Hello Hearing Board

My name is Chandra Ramsinghani I live on Canyon Ridge Lane in Granada Hills near Sunshine Landfill . We are suffering from all this bad odor of trash and Gas since las 45 years. Some time the smell is so bad I do vomiting and nausedet. My eyes are itching all the time. Since few years I have breathing problems sometime I can't breath . We are complaining since 45 years but looks like nobody is listening please let us know what should we do. Our electricity bill is so high because we can't open the doors and windows. Please stop this dump or give us any suggestions. Thank you

Chandra Ramsinghani,
