LOCAL GOVERNMENT & SMALL BUSINESS ASSISTANCE ADVISORY GROUP MEETING

Advisory Group Members

Mayor Pro Tempore Carlos Rodriguez, LGSBA Chairman (Board Member)
Supervisor Janice Rutherford (Board Member)
Felipe Aguirre
Mayor Rachelle Arizmendi, City of Sierra Madre
Paul Avila, P.B.A. & Associates
Geoffrey Blake, Metal Finishers of Southern California
Todd Campbell, Clean Energy
LaVaughn Daniel, DancoEN
John DeWitt, JE DeWitt, Inc.
Bill LaMarr, California Small Business Alliance
Rita Loof, RadTech International
Eddie Marquez, Roofing Contractors Association
David Rothbart, Los Angeles County Sanitation Districts

Friday, October 8, 2021 ♦ 11:30 a.m.

Pursuant to Assembly Bill 361, the South Coast AQMD Local Government & Small Business Advisory Group meeting will only be conducted via videoconferencing and by telephone. Please follow the instructions below to join the meeting remotely.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION AT BOTTOM OF AGENDA

Join Zoom Webinar Meeting – from PC or Laptop
<https://scaqmd.zoom.us/j/92459924491>

Zoom Webinar ID: 924 5992 4491 (applies to all)

Teleconference Dial In
+1 669 900 6833

One tap mobile
+16699006833, 92459924491#

Audience will be allowed to provide public comment through telephone or Zoom connection during public comment period.

PUBLIC COMMENT WILL STILL BE TAKEN

AGENDA

Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't. Code Section 54954.3(a)). All agendas for regular meetings are posted at South Coast AQMD Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.

CALL TO ORDER

ACTION ITEMS (Items 1 through 3):

1. Call to Order/Opening Remarks
(No Motion Required)
*Mayor Pro Tem. Carlos Rodriguez
Committee Chair*
2. Approval of August 13, 2021 Meeting Minutes
(Motion Required)
[Attachment 1]
*Mayor Pro Tem. Carlos Rodriguez
Committee Chair*
3. Review of Follow-Up/Action Items
(No Motion Required)
Staff will review the follow-up/action items identified in the previous meeting.
*Derrick J. Alatorre
Deputy Executive Officer
Legislative, Public Affairs & Media*

DISCUSSION ITEMS (Items 4 through 5):

4. FY 2021-22 General Fund Budget
Staff will provide an overview of the General Fund Budget detailing staffing levels, expenditures, and revenues required to maintain current program commitments.
(No Motion Required)
[Attachment 2]
*Sujata Jain
Chief Financial Officer
Finance*
5. Update on Proposed Amended Rule 219 – Equipment Not Requiring a Written Permit Pursuant to Regulation II
Staff will provide an overview of Proposed Amended Rule 219 to address mobile fueling operations and a request for amendments for UV/EB
(No Motion Required)
[Attachment 3]
*Susan Nakamura
Assistant Deputy Executive Officer
Planning, Rule Development &
Area Sources*

WRITTEN REPORT:

6. Monthly Report on Small Business Assistance Activities
Summary of assistance and outreach activities conducted by South Coast AQMD's Small Business Assistance Office for August & September 2021.
(No Motion Required)
[Attachment 4]

All

OTHER MATTERS:

7. Other Business
Any member of this body, or its staff, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov't. Code Section 54954.2)
8. Public Comment Period
At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Local Government and Small Business Assistance Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.
9. **Next Meeting Date** - Friday, November 12, 2021 at 11:30 a.m.

ADJOURNMENT

Document Availability

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the agenda is posted, are available by contacting Van Doan at (909) 396-3117 or send the request to kdoan@aqmd.gov.

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the Local Government and Small Business Assistance Advisory Group meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov't Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the South Coast AQMD. Please contact Van Doan at (909) 396-3117 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to kdoan@aqmd.gov.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment.

Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on Mute by the host. You will not be able to mute or unmute your lines manually.

After each agenda item, the Chair will announce public comment.

A countdown timer will be displayed on the screen for each public comment.
If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the “**Participants**” button on the bottom of the screen.
- A list of participants will appear on the right side of the screen. At the bottom of the list, please click on the grey “**Raise Hand**” button.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the “**Participants**” button on the bottom of your screen.
- A new screen will pop up with the list of participants. Look for the “**Raise Hand**” button on the screen and click the button.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment

DRAFT

LOCAL GOVERNMENT & SMALL BUSINESS ASSISTANCE ADVISORY GROUP FRIDAY, AUGUST 13, 2021 MEETING MINUTES

MEMBERS PRESENT:

Supervisor Janice Rutherford (Board Member)
Felipe Aguirre
Mayor Rachelle Arizmendi, City of Sierra Madre
Paul Avila, P.B.A. & Associates
Geoffrey Blake, Metal Finishers of Southern California
John DeWitt, JE DeWitt, Inc.
Bill LaMarr, California Small Business Alliance
Rita Loof, RadTech International
Eddie Marquez, Roofing Contractors Association
David Rothbart, Los Angeles County Sanitation Districts

MEMBERS ABSENT:

Mayor Pro Tempore Carlos Rodriguez, LGSBA Chairman (Board Member)
Todd Campbell, Clean Energy
LaVaughn Daniel, DancoEN
Randon Lane, Brylan Enterprises, Inc.

OTHERS PRESENT:

Mark Abramowitz
Erin Berger
Harvey Eder
Debra Mendelsohn, Board Member Consultant (*Rutherford*)
Jennifer Rio
Mark Taylor, Board Member Consultant (*Rutherford*)
Janet Whittick
Ross Zelen

SOUTH COAST AQMD STAFF:

Jill Whynot, Chief Operating Officer
Derrick Alatorre, Deputy Executive Officer
Lisa Tanaka O'Malley, Assistant Deputy Executive Officer
Daphne Hsu, Principal Deputy District Counsel
Kathryn Higgins, Senior Public Affairs Manager
Dan Garcia, Planning & Rules Manager
Kelly Trainor Gamino, Program Supervisor
Nicole Silva, Program Supervisor
Diana Thai, Program Supervisor

Anthony Tang, Information Technology Supervisor
Ricardo Rivera, Senior Staff Specialist
Van Doan, Air Quality Specialist
Paul Wright, Senior Information Technology Specialist
Evangelina Barrera, Senior Public Information Specialist
Alicia Lizarraga, Senior Public Information Specialist
Arlene Farol Saria, Senior Public Information Specialist
Ryan Stromar, Senior Public Information Specialist
Daniel Wong, Senior Public Information Specialist

Agenda Item #1 – Call to Order/Opening Remarks

Supervisor Janice Rutherford called the meeting to order at 11:32 a.m.

Agenda Item #2 – Approval of June 11, 2021 Meeting Minutes

Supervisor Rutherford called for approval of the June 11, 2021 meeting minutes. The minutes were approved unanimously.

Agenda Item #3 – Review of Follow-Up/Action Items

Mr. Derrick Alatorre reviewed the follow-up and action items from the previous meeting and stated that staff provided a link to the Cap-and-Trade Program report to the advisory group via email on June 18, 2021. In response to public records requested by Ms. Rita Loof, Mr. Alatorre stated he spoke with Public Records and Engineering & Permitting (E&P) staff, and cannot query for facilities using ultraviolet (UV) coatings that were previously exempt pursuant to Rule 219. Mr. Alatorre recommended to use the South Coast Air Quality Management District's (South Coast AQMD) Facility Information Detail (FIND) tool to search for specific facilities. Ms. Loof clarified that her request was for any facilities made to obtain permits when installing UV equipment. She said South Coast AQMD staff identified 108 facilities and is requesting facility names to access the information on FIND. Mr. Alatorre responded that Ms. Loof's original request was for Fender Guitar and was later expanded to include additional facilities. E&P responded that they cannot query for UV coatings operations. Ms. Loof said when she worked at South Coast AQMD, there was an equipment description code "BCAT", which stands for "basic category" used to track equipment types. She offered to provide the number. Mr. Alatorre replied that he will discuss with E&P.

Follow-up Item #1: Discuss with E&P regarding facility names request and query for UV equipment using the BCAT code.

Mr. Alatorre noted another action item includes a Rule 219 update, which will be presented at the next meeting in September.

A request was previously made to research the possibility to have the Home Rule Advisory Group (HRAG) transferred to this advisory group. Mr. Alatorre said there have been discussions with Chair Carlos Rodriguez and need to determine how many HRAG members would like to be added to this advisory group as the charter limits the number of members. Mr. David Rothbart said that he has spoken with several HRAG members and the consensus was to keep it as a separate group. Mr. Alatorre stated he will discuss with Planning, Rule Development & Area Sources (PRDAS).

Follow-up Item #2: Discuss with PRDAS regarding the transfer of HRAG to LGSBA.

Mr. Bill LaMarr expressed support for Mr. Rothbart's recommendation to maintain HRAG as a separate advisory group.

Agenda Item #4 – Update on Assembly Bill (AB) 617 for 2021

Mr. Daniel Wong presented an update on the Assembly Bill (AB) 617 program for 2021.

Mr. Paul Avila referenced a slide on data-gathering and inquired about the types of data gathered and how they are accumulated. Mr. Dan Garcia stated that at the initial selection of a community, there is already a sense of the types of sources. When the community boundaries are defined, technical staff

conducts an in-depth review of sources within the boundaries, which provides the baseline emissions and help identify emission reductions.

Ms. Loof commented that RadTech has a program to sponsor startups in the UV industry.

Mr. LaMarr referenced slide #7 and asked what the average number of people on a Community Steering Committee (CSC) is. Mr. Wong said it depends on the community. For example, San Bernardino/Muscoy has about 25 members and the largest is Eastern Coachella Valley (ECV) with around 45 members. Mr. LaMarr asked how many of those are local business owners or workers and mentioned that businesses are underrepresented. Mr. Wong said that five local businesses are on the ECV CSC and six are on the Wilmington CSC. Mr. LaMarr mentioned joining an AB 617 consultation group recently and the existing animosity between members and businesses. Mr. Wong stated that South Coast AQMD conducted a lot of the initial outreach to business representatives, who are always at the table, invited, and welcomed to provide input. As to animosity between the CSC and businesses, staff tries to work through it and resolve the issues. Mr. Alatorre said that the ECV community did not want any businesses on the CSC, but businesses are allowed to participate under the program guidelines and the South Coast AQMD is supportive of that. Mr. LaMarr mentioned that he addressed the Governing Board (GB) at a previous event and mentioned that trade associations should be allowed to participate at these meetings. Mr. Wong indicated that it is mandated that 50% of the CSC members be residents of that community and urged Mr. LaMarr to stay in contact. Supervisor Rutherford said that it was a challenge to find business representatives who were available and interested in participating in her area.

Ms. Loof expressed support for Mr. LaMarr's comments and asked if trade associations' eligibility could be reconsidered. Mr. Alatorre stated that he will consult with Mr. Wayne Nastri.

***Action Item #1:** Consult with Mr. Nastri if trade associations could be allowed to participate on the CSC.*

Supervisor Rutherford inquired about the funding for this program. Mr. Alatorre said that South Coast AQMD continues to advocate for sustained funding for this program and hopes that it would increase this year, however, fund allocation is dependent on the budget trailer bills. Ms. Jill Whynot added that Mr. Nastri and others has been aggressively advocating for sustained and additional funding and have been unsuccessful the past several years. Supervisor Rutherford commented on the lack of funding to implement this program.

Mr. Harvey Eder made public comments on business and trade groups.

Agenda Item #5 – Update on the Environmental Justice Community Partnership

Ms. Alicia Lizarraga provided an update on the Environmental Justice Community Partnership and indicated one of the keynote speakers for the 7th Annual Environmental Justice Conference is Governor Arnold Schwarzenegger.

Ms. Loof commented that the Clean Air Program for Elementary Schools (CAPES) should be accessible to as many schools as possible. Ms. Loof mentioned the Who to Call guide and suggested that it should be expanded to include trade association resources for the business community to contact when help or solutions are needed in addition to compliance problems. Ms. Lizarraga stated that the program is available to any schools that are interested, including charter schools and tribal groups. Supervisor Rutherford mentioned that there was a lengthy discussion at the Administration Committee meeting

today on how to expand the outreach program to include more schools and make the program more effective.

Mr. Rothbart mentioned Mr. Nastri's letter to the Environmental Justice groups and asked if those groups are not understanding the dilemma that South Coast AQMD is in. Mr. Alatorre responded that the South Coast AQMD has spoken to many environmental groups who understand the problem. However, many groups want zero-emission technology, and few groups understand the benefits of near-zero-emission technology. Mr. Rothbart said there are consequences of non-attainment. Chair Rutherford recommended reading Mr. Nastri's letter and requested it be sent to this group.

***Action Item #2:** Distribute to the advisory group the letter from Mr. Nastri to Environmental Justice groups about zero-emission versus near-zero-emission vehicles.*

Mr. Harvey Eder made public comments on renewable natural gas and solar energy.

Agenda Item #6 – Monthly Report on Small Business Assistance Activities

No comments.

Agenda Item #7 – Other Business

Mr. LaMarr asked if there was any more information regarding the GB retreat. Ms. Whynot said it is still unknown if the retreat will be in a hybrid or in-person format. The retreat is scheduled for September 16-17 at the Renaissance Esmeralda Resort & Spa in Indian Wells. Supervisor Rutherford asked when we will know whether it will be in-person or hybrid and Ms. Whynot said by next week.

Agenda Item #8 – Public Comment

Mr. Harvey Eder commented about COVID-19.

Agenda Item #9 – Next Meeting Date

The next regular LGSBA Advisory Group meeting is scheduled for Friday, September 10, 2021 at 11:30 a.m.

Adjournment

The meeting adjourned at 12:55 p.m.

FY 2021-22 South Coast AQMD Adopted Budget and Regulation III

LGSBA
October 8, 2021

1

1

Topics

- Revenue & Expenditure Uncertainties
- General Fund Budget Summary
- Five-year Projection
- Regulation III – Fees

2

2

Revenue & Expenditure Uncertainties

- Economic Impact of COVID-19
- Retirement Cost Increases
- AB 617 Ongoing Funding
- Federal/State Funding
- Aging Infrastructure

3

3

General Fund Budget Summary

(\$ in Millions)	FY 2020-21			FY 2021-22
	Budget	Amended*	Actual (Unaudited)	Adopted **
Staffing ***	946	949		957
Revenue	\$173.0	\$179.3	\$176.6	\$179.9
Program Cost	<u>\$173.0</u>	<u>\$181.8</u>	<u>\$171.0</u>	<u>\$179.9</u>
Change to Fund Balance	<u>\$0.0</u>	<u>-\$2.5</u>	<u>\$5.6</u>	<u>\$0.0</u>

4

4

FY 2020-21 Actuals and Five-Year Projection

(\$ in millions)	FY 20-21 Actuals (unaudited)	FY 21-22 Proposed	FY 22-23 Projected	FY 23-24 Projected	FY 24-25 Projected	FY 25-26 Projected
Authorized Staffing	949	957 *	957	957	957	957
Vacancy Rate	13%	13%	11%	11%	11%	11%
Funded Staffing	823	833	852	852	852	852
Revenues **	\$176.6	\$179.9	\$178.8	\$183.0	\$182.9	\$182.4

Changes in Fund Balance	\$5.6	\$0.0	(\$8.7)	(\$5.2)	(\$9.2)	(\$8.7)
Unreserved Fund Balance (at Year-End)	\$77.7	\$77.7	\$69.0	\$63.8	\$54.6	\$45.9
% of Revenue	44%	43%	39%	35%	30%	25%
* Includes positions added by the Board in FY 2020-21, 1 in October (BL 10/2/2020 #8) and 3 in March (BL 3/5/2021 #10). FY 21-22 additions include 6 grant funded positions.						
** CPI projections include the following: FY 21/22 – Restore the FY 20/21-2.8% and include the FY 21/22- 1.7%; FY 22/23 - 2.8%; FY 23/24 - 3.2%; FY 24/25 - 3.1%; & FY 25/26 - 3.0%.						

5

5

Regulation III - Fees

- Restoration of the FY 2020-21 CPI Fee Increase – 2.8%
- FY 2021-22 CPI Fee Increase – 1.7%

6

6

Proposed Amended Rule 219 – Equipment not Requiring a Written Permit Pursuant to Regulation II

Local Government and Small Business Assistance Advisory Group

October 8, 2021

Mike Morris
Manager
Planning and Rule Development

1

Background

- Rule 219
 - Identifies equipment, processes, or operations that do not require a permit because of low emissions
 - Equipment may need to be operated below a certain threshold
- Rule 219 is amended
 - Typically every five years on a regular basis as technology evolves
 - Major amendments for address:

New Technologies

- Industrial and commercial innovations that may emit air pollutants

Improved Understanding of Emission Sources

- Changes to emission profiles based on testing or updates to toxicity emission factors

Clarifications

- Edits to make the rule more user-friendly

2

Background - South AQMD Permitting Rules

Rule 203 – Permit to Operate

Requires a permit to operate for equipment that either emits air pollution or control air pollution

Rule 219 – Equipment not Requiring a Written Permit Pursuant to Regulation II

Lists equipment and operations that would not require a permit to operate

Rule 222 – Filing Requirements for Specific Emission Sources Not Requiring a Written Permit Pursuant to Regulation II

In lieu of a permit, equipment can be registered if the equipment is identified in Rule 219

3

3

Overview

Mobile Fueling

- Address emerging mobile fueler industry

Recent UV/EB Interpretation

- Address low-emitting UV/EB technologies

State Implementation Plan

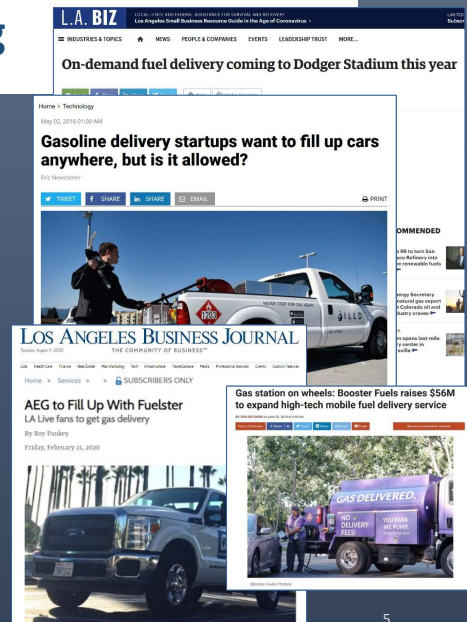

- To fulfill requirements of the Clean Air Act

4

Background – Mobile Fueling

- South Coast AQMD rules have traditionally regulated stationary sources such as stationary gasoline dispensing facilities to minimize VOC and toxic emissions such as benzene
- Over the past several years, retail mobile fueling operations have increased
 - Mobile fuelers drive to their customer locations to fuel individual vehicles, fleets, or vehicles at sports and entertainment venues
- Current regulatory requirements:
 - Allow mobile fueling operations, but are generally limited to non-retail operations
 - Do not address smaller mobile fuelers
- Regulatory gap exists as smaller mobile fuelers do not require a permit

5

Need for Amend Rule 219 for Mobile Fuelers

- Rule 219 (m)(9) exempts:
 - *"Equipment used exclusively for VOC containing liquid storage or transfer to and from such storage, of less than 950 liters (251 gallons) capacity..."*
- Staff identified emerging business model that operate unpermitted mobile fuelers as they are exempt under Rule 219 (m)(9)

6

6

Rule Development Process for Rule 219

- As part of the rule development process to address emerging mobile fueling operations, Rule 219 is being amended to reduce the capacity threshold to qualify for exemption
- Proposed concepts for Proposed Amended Rule 219 establish new capacity thresholds to require permits for previously unpermitted mobile fuelers

7

7

Amendments for UV/EB Technology

There have been several amendments to Rule 219 to address UV/EB systems

Sept 1998 – Exempt low VOC UV/EB coatings

Nov 2000 – Limit low VOC UV/EB coating exemption to six gallons per day

July 2006 – Exempt UV/EB curing systems

June 2007 – Limit low VOC UV/EB exemption to equipment emitting less than one ton per year

May 2017 – Remove some filing fees for UV/EB technologies

8

8

UV/EB Systems—Permit Requirements

- A UV/EB component was added to an existing solvent-coating line
 - Existing coating line does not qualify for a Rule 219 exemption
 - Uses more than 1 gallon per day of solvent coating
 - Venting to air pollution control equipment (APC) is required for compliance with Rule 1136 (non-compliant coating used)
- Commenter believes that permit modification was unnecessary because the application cost acts as a disincentive to trying UV/EB
- Commenter believes venting the modified line to APC should not be required because use of UV/EB is already super compliant so UV/EB plus APC is “super-super” compliant

9

9

Staff Response

- Facility modified an existing solvent-based coating line
 - The inclusion of UV/EB technology is a single solvent-based coating line using UV/EB technology – not separate solvent-based and UV/EB based coating lines
 - The newly configured system does not qualify for exemption under Rule 219
- Modification to permitted equipment requires permit evaluation
 - A modification application was required since the physical modification did not render the coating line exempt from permitting pursuant to Rule 219.
- This project did not reduce emissions nor result in super compliance
 - Facility had been using a non-compliant coating and achieving compliance by venting emissions to APC.
 - This project was simply in-house addition of photo initiator to the same non-compliant coating they had been using, as well as addition of a UV curing tunnel for the sole purpose of reducing drying times.
 - This specific UV/EB coating would be non-compliant with the applicable District rule as a standalone process without add-on air pollution control.
- South Coast AQMD staff evaluates all permit applications for compliance with all applicable rules and for the availability of any Rule 219 permitting exemptions

10

10

State Implementation Plan

State Implementation Plan (SIP) is a collection of regulations used to implement, maintain, and enforce the National Ambient Air Quality Standards and to fulfill other requirements of the Clean Air Act

Last version of Rule 219 approved into SIP was from 1981

U.S. EPA has requested that latest version of Rule 219 be submitted for inclusion into the SIP
