

# EVR AST Compliance Deadlines

EVR Module	New Installations	Existing Installations
Standing Loss Control	4/1/09	4/1/13
Phase I	7/1/10	7/1/14 <sup>1</sup>
Phase II <sup>2</sup>	3/1/15	3/1/19
ISD	Pending*	Pending*

<sup>1</sup> Per amended Certification Procedure 206 (April 23, 2015), specific ASTs with pre-EVR Phase I systems are allowed to continue to use their pre-EVR components until the end of their useful life before upgrading to EVR Phase I components.

<sup>2</sup> Executive Order VR-501-A certifies balance Phase II EVR systems for protected ASTs with remote dispensing.

\*The effective date for ISD (>600,000 gal/year) requirements will be the date when the first such system is certified per Executive Order G-70-213-C.
