To Whom It May Concern:

Enclosed please find two copies of the Notice of Decision (NOD) for the CEQA document prepared for Proposed Rule (PR) 1144 – Vanishing Oils and Rust Inhibitors. The Final Environmental Assessment (EA) for PR 1144 was prepared pursuant to CEQA and the South Coast Air Quality Management District's (SCAQMD) certified regulatory program. The CEQA document was certified by SCAQMD's Governing Board at its March 6, 2009 Public Hearing. Please record and post the NOD according to the provisions of CEQA.

SCAQMD Rule 110 requires that written responses to public comments on a SCAQMD CEQA document be filed with the Secretary of Resources along with the Notice of Decision. No comment letters were received from the public.

It was determined that the proposed project qualifies for the “no effect” fee exemption in accordance with recently revised Department of Fish and Game Code §711.4, Title 14, California Code of Regulations (CCR) and, therefore, a copy of the signed Fish and Game “no effect” fee exemption form is attached to prove compliance and ensure immediate posting of the NOD.

Please confirm receipt of one copy of the NOD and return it to the undersigned. Two return envelopes have been provided for your convenience (one for the confirmed copy upon receipt, and one for the original NOD to be returned after the posting period). If you have any questions, please call me at (909) 396-3054 or James Koizumi at (909) 396-3234.
