

Sensor Installation Survey

This survey is intended as a one-time survey to be completed when a community scientist installs a sensor as part of the South Coast Air Quality Management District's (SCAQMD) U.S. EPA Science to Achieve Results (STAR) grant project entitled "Engage, Educate and Empower California Communities on the Use and Applications of Low-Cost Air Monitoring Sensors."

Name*

Community Scientist Name

Email Address

Date of Installation*

Time of Installation

 Morning Afternoon Evening

Select from the following communities:

-Please Select- ▼

Set the location for your sensor*

Type in your address or click on the crosshair icon to find your location.

Esri, Garmin, NGA, USGS Powered by Esri

Lat: 0 Lon: 144.96552

What best describes the type of dwelling where the sensor is installed?*

Single Family Home

Condo, Apartment, or Townhouse

School Site

Business

Other

What best describes the location where the sensor is installed?*

Front Porch or Patio

Rear Porch or Patio

Eave of the Home

External Wall of Home

Balcony

Other

What direction is the installation location facing?*

North Facing

South Facing

West Facing

East Facing

Northwest Facing

Northeast Facing

Southwest Facing

Southeast Facing

What is the height (ft) of your sensor from the ground?*

Measure or estimate the height of your sensor from the ground in feet.

<input type="radio"/> 1-5	<input type="radio"/> 6-10	<input type="radio"/> 11-15
<input type="radio"/> 16-20	<input type="radio"/> 21-25	<input type="radio"/> Greater than 25

Is your sensor mounted in close proximity to any potential sources of dust or particulates?*

This could be close proximity to a fire place, A/C unit, cooking range exhaust vent, an outdoor grill or BBQ, a designated smoking area, or any source of dust, particulates, or smoke.

<input type="radio"/> Yes	<input type="radio"/> No	<input type="radio"/> Not Sure
---------------------------	--------------------------	--------------------------------

Do you expect the particle pollution to be high in your community?*

<input type="radio"/> Yes	<input type="radio"/> No	<input type="radio"/> Not Sure
---------------------------	--------------------------	--------------------------------

What are the pollution sources impacting your community?

Choose all that apply.
