**

No invoices were paid during this period.

**FYs 2021-24 Work Program Contracts**

8 contracts from this Work Program year are open, and 2 are in “Open/Complete” status.

**FYs 2021-24 Invoices Paid**

No invoices were paid during this period.

**FYs 2024-27 Work Program Contracts**

3 contracts from this Work Program year are open.

**FYs 2024-27 Invoices Paid**

1 invoice in the amount of \$7,200.17 was paid during this period.

**Administrative Scope Changes**

No administrative scope changes were initiated during the period from October 30 to December 4, 2025.

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE**  
**THURSDAY, OCTOBER 16, 2025 MEETING MINUTES**  
21865 Copley Drive, Diamond, Bar, CA 91765

**MEMBERS PRESENT:**

(Vice-Chair) Brian Berkson, representing Riverside County Transportation Commission (RCTC)  
Curt Hagman, representing South Coast Air Quality Management District  
William Robertson, representing California Air Resources Board (CARB)  
Mark Henderson, representing Southern California Association of Governments (SCAG)  
Linda Krupa, representing Regional Rideshare Agency  
Rena Lum (Alt.), representing Los Angeles County Metropolitan Transportation Authority (LA Metro)  
John Dutrey (Alt.), representing San Bernardino County Transportation Authority (SBCTA)

**MEMBERS ABSENT:**

(Chair) Larry McCallon, representing San Bernardino County Transportation Authority (SBCTA)  
Patrick Harper, representing Orange County Transportation Authority (OCTA)  
Cindy Allen (Alt.), representing SCAG  
Steve Veres, representing LA Metro  
Peter Christensen (Alt.), representing CARB

**MSRC-TAC MEMBERS PRESENT:**

Lijin Sun, SCAG  
Kelly Lynn, SBCTA  
Mairany Anaya, SBCTA

**OTHERS PRESENT:**

Sam Emmersen, representing Better World Group (BWG)  
Allan Fye, representing LA Metro  
Claire Garcia  
Drew Cullen, representing Penske  
Tom Searles  
Nancy Stickert, representing SBCTA  
Laren Dunlap  
Mark Yamarone, representing LA Metro  
Joseph Navarro  
Nicole Soto, representing SBCTA

**SOUTH COAST AQMD STAFF & CONTRACTORS PRESENT:**

Alberto Silva, Senior Information Technology Specialist  
Cristina Lopez, Sr. Public Affairs Specialist  
Cynthia Ravenstein, MSRC Contracts Administrator  
Darren Ha, Working out of Class Program Supervisor  
Debra Ashby, Sr. Public Affairs Specialist  
Erika Chavez, Principal Deputy District Counsel  
Jessica Sosa, Office Assistant  
Karen Sandoval, Financial Analyst  
Lane Garcia, Program Supervisor  
Leticia Ramirez, MSRC Contracts Assistant  
Maria Allen, Administrative Assistant  
Marjorie Eaton, Administrative Assistant  
Michael Miller, South Coast AQMD Board Member Assistant  
Ray Gorski, MSRC Technical Advisor-Contractor

**CALL TO ORDER**

- Vice-Chair Berkson called the meeting to order at 2:00 p.m.
- Roll call was taken at the start of the meeting.

**STATUS REPORT****Clean Transportation Policy Update**

Cynthia Ravenstein, MSRC Contracts Administrator, noted that this update centers exclusively on recent legislative developments related to the Clean Transportation Policy, with regulatory and other policy matters to be addressed in a subsequent update.

- Vice-Chair Berkson asked for disclosures.

Item Nos. 6, 7 and 8 – MSRC Member Curt Hagman said he does not have a financial interest in Item No. 6 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority, which is involved in this item. MSRC Member Curt Hagman said he does not have a financial interest in Item No. 7 but is required to identify for the record that he is a Board Member for the South Coast Air Quality Management District, which is involved in this item. MSRC Member Curt Hagman said he does not have financial interest in Item No. 8 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority, a Supervisor for the County of San Bernardino, and a Board Member for Omnitrans, which are involved in this item.

Item No. 8 – MSRC Alternate Member Rena Lum said she does not have a financial interest in Item No. 8 but is required to identify for the record that she is an employee of the Los Angeles County Metropolitan Transportation Authority, which is involved in this item.

Item Nos. 6 and 8 – MSRC Alternate John Dutrey said he does not have a financial interest in Item No. 6 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority, which is involved in this item. MSRC Alternate John Dutrey said he does not have a financial interest in Item No. 8 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority, a Member of the Board of Directors for Omnitrans and an Alternate Board Member for the Southern California Regional Rail Authority, which are involved in this item.

Item No. 8 – MSRC Member Linda Krupa said she does not have a financial interest in item No. 8 but is required to identify for the record that she is a Commissioner for the Riverside County Transportation Commission, which is involved in this item.

Item No. 8 – MSRC Vice-Chair Brian Berkson said he does not have a financial interest in item No. 8 but is required to identify for the record that he is a Commissioner for the Riverside County Transportation Commission and Vice Chair of the Board of Directors for the Southern California Regional Rail Authority, which are involved in this item.

- Vice-Chair Berkson asked for public comment on the Consent Calendar Items Nos. 1-5

No public comment.

### **CONSENT ITEMS (Items 1 through 5):**

#### **1. Minutes of August 21, 2025 MSRC Meeting**

August 21, 2025, MSRC meeting minutes were included in the agenda package.

Moved by Hagman; seconded by Krupa; under approval of Consent Calendar Items #1-5, item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: Staff will include the MSRC minutes with the MSRC Committee Report for the November 2025 South Coast AQMD Board meeting.

#### **2. Summary of Final Reports by MSRC Contractors**

Final report was included in the agenda package for Contract #MS24004 – City of Seal Beach.

Moved by Hagman; seconded by Krupa; under approval of Consent Calendar Items #1-5, item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: Staff will release any remaining retention on the contracts.

#### **3. MSRC Contracts Administrator's Report**

The MSRC AB 2766 Contracts Administrator's Report for August 28 through September 24, 2025 was included in the agenda package.

Moved by Hagman; seconded by Krupa; under approval of Consent Calendar Items #1-5, item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: Staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for the November 2025 South Coast AQMD Board meeting.

#### **4. Financial Report on AB 2766 Discretionary Fund**

A financial report on the AB 2766 Discretionary Fund for September 2025 was included in the agenda package.

Moved by Hagman; seconded by Krupa; under approval of Consent Calendar Items #1-5, item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: No further action is required.

#### **5. Report on Outreach Activities**

This report provides a summary of outreach communications and policy activities undertaken by the Better World Group on behalf of MSRC for Summer 2025.

Moved by Hagman; seconded by Krupa; under approval of Consent Calendar Items #1-5, item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: No further action is required.

### **ACTION CALENDAR (Items 6 and 8)**

#### **FY 2016-18 Work Program**

#### **6. Consider 11-Month Term Extension by San Bernardino County Transportation Authority, Contract #MS18181 (\$1,662,000 – Construct Hydrogen Fueling Station)**

Working Out of Class Program Supervisor, Darren Ha, presented that the San Bernardino County Transportation Authority (SBCTA) was awarded roughly \$1.6 million in April 2023 to install a hydrogen fueling station. SBCTA was in contract

negotiations with Linde, however eventually reached an impasse and ended negotiations. In December 2023, SBCTA contracted with Air Liquide, however further negotiations with Air Liquide proved the company will not be able to complete the work for this project as stated in the MSRC contract, so Trillium was brought on board. SBCTA provided a new project schedule to MSRC staff estimating that the work would be completed beyond the milestone dates. SBCTA requested a one-year extension to update the end term date to September 9, 2031, which was then completed administratively.

SBCTA's contract negotiations with Trillium took longer than anticipated with Notice to Proceed given in June 2025. SBCTA requests approval from the MSRC to extend the contract for an additional eleven months, which includes a six-month contingency. SBCTA provided a new project schedule with milestones that will be met if this extension is granted. Although the milestones are only until 2027, there is a five-year operational requirement they must meet and therefore the requested extension is until August 10, 2032. The MSRC Contracts Administrator and MSRC-TAC recommend approval.

Vice-Chair Berkson's discussion focused on whether the contractual agreement between SBCTA and Trillium is finalized or still tentative, expressing concern that if Trillium is unable to fulfill the contract, the negotiation process would need to restart, resulting in delays and further uncertainty. Ha answered that Trillium has received the Notice to Proceed from SBCTA.

MSRC Member Linda Krupa asked whether the relative slowness of this is because of limited vendors in the marketplace that understand the technology. Ha answered that according to information provided by SBCTA, the project initially involved negotiations with a previous vendor before bringing Air Liquide on board. However, Air Liquide lacked the necessary capabilities to fulfill the project requirements as stipulated in the MSRC contract. Consequently, SBCTA decided to engage an additional vendor that was capable of completing the work.

MSRC Alternate Member John Dutrey stated that the hydrogen train project has recently become operational, running between downtown San Bernardino and the University of Redlands with four transit stops along the route. Currently, a temporary vendor supplies the hydrogen fuel necessary for the operation.

Berkson asked if this fueling station will fill up the new Metrolink trains. Mr. Dutrey answered yes.

Vice-Chair Berkson asked for public comment on Item Number 6.

No public comment.

Moved by Dutrey to approve staff's recommendation; seconded by Hagman; item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: Staff will modify the contract accordingly.

### **FY 2021-24 Work Program**

#### **7. Update and Consider Next Steps for Partnership with Penske Truck Leasing Under the South Coast AQMD Carl Moyer Program**

Cynthia Ravenstein, MSRC Contracts Administrator, presented that the MSRC partnered with Penske to pursue leveraging MSRC funding with South Coast AQMD Carl Moyer funding. Penske's Carl Moyer applications were placed on several different lists: one location was included on the Community Air Protection Program award list, some were placed on the official Carl Moyer award list, and most remaining locations were designated on a recommended backup project list.

Over time, the MSRC has revisited this matter multiple times. To date, the MSRC has de-obligated approximately \$6.6 million from the originally allocated amount, which was close to \$18 million. Currently, there remain 10 locations on the backup list for which action had been deferred until the current meeting.

Penske has expressed interest in continuing discussions due to observed underutilization of their existing charging infrastructure and changes in the regulatory environment, though no specific plans have been outlined. Meanwhile, there remains uncertainty regarding South Coast AQMD's position on backup locations. It was recently learned, subsequent to MSRC-TAC review, that one Los Angeles site, with an associated MSRC allocation of approximately \$26,000, is currently under review. The MSRC-TAC recommended de-obligating approximately \$4.4 million related to the ten backup list locations.

MSRC Member Linda Krupa asked what happens when funds are de-obligated. Ravenstein explained that when the MSRC de-obligates funds initially reserved for certain projects, those funds are returned to the overall available budget pool. This reclaimed money can then be reallocated or awarded to other projects or initiatives.

MSRC Vice-Chair Berkson recalled that the initial reason for reconsidering fund allocation was due to expected developments within South Coast AQMD. However,

much remains uncertain. He sought clarity on whether the nine projects would be permanently excluded from funding if the funds are de-obligated.

Ray Gorski, MSRC Technical Advisor, answered that the MSRC has full discretion in awarding projects. He highlighted that previous solicitations under both the MSRC and South Coast AQMD Governing Board do not constitute a sole source award.

MSRC Member, William Robertson, discussed the challenges and considerations involved with managing solicited waitlists, particularly those that extend several years into the future. He highlighted the issue that waitlists, especially those spanning two or more years, tend to become outdated or “stale” as individuals on the list may no longer be interested. Therefore, maintaining such long-term waitlists may not be efficient or practical.

Vice-Chair Berkson asked for public comment on Item Number 7.

Drew Cullin, head of the Fuels and Facility Services Group at Penske, expressed gratitude toward the MSRC for their longstanding partnership. He emphasized the collaborative nature of their relationship, viewing funding opportunities as joint ventures aimed at advancing clean transportation initiatives. Cullen praised Ravenstein for her professionalism, conviction, and dedication.

Moved by Hagman to approve staff’s recommendation minus the \$26,044; seconded by Henderson; item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey  
Noes: None  
Action: Staff will modify the contracts, accordingly.

## **FY 2024-27 Work Program**

### **8. Consider Funding Awards Under the MSRC Transportation Demand Management CTC Partnership Program**

Ray Gorski, MSRC Technical Advisor, outlined the development and funding process for Transportation Demand Management (TDM) projects aimed at reducing vehicle miles traveled and vehicle trips by leveraging the expertise of the four County Transportation Commissions (CTCs): Los Angeles, Orange, Riverside and

San Bernardino. The initiative stemmed from the work of the TDM Subcommittee of the MSRC-TAC.

A total of \$16 million was allocated for TDM projects within the South Coast AQMD. Each CTC receives \$4 million to implement projects within their respective jurisdictions. An Invitation to Negotiate (ITN), a targeted document to solicit project proposals, was issued to allow each CTC to develop customized strategies tailored to the specific needs and conditions of their jurisdiction. This approach promotes flexibility and jurisdiction-specific planning while encouraging coordination with neighboring jurisdictions.

Gorski outlined a funding allocation process, focusing on the issuance of an ITN, proposal submissions by various CTCs and the subsequent evaluation and recommendation by the subcommittee. The TDM Subcommittee and MSRC-TAC recommended approval of the projects below.

---

#### CTC TDM Partnership - LA Metro

LA Metro has proposed a partnership with the Southern California Regional Rail Authority, commonly known as Metrolink, to expand rail service for the 2028 Olympic and Paralympic Games. This initiative aims to accommodate expected increased transportation demand during the events by enhancing service on three key Metrolink lines: the Antelope Valley line, the San Bernardino line, and the Ventura County line.

\$4 million is requested to expand Metrolink service capacity and availability during the Olympic and Paralympic games. The service expansion is expected to increase in-service frequency, extend operating hours and boost ridership by roughly 15%. The MSRC-TAC recommended awarding \$4 million to LA Metro for the expanded Metrolink service contingent upon MSRC funding only being provided for trips made with Tier 4 locomotives.

Vice-Chair Brian Berkson discussed operational strategy and equipment usage for Metrolink, specifically focusing on train deployment and scheduling improvements. The goal is to enhance service frequency on three specific lines, aiming for trains to run every 15 minutes instead of the current near-hourly intervals, however uncertainties regarding equipment sourcing, allocation, and compliance with funding conditions that favor newer trains complicate the decision-making process.

MSRC Member Curt Hagman commented on planning operational expansions for transportation services three years into the future, focusing specifically on service enhancements rather than infrastructure development. He expressed concerns about committing financial resources so far in advance.

Hagman, Vice-Chair Berkson and MSRC Member William Robertson discussed the timing and efforts involved in managing train systems.

MSRC Alternate John Dutrey commented on transportation funding and service enhancements related to upcoming games, with a focus on Metrolink services. He highlighted the current lack of additional funds for enhanced transit services, the importance of securing and demonstrating available funding, and environmental considerations regarding train engine tiers.

#### CTC TDM Partnership – OCTA LA28 Games

The Orange County Transportation Authority (OCTA) is actively engaged in planning and expanding transportation services in preparation for the LA28 Olympic Games. This initiative involves close cooperation with LA Metro and other regional transit agencies to address the complex mobility needs of the Olympic venues located in both Los Angeles County and Orange County. The overarching goal is to provide efficient, sustainable, and well-integrated transportation options that will support the influx of attendees and participants during the Games.

Gorski continued that the OCTA has put forward a funding proposal totaling \$4 million, aimed at covering operations costs and other potential enhancements. However, the proposal currently includes some uncertainty regarding the specific strategies and associated costs, which are still under evaluation.

#### CTC TDM Partnership – RCTC

The Riverside County Transportation Commission (RCTC) proposed a three-part program aimed at managing transportation demand and improving traffic conditions during upcoming major events such as the Olympics, Paralympics, World Cup, and Super Bowl. The first component is a strategic study funded by the MSRC, designed to rigorously assess the benefits and effectiveness of various TDM options. Following this study, the second phase focuses on implementing the most promising strategies with co-funding support from the MSRC. The third component is an enhancement of the existing Freeway Service Patrol program, which aims to reduce non-recurrent traffic congestion, particularly during peak event-related traffic surges. The total funding request for this initiative is approximately \$4 million, comprising \$500,000 for the TDM study, \$3 million for implementation of strategies, and \$500,000 for the expanded freeway patrol.

Cynthia Ravenstein MSRC Contracts Administrator, recommended the MSRC consider awarding two separate contracts rather than a single combined one due to the limited interdependence of the two components involved. One contract should be

dedicated exclusively to the Freeway Service Patrol, while the other should cover the study and the Major Events program.

#### CTC TDM Partnership – SBCTA Olympic Games

Gorski outlined that the San Bernardino County Transportation Authority (SBCTA) has proposed a transit initiative designed to support the upcoming Olympic and Paralympic Games. The core of the proposal is a free transit program during the Olympic period, aimed at reducing congestion and enhancing mobility across the region. Additionally, the program emphasizes a strong marketing and outreach campaign to increase public awareness of available transit options beyond the Games. The program aims to coordinate with various transit providers, particularly those operating outside the South Coast AQMD region, to ensure a seamless free transit service experience throughout the entire county.

Gorski presented SBCTA submitted a second proposal focused on developing a multi-jurisdictional pedestrian and bicycle trail. This project, a collaboration between SBCTA and the Cities of Highland and Redlands, aims to close a 2.1-mile gap along Orange Street by developing a multi-jurisdictional, ADA-compliant pedestrian and bicycle path featuring enhanced crossings, safety signaling, and comprehensive signage and wayfinding for improved accessibility and user guidance.

The MSRC-TAC has recommended a \$4 million award to each of the four county transportation commissions.

Vice-Chair Berkson asked for public comment on Item Number 8.

Mark Yamarone, Executive Officer with LA Metro Countywide Planning, addressed the MSRC to express gratitude for their programming of funds toward important transit events. He requested the removal of the MSRC-TAC condition requiring Tier 4 locomotives on the LA Metro proposal.

Vice-Chair Berkson and Hagman discussed reducing the number of private vehicles on the roads by encouraging the use of public transit like Metrolink. There is concern that the Tier 4 condition might be too limiting, therefore, Berkson suggested removing this constraint.

MSRC Member Mark Henderson emphasized the importance of presenting the region at its best by encouraging transit use during the events to create a memorable experience while minimizing disruptions for residents. Henderson also commented on the restrictiveness of the Tier 2 versus Tier 4 locomotives in the LA Metro

proposal.

Vice-Chair Berkson asked for staff or committee recommendations to ensure the MSRC receives timely updates on any changes and that the four transportation commissions are spending funds appropriately. Gorski suggested adding an informational section to the Contract Administrator's Report. If the MSRC desires, this can be pulled for discussion. If staff has identified a change which is actionable, it will be on the action calendar.

Moved by Hagman to approve all CTCs' proposals but for the recommendation to use Tier 4 locomotive's; seconded by Krupa; item unanimously approved.

Ayes: Hagman, Krupa, Henderson, Lum, Robertson, Berkson, Dutrey

Noes: None

Action: This item will be placed on the next South Coast AQMD Board agenda for final approval.

### **OTHER BUSINESS:**

Vice-Chairman Berkson asked for Other Business.

No Other Business

### **PUBLIC COMMENT PERIOD**

Vice-Chairman Berkson asked for Public Comment.

No Public Comment

### **ADJOURNMENT**

The meeting adjourned at 3:17 p.m.

[Prepared by Marjorie Eaton]
