

NOTICE OF DETERMINATION

To: County Clerk, Harnell Harper
County of Los Angeles
12400 E. Imperial Hwy, Room 2001
Norwalk, California 90650

From: South Coast Air Quality Management District
21865 Copley Drive
Diamond Bar, California 91765

Subject: FILING OF NOTICE OF DETERMINATION IN COMPLIANCE WITH SECTIONS 21108 OR 21152 OF THE PUBLIC RESOURCES CODE

Project Title: Final Program Environmental Impact Report for the 2007 Air Quality Management Plan

Lead Agency: South Coast Air Quality Management District

SCH Number: 2006111064 **Date Certified:** June 1, 2007

Contact Person: Steve Smith **Telephone Number:** (909) 396 - 3054

Project Location: South Coast Air Quality Management District (SCAQMD) area of jurisdiction consisting of the four-county South Coast Air Basin (Orange County and the non-desert portions of Los Angeles, Riverside and San Bernardino counties), and the Riverside County portions of the Salton Sea Air Basin and the Mojave Desert Air Basin.

Project Description: The proposed 2007 AQMP updates the 2003 AQMP. The 2007 AQMP identified control measures to be implemented by state, federal and local agencies to demonstrate that the region will attain the federal 8-hour ozone standard and the federal standard for particulate matter less than 2.5 microns in diameter (PM2.5) by the applicable target dates. The Program EIR evaluated potential adverse impacts in the following environmental topics: air quality; energy; hazards and hazardous materials; hydrology and water quality; and solid and hazardous waste, and concluded that impacts were less than significant or could be mitigated to less than significant for all environmental topic areas except construction air quality and hazards and hazardous materials.

This is to advise that the South Coast Air Quality Management District has approved the above described project on June 1, 2007 and has made the following determinations regarding the above described project:

1. The proposed project will have significant adverse impacts on the environment.
2. The Final Program Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of this project.
4. Findings, a Statement of Overriding Considerations and Mitigation Monitoring Program, pursuant to PRC Section 21081.6, were adopted for this project.

The Final Program Environmental Impact Report, supporting documentation, and record of project approval may be examined at: SCAQMD, 21865 Copley Drive, Diamond Bar, CA 91765

Date Received for Filing
