Background

Zoom is a leading video conferencing and communication platform widely utilized for virtual meetings, webinars and remote collaboration. In June 2018, South Coast AQMD purchased Zoom for its videotelephony system to provide a virtual meeting infrastructure. During the COVID-19 pandemic, Zoom provided an online platform that could be used to facilitate online meetings with public participation, and it became integral for South Coast AQMD meetings to maximize public participation. Most meetings have since become hybrid and meetings are still held virtually.

South Coast AQMD requires a video conferencing platform that accommodates large public attendance, includes webinar capabilities in addition to traditional

videoconferencing features, supports multiple languages, broadcasts to other livestream platforms such as YouTube, integrates with existing audio-visual systems and other supporting software. Staff has assessed various video conferencing options, and Zoom is the most capable product to best support South Coast AQMD's needs.

The current subscription is set to expire on June 8, 2026. In past years, this purchase was made as a sole source procurement. However, Zoom has since opened procurement through resellers, and the procurement process will be opened to competitive bidding to ensure cost efficiency and vendor participation.

Proposal

In accordance with the South Coast AQMD's Administrative Policies and Procedures No. 35, bids were solicited from firms on the List of Prequalified Vendors to provide Computer, Network, Printer Hardware and Software, and Desktop Computer Hardware Upgrades, and through vendor master agreements, cooperative agreements, and other interagency agreements with governmental entities in order to achieve the best available price. The prequalified vendor list is pending approval by the Board on May 1, 2026 and will be in effect until April 30, 2028.

This action is to authorize the Procurement Manager to purchase a Zoom renewal subscription and support for one year with the vendor providing the lowest cost bid at a total cost not to exceed \$130,000. The software licenses will be configured to achieve the highest functional performance for South Coast AQMD's operations within budgetary constraints at the time of purchase.

Resource Impacts

Sufficient funds are included in Information Management's FY 2025-26 Budget within the Services and Supplies Major Object Professional and Special Services Account.
