

BOARD MEETING DATE: May 1, 2026

AGENDA NO. 26

REPORT: Mobile Source Air Pollution Reduction Review Committee

SYNOPSIS: The Mobile Source Air Pollution Reduction Review Committee held a hybrid meeting on Thursday, April 16, 2026. The following is a summary of the meeting.

RECOMMENDED ACTION:
Receive and file.

Michael Cacciotti
South Coast AQMD Representative
to MSRC

AK:CR:me

Contract Modification Requests

The MSRC considered two contract modification requests and took the following actions:

1. Southern California Association of Governments (SCAG), Contract #MS21005 to implement Last Mile Freight Program, recognize truck lease and infrastructure expenditures as co-funding, revise project participant name, remove a project, and extend a Memorandum of Understanding end date; and
2. City of Gardena, Contract #MS24007, three-month extension and increased scope with condition to submit a ridership report in three months.

Reconsideration of Term Extension SCAG Contract #MS21005

In December 2025, the MSRC approved an 18-month term extension to Contract #MS21005 in response to SCAG's request. SCAG cited industry-wide manufacturing constraints and the timing of Tesla's Class 8 production schedule as the reason for delays in some participants' deliveries. The MSRC conditioned their approval upon SCAG providing copies of purchase orders/agreements for the subject Tesla vehicles by February 27, 2026. SCAG provided the required documentation for one participant by the deadline, but no documentation was received for participant New Bern Transport.

The MSRC considered options and eliminated tasks and funding associated with the New Bern Transport project, deobligate the contract value by \$2,609,086, and retaining the 18-month term extension approved in December 2025.

Proposed Agreement with California Energy Commission

In November 2024, the MSRC approved a \$6,000,000 award to the California Energy Commission (CEC) for partnership on the West Coast Truck Charging and Fueling Corridor Project. The agreement has not yet been executed; however, recently the parties have reached a tentative agreement. CEC requires approval at their Business Meeting on May 13, 2026 and asked for an additional status report in three months. The MSRC approved continuing to pursue execution of the proposed agreement.

MSRC Inquiries Regarding Contract Status Reporting

MSRC staff provided updates on contract status reporting as requested by the MSRC. Staff explained key contents of the current MSRC Contracts Administrator's Report and provided insight into projects which may terminate within the next six months. Staff also provided recommendations for desired changes in contract status reporting. This included streamlining to focus on recent activity and providing a report on potentially terminating projects every six months. The MSRC indicated that older closed contracts should be eliminated from the report. Additionally, the MSRC would like to see additional details on contractors' progress in completing their work and opportunities for increasing visibility of projects.

MSRC Information Requests & Work Program Development Updates

MSRC staff provided updates related to MSRC Work Program development. Staff provided an outline of the Committee structure and respective roles and responsibilities of the MSRC-TAC and MSRC. Staff also reported on available unallocated funding. Two candidate Work Program concepts to support cities and counties subject to CARB's Advanced Clean Fleets regulation were presented, as well as a potential option to partner with South Coast AQMD. The MSRC discussed various merits and potential challenges associated with the candidate concepts. The MSRC directed that an item be placed on their next agenda providing a more detailed description of the potential partnership with South Coast AQMD.

Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's report provides a written status report on all open contracts from FY 2011-12 to the present. The Contracts Administrator's Report for January 29, 2026 through March 25, 2026 is attached (*Attachment 1*).

2. February 19, 2026 MSRC Meeting Minutes

MSRC Agenda Item No. 3

DATE: April 16, 2026 MSRC Meeting

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 29 to March 25, 2026.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2021-24 Work Program

On September 2, 2022, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On February 3, 2023, the SCAQMD Governing Board approved an award under the Transformative Transportation Strategies & Mobility Solutions Program. This contract is executed.

On June 2, 2023, the SCAQMD Governing Board approved six awards under the Microtransit Service RFP, for zero-emission shared mobility service. These contracts are executed.

On September 1, 2023, the SCAQMD Governing Board approved two awards under the Publicly Accessible Goods Movement Zero Emission Infrastructure Request for Information. One of these contracts will be administered by SCAQMD on behalf of the MSRC, and the other award is conditional upon successful selection of a site developer and operator and securing co-funding commitments. In September 2025, the MSRC approved entering into an agreement with LA Metro for co-funding. These contracts are executed, under development or declined.

On February 2, 2024, the SCAQMD Governing Board approved allocations for partnership in applications seeking funding under the Carl Moyer Program solicitation. Some of the applications were subsequently awarded funding Carl Moyer funding; these contracts are under development or executed. To the extent feasible these contracts will be administered by SCAQMD on behalf of the MSRC. The MSRC has subsequently de-obligated funding associated with most of the applications which were placed on the Carl Moyer backup list. \$26,044 remains allocated for partnership on the Los Angeles location on the backup list. MSRC staff are

working with Penske and SCAQMD to investigate the feasibility of moving forward with this project.

2024-27 Work Program

On October 4, 2024, the SCAQMD Governing Board approved an award for programmatic outreach services for the MSRC. This contract is executed.

On December 6, 2024, the SCAQMD Governing Board approved three allocations for partnership with SCAQMD on technology advancement projects. To the extent feasible these contracts will be administered by SCAQMD on behalf of MSRC. One contract is executed, one is undergoing internal review, and the third is under development. The SCAQMD Governing Board also approved an award for partnership on the West Coast Truck Charging and Fueling Corridor Project. In December 2025, the MSRC authorized continuing negotiations with the California Energy Commission for this project. An updated status report has been placed on the April MSRC-TAC agenda.

On April 4, 2025, the SCAQMD Governing Board approved an award for hosting and maintenance of the MSRC website. This contract is executed.

On June 6, 2025, the SCAQMD Governing Board approved an allocation for partnership with SCAQMD on the Strategic Pathways for Extended Electric Drayage project, with the MSRC's funding to be applied to the Class 8 battery electric truck element. To the extent feasible this contract was to have been administered by SCAQMD on behalf of MSRC. This project will not be moving forward and negotiations have been terminated; the \$2,000,000 reverted to the AB 2766 Discretionary Fund.

On September 5, 2025, the SCAQMD Governing Board approved two awards for partnership on recharging infrastructure projects receiving funding under the California Transportation Commission's Trade Corridor Enhancement Program; the MSRC approved a modification to one project in December 2025. These contracts are under development.

On November 7, 2025, the SCAQMD Governing Board approved six awards under the Transportation Demand Management County Transportation Commission Partnership Program; the MSRC approved modification to one project in December 2025 and another modification in January 2026. These contracts are under development.

On December 5, 2025, the SCAQMD Governing Board approved an award for the Regional Rideshare Integration and Enhancement Project. This contract is under development.

Work Program Status

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

FY 2011-12 Work Program Contracts

1 contract is in "Open/Complete" status, having completed all obligations except operations.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

1 contract from this Work Program year is open. One contract closed during this period: City of Los Angeles, Contract #ML14018 – Purchase 27 Heavy-duty Natural Gas Vehicles.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

6 contracts from this Work Program year are in “Open/Complete” status. Two contracts closed during this period: City of Fontana, Contract #ML16047 – Enhance Existing Bikeway, and City of Rialto, Contract #ML16077 – Pedestrian Access Improvements, Bicycle Lanes, and Bicycle Sharing.

FYs 2014-16 Invoices Paid

No invoices were paid during this period.

FYs 2016-18 Work Program Contracts

7 contracts from this Work Program year are open, and 39 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: City of Glendale, Contract #ML18059 – Install EV Charging Infrastructure. 2 contracts closed during this period: El Dorado National, Contract #MS18066 – Install New Limited Access CNG Station; and Los Angeles County Metropolitan Transportation Authority, Contract #MS18073 – Purchase 40 Zero Emission Transit Buses.

FYs 2016-18 Invoices Paid

One invoice in the amount of \$28,184.30 was paid during this period.

FYs 2018-21 Work Program Contracts

2 contracts from this Work Program year are open, and 10 are in “Open/Complete” status.

FYs 2018-21 Invoices Paid

No invoices were paid during this period.

FYs 2021-24 Work Program Contracts

7 contracts from this Work Program year are open, and 2 are in “Open/Complete” status. One contract closed during this period: City of Seal Beach, Contract #MS24004 – Circuit Transit Shared Mobility.

FYs 2021-24 Invoices Paid

One invoice in the amount of \$39,731.80 was paid during this period.

FYs 2024-27 Work Program Contracts

3 contracts from this Work Program year are open.

FYs 2024-27 Invoices Paid

One invoice in the amount of \$9,345.05 was paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period from January 29 to March 25, 2026.

MSRC Contracts/Awards - Potential Turnback within Six Months

as of 4/8/26

Contract #	Recipient	Project Description	Potential Turnback Amount*	Notes
Open Contracts				
MS14057	Los Angeles County MTA	Implement Signal Synchronization at Various Locations	\$ 230,000	Rough estimate splitting Gateway Cities Corridors Project into two separate components, and one component not being completed within contract term. Consideration to split project expected May 2026.
MS21005	So. CA Assn. Govts.	Implement Last Mile Goods Movement Program	\$ 2,609,086	On April 2026 agenda for consideration, as an option to address failure to meet condition of extension
MS24007	City of Gardena	Gtrans Microtransit Service	\$ 174,276	On April 2026 agenda for consideration. If MSRC denies City's request, this amount will revert at end of agreement term.
Pending Contracts				
C26037 (proposed)	Penske Truck Leasing	Install EV Charging at Four Locations	\$ 2,015,918	AQMD partnership; locations which received Carl Moyer funding originally, contract has not yet been executed. Report to MSRC scheduled May 2026.
MS24010 (proposed)	Penske Truck Leasing	Partner on Application to Install EV Charging	\$ 4,947,846	AQMD partnership; remaining amount reserved for Carl Moyer backup list/contingency. Report to MSRC scheduled May 2026.
MS24013 (proposed)	Los Angeles Cleantech Incubator	Implement Drayage Truck Recharging Facilities	\$ 3,000,000	LA Metro partnership; operating firm previously selected by site owner Port of Los Angeles has withdrawn, necessitating a new procurement. September 2023 award. MSRC may wish to reconsider at future meeting.
MS27997 (proposed)	Evolectric	Integrate & Demonstrate Battery Pack & Fast Charge w/Med. Duty	\$ 250,000	AQMD partnership; may be unable to proceed due to issues with the related Enevate contract
MS27998 (proposed)	Enevate Corp.	Develop & Demonstrate Fast Charging Battery Pack for Med. Duty	\$ 250,000	AQMD partnership; Enevate staffing issues
Total potential turnback:			\$ 13,477,126	

*This report is hypothetical in nature. Most potential turnback shown requires specific action: e.g. recipient must decline, major partner cancel, or MSRC cancel award.

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
THURSDAY, FEBRUARY 19, 2026 MEETING MINUTES
21865 Copley Drive, Diamond, Bar, CA 91765**

MEMBERS PRESENT:

(Chair) Larry McCallon, representing San Bernardino County Transportation Authority (SBCTA)
(Vice-Chair) Brian Berkson, representing Riverside County Transportation Commission (RCTC)
Curt Hagman, representing South Coast Air Quality Management District
Linda Krupa, representing Regional Rideshare Agency
Cindy Allen (Alt.), representing Southern California Association of Governments (SCAG)
Patrick Harper, representing Orange County Transportation Authority (OCTA)
Rena Lum (Alt.), representing Los Angeles County Metropolitan Transportation Authority (LA Metro)
William Robertson, representing California Air Resources Board (CARB)

MEMBERS ABSENT:

Mark Henderson, representing SCAG
Steve Veres, representing LA Metro
Peter Christensen (Alt.), representing CARB
John Dutrey (Alt.), representing SBCTA

MSRC-TAC MEMBERS PRESENT:

Adriann Cardoso, OCTA
Steven Lee, LA Metro
Erika Pinto (Alt.), LA Metro
Lijin Sun, SCAG
Mariany Anaya (Alt.), SBCTA

OTHERS PRESENT:

Michael Cacciotti, City of South Pasadena
Emily Stephens
Jeffrey Hill
Katherine Kirschhofer
Laura Henkels, representing Clean Energy

Sam Emmersen, representing Better World Group
Sara Aguilar
Moses Huerta
Michael
Lisa

SOUTH COAST AQMD STAFF & CONTRACTORS PRESENT:

Aaron Katzenstein, Deputy Executive Officer
Alberto Silva, Senior Information Technology Specialist
Cristina Lopez, Senior Public Affairs Specialist
Cynthia Ravenstein, MSRC Contracts Administrator
Debra Ashby, Sr. Public Affairs Specialist
Jeffrey Inabinet, Senior Staff Specialist
Karen Sandoval, Budget & Grants Manager
Lane Garcia, Program Supervisor
Leticia Ramirez, MSRC Contracts Assistant
Maria Allen, Administrative Assistant
Marjorie Eaton, Administrative Assistant
Ray Gorski, MSRC Technical Advisor-Contractor
Sheri Hanizavareh, Principal Deputy District Counsel

CALL TO ORDER

- Chair McCallon called the meeting to order at 2:00 p.m.
- Roll call was taken at the start of the meeting.
- Chair McCallon asked for disclosures.

Item No. 4 – MSRC Member Curt Hagman said he does not have a financial interest in Item No. 4 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority, which is involved in this item.

Item No. 6 – MSRC Member William Robertson said he does not have a financial interest in Item No. 6 but is required to identify for the record that he is an employee of the California Air Resources Board, which is involved in this item.

Item No. 4 – MSRC Chair Larry McCallon said he does not have a financial interest in Item No. 4 but is required to identify for the record that he is a Member of the Board of Directors for the San Bernardino County Transportation Authority and a Councilmember for the City of Highland, which are involved in this item.

Before calling for vote on Consent Calendar, Chair McCallon asked about the MSRC Contracts Administrators Report. He noted that the report shows many old contracts not closed out and requested a status report on all the contracts at the April 2026 MSRC meeting. Cynthia Ravenstein, Contracts Administrator, agreed to provide such a report.

- Chair McCallon asked for public comment on the Consent Calendar Items Nos. 1-3

No public comment.

CONSENT ITEMS (Items 1 through 3):**1. Minutes of November 20 and December 12, 2025 MSRC Meetings**

November 20, 2025 and December 12, 2025, MSRC meeting minutes were included in the agenda package.

Moved by Hagman; seconded by Robertson; under approval of Consent Calendar Items #1-3, item unanimously approved.

Ayes: Hagman, Krupa, Allen, Lum, Robertson, Berkson, McCallon

Noes: None

Action: Staff will include the MSRC minutes with the MSRC Committee Report for the February 2026 South Coast AQMD Board meeting.

2. MSRC Contracts Administrator's Report

The MSRC AB 2766 Contracts Administrator's Report for December 5, 2025 through January 28, 2026 was included in the agenda package.

Moved by Hagman; seconded by Robertson; under approval of Consent Calendar Items #1-3, item unanimously approved.

Ayes: Hagman, Krupa, Allen, Lum, Robertson, Berkson, McCallon

Noes: None

Action: Staff will include the MSRC Contracts Administrator's Report in the MSRC Committee Report for February 2026 South Coast AQMD Board meeting.

3. Financial Report on AB 2766 Discretionary Fund

A financial report on the AB 2766 Discretionary Fund for January 2026 was included in the agenda package.

Moved by Hagman; seconded by Robertson; under approval of Consent Calendar Items #1-3, item unanimously approved.

Ayes: Hagman, Krupa, Allen, Lum, Robertson, Berkson, McCallon

Noes: None

Action: No further action is required

MSRC Member Patrick Harper arrived at 2:11 p.m.

ACTION CALENDAR (Items 4 through 7)

FY 2024-27 Work Program

4. Consider Modified Scope by San Bernardino County Transportation Authority (SBCTA), Agreement #MS27006 (proposed) - \$3,000,000 – Highland-Redlands Regional Connector Gap Project

Cynthia Ravensein, MSRC Contracts Administrator, presented that the MSRC previously awarded \$3,000,000 to SBCTA as part of the 2024-27 Work Program. This is funding to support the Highland Redlands Regional Connector Gap Bikeway project, aimed at closing a critical gap between two other bikeway segments. The project is still in a pre-contract execution phase.

The SBCTA is proposing a modification to the project, eliminating a 0.4 Class II segment. The Class II bikeway would be immediately adjacent to vehicle traffic and would not directly connect the two other bikeway segments. With the proposed change, the main Class I bikeway would remain the core of the project. The removal of the disconnected Class II segment reflects a data-driven, safety-conscious decision during project refinement.

As a substitute for the Class II segment, SBCTA has proposed the addition of wayfinding, bicycle counters, and detection technology.

Chair McCallon asked for public comment on Item Number 4.

No public comment.

Moved by Hagman; seconded by Harper; item unanimously approved.

Ayes: Hagman, Krupa, Allen, Harper, Lum, Robertson, Berkson, McCallon

Noes: None

Action: MSRC staff will amend the above contract accordingly.

5. Consider Amendment to Program Opportunity Notice (PON) PON2026-01 – Electric Vehicle Charging Infrastructure Resiliency Program to Add an Eligible Fuel for Fuel Cells

Ray Gorski, MSRC Technical Advisor, presented that the MSRC previously approved the issuance of a PON focused on zero-emission charging infrastructure resiliency. This PON outlined a list of eligible fuels permitted for use in linear generators or fuel cells as part of the infrastructure solutions.

An issue was raised by an interested stakeholder regarding the omission of methanol from the original list of eligible fuels. Although ethanol, which is another alcohol-based fuel, was included, methanol was not considered initially. As a result, the MSRC-TAC reviewed and approved a request to amend the PON to explicitly include methanol as an eligible fuel. This amendment ensures that methanol can now be utilized in the development of zero-emission charging infrastructure under this program.

Chair McCallon asked for public comment on Item Number 5.

No public comment.

Moved by Hagman; seconded by Krupa; item unanimously approved.

Ayes: Hagman, Krupa, Allen, Harper, Lum, Robertson, Berkson, McCallon

Noes: None

Action: The eligible fuel, methanol, will be added to the PON.

6. Response to MSRC Inquiries Regarding Available Funding to Support Fleet Transition to Zero Emissions and Anticipated Response to the Electric Vehicle Charging Infrastructure Resiliency Program

Ray Gorski, MSRC Technical Advisor, presented an update regarding the evolution of the FYs 2024-27 Work Program and funding allocations for three key programs focused on zero-emission infrastructure and vehicle incentives as requested by the MSRC. The core focus is on evaluating the appropriateness of the current funding levels and understanding the broader funding landscape available at state, federal, and local levels to support zero-emission vehicle transitions in public fleets.

Gorski first provided an overview of the key programs under consideration:

1. Zero Emission Infrastructure Resiliency Program
 - o Currently allocated \$30 million in the Program Opportunity Notice (PON)
 - o The program is active and “on the street,” meaning PON responses are being accepted.
 - o Funding can be adjusted by MSRC discretion based on program needs and responses.
2. Transit Bus Incentive Program
 - o Designed to incentivize zero-emission transit buses.
 - o This program is scheduled for consideration as Agenda Item 7 in the current MSRC meeting.
3. Medium and Heavy-Duty Vehicle Incentive Program
 - o Targets public fleets transitioning medium and heavy-duty vehicles to zero emissions.
 - o Intended to align with the California Air Resources Board Advanced Clean Fleet Regulation.
 - o Originally planned for consideration in the current meeting but has been deferred.

Gorski presented the efforts to gauge demand for this funding ahead of the official application deadline the \$30 million targeted funding for the EV Infrastructure Resiliency PON. The official application deadline for this program is June 2nd. To obtain an early indication of demand, staff included a request in the outreach materials asking interested entities to submit a non-binding letter of intent or a simple email indicating their interest.

The initial response to the outreach program has been very strong, demonstrating significant interest from a diverse range of stakeholders. More than 20 letters of intent have been submitted or one-on-one video conferences have been conducted with interested parties. Additionally, two formal PON responses were received, further confirming the high engagement level.

About 30% of respondents disclosed potential funding requests, totaling approximately \$23,000,000. This figure suggests the program may be fully subscribed or oversubscribed based on current interest. Gorski noted that this leads to a current projection of \$30 million or more in proposals for review by the MSRC in June. At that time, the MSRC may either evaluate the responses and make funding recommendations **or** request staff to prepare a more detailed Request for Proposals (RFP) to further refine and reduce the pool of submissions.

Gorki continues regarding the current dynamic environment regarding charging infrastructure resiliency in the context of Public Safety Power Shutoffs (PSPS).

There is recognition that while a large percentage of stakeholders or respondents suggest their charging infrastructure would benefit from higher resiliency during PSPS events, this assertion requires scrutiny. This is because PSPS occurrences tend to be geographically specific and primarily impact certain areas. Within the South Coast region, they occur more heavily in Riverside County and San Bernardino County.

Gorski then presented an overview of current targeted funding allocations within an available budget totaling \$91.4 million. Approximately \$11.4 million remains completely unallocated, not allocated or potentially targeted for any program.

Current Funding Snapshot

Program/Category	Current/Targeted Funding Amount	Notes
Discretionary Budget (Total)	\$91.4 million	Total available budget before allocations

Program/Category	Current/Targeted Funding Amount	Notes
EV Infrastructure Resiliency Program	\$30 million	Targeted amount; staff currently recommend no changes
Transit Bus Incentive Program	\$25 million	Expected to be oversubscribed; next agenda item
Zero Emission Incentives (CARB Regulation)	\$25 million	Targeted for cities/counties under CARB Advanced Clean Fleet Regulation
Unallocated Remaining Balance	\$11.4 million	No associated work program element; fully unallocated at this time

Gorski noted that the Transit Bus Incentive Program is anticipated to be oversubscribed at the targeted \$25 million allocation. Staff currently consider the targeted \$30 million allocation for the EV Infrastructure Resiliency Program appropriate and sufficient, with no recommendation for adjustment. While there seems to be a high level of response and interest for the Program, the quality and viability of projects are still to be determined. Also, some proposals may not proceed, which could influence the eventual funding needs.

It was noted that maintaining an unallocated balance can be beneficial. This provides flexibility to increase funding allocations after the application period based on program demand and project quality.

MSRC Member William Robertson discussed the current state of funding and incentives for heavy-duty vehicle adoption in California, with a focus on the South Coast AQMD region.

The state requires approximately \$400 million per year to support heavy-duty vehicle incentives, with the South Coast region accounting for about 40% of the statewide demand. The legislature has not provided new funding allocations in the past two years, and current indications suggest no new allocations will be made this year. Some progress has been made by reopening the HVIP (Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project) with short-term, one-time funds.

MSRC Member Curt Hagman expressed strong support for the MSRC's funding, highlighting its unique role in addressing funding gaps compared to other existing

sources. While acknowledging that \$90 million allocated through the MSRC is substantial, he emphasized that it is relatively small in the broader context of funds available from federal grants and agencies such as CARB and South Coast AQMD. The MSRC's critical value of this program lies in its focus on resolving infrastructure and operational challenges that other funding sources overlook.

Hagman also expressed a preference for the MSRC to take a more proactive and agenda-setting role rather than merely reacting to proposals brought forward by others. He underscored that the MSRC should be the primary agenda setter.

Hagman further advocated channeling future resources toward system resiliency, addressing infrastructure vulnerabilities and ensuring reliable, functional operations across the transportation network.

MSRC Member Robertson noted significant challenges related to funding for vehicles, particularly trucks and buses, over the past two years and into the current budget cycle. Furthermore, federal policy shifts are impacting on the availability and conditions of grant funding for zero-emission vehicles, complicating efforts to advance clean transit initiatives.

Gorski continued regarding funding availability and challenges related to purchasing zero-emission transit buses and medium- to heavy-duty fleet vehicles. Unclear funding situations lead to uncertainty in the market and potential stagnation in fleet purchases.

MSRC Member Patrick Harper, MSRC Member Robertson, and Gorski discussed challenges related to supply constraints and funding timing in the acquisition of transit buses.

MSRC Member Brian Berkson, MSRC Member Harper, and Cynthia Ravenstein, MSRC Contracts Administrator discussed the financial oversight and contract management of the MSRC, focusing on how unfulfilled contracts and unused funds can impact available resources within the current fiscal year. A modified approach to tracking and reporting of contracts is requested, especially those contracts that may not be performing or are nearing expiration, to identify potential funds that may return to the MSRC's budget.

Chair McCallon asked for public comment on Item Number 6.

Michael Cacciotti, Councilmember of the City of South Pasadena, provided comments regarding Item Number 6, in relation to the outreach efforts for the PON focused on EV infrastructure resiliency. Mr. Cacciotti expressed concern that awareness of this PON has been very limited, even among key stakeholders such as

committee members and local agencies. Despite being the chair of the board involved, he only became aware of the PON recently.

Action: This Item is a Receive and File Item. No further action is required.

7. Consider Program Announcement to Implement a Zero-Emission Transit Bus Incentive Program

Ray Gorski, MSRC Technical Advisor, presented and outlined a Program Announcement aimed at incentivizing transit agencies to procure zero-emission transit buses and related charging infrastructure. The program was developed by the MSRC-TAC with three primary motivations:

- Accelerate compliance with the CARB Innovative Clean Transit (ICT) Regulation by encouraging earlier deployment of zero-emission buses than legally required.
- Address rising costs of electric transit buses, which have significantly increased due to inflation, supply chain disruptions, and other economic pressures.
- Mitigate funding uncertainties related to other incentive programs and legislative actions, specifically concerning the availability of funds such as the Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project (HVIP) and sales tax exemptions.

The program has a targeted funding amount of \$25 million to support these goals.

Gorski continued, outlining various program specifics including funding eligibility, caps, and distribution mechanisms. It distinguishes between large and small transit agencies based on fleet size and sets forth the rules for maximum financial incentives, geographic distribution, and potential residual fund allocation.

The Program is planned to open on May 1st, 2026, with the closing date for applications set for June 30th, 2026. Applications will be submitted electronically, and funds will be awarded on a first-come, first-served basis. However, applications received on the first day will be considered as submitted simultaneously. To prevent awardees from delaying fund usage, recipients must execute a transit bus purchase order within 270 days of contract execution.

MSRC Member Curt Hagman commented on the challenges faced by local agencies in implementing state-mandated programs without adequate state funding. The primary example is the mandate to transition to electric buses, which requires substantial investment and infrastructure upgrades that local governments cannot afford independently. He emphasized that the \$25 million allocated is insufficient, and that accelerating progress without proper funding is impractical. There is a broader concern about inadequate infrastructure to support such transitions.

Gorski indicated that the MSRC TAC is recommending an investment of \$25 million for this Program. The MSRC has discretion over two main considerations:

- Whether \$25 million is the appropriate target amount; and
- Whether to proceed with investing resources in this area.

MSRC Member William Robertson noted the difficulty of managing funding resources amid uncertainty. MSRC Member Hagan expressed willingness to retain available funds in a collective pool and adopt a wait-and-see approach.

MSRC Member Brian Berkson asked how eligible agencies can be efficiently notified about a forthcoming opportunity, despite a relatively short timeframe. He focused on outreach strategies and ensuring widespread dissemination of information within the available period.

MSRC Member Robertson suggested reaching out directly to the California Transit Association. They're very active with their membership and can be very helpful in getting the word around.

Chair McCallon asked for public comment on Item Number 7.

No public comment.

Moved by Harper; seconded by Robertson; item approved.

Ayes: Krupa, Allen, Harper, Lum, Robertson, Berkson, McCallon

Noes: Hagan

Action: This item will be placed on the next South Coast AQMD Board agenda for final consideration and approval.

OTHER BUSINESS:

Chair McCallon asked for Other Business

MSRC Member Curt Hagan expressed concerns about the influence of the MSRC - TAC on policy decisions, the allocation of budget resources, and the overall inclusivity of community stakeholders in the decision-making process.

MSRC Member Brian Berkson discussed the need for key participants to have a clearer understanding and communication regarding the roles of different bodies involved, financial sources, and appropriate expenditure. Chair Larry McCallon agreed to put something on a future agenda.

Ray Gorski, MSRC Technical Advisor, acknowledged the concern of ensuring that

the MSRC is provided with sufficient information before being asked to make formal decisions.

PUBLIC COMMENT PERIOD

Chair McCallon asked for Public Comment.

No Public Comment

ADJOURNMENT

The meeting adjourned at 3:20 p.m.

[Prepared by Marjorie Eaton]
