Subject: [EXTERNAL] Chiquita Canyon community tour

Good afternoon board members,

My name is Jennifer Elkins. I gave public testimony about Chiquita Canyon Landfill at this morning's board hearing. I would like to follow up about my offer, inviting the AQMD board members to tour our community and see first hand how residents and schools are impacted daily by the ongoing disaster at Chiquita Canyon Landfill. The mitigation efforts are not improving the quality of life for residents and the impacts are becoming more severe. We fear for our health and for the future of this beautiful community that we call home. If you do wish to visit, please feel free to contact me and I will work out the details. We appreciate all of your efforts in trying to resolve this issue.

Best Regards,
Jennifer Elkins
