

SB272 Multidivisional and Public Programs

System Vendor (Proprietor)	System Name	Brief Description	Categories or Types of Data	System Owner (Office)	Data Collection (Frequency)	System Update (Frequency)
SCAQMD Proprietary	AB2766 Annual Report Online Submittal Portal	Web-based reporting portal for AB 2766 annual project reporting	Emissions	PRDI	Annual Cycle	Annual Fee
SCAQMD Proprietary	AB617	Provide valuable information about sources of air pollution, types of pollutants,	Air quality	TAO	Hourly	On-demand
SCAQMD Proprietary	Ad-Hoc (Business Objects)	Ad hoc data mining tool	Agency-wide	IM	Display Only	Daily
SCAQMD Proprietary	Agenda Tracking System (ATS)	Board letter routing and approval system	Agency-wide	EO	Monthly	On-demand
SCAQMD Proprietary	Annual Emission Reporting	Annual emissions reporting system	Emissions	PRDI	Annual Cycle	Daily
SCAQMD Proprietary	AQDetail	Display current and historical Air Quality Information	Air quality	MAD/PRDI	Display Only	Hourly
SCAQMD Proprietary	Asbestos Notifications (R1403)	Custom web application that allows for the Online Submittal of Rule 1403	Emissions	C&E	Daily	Daily
SCAQMD Proprietary	Carl Moyer GMS	Web-based reporting portal to enable users to apply for Carl Moyer Programs.	Incentive Funding	TAO	Event Based	Daily
SCAQMD Proprietary	Certified Permitting Professionals (CPP)	Display New Source Review data to Certified Permitting Professionals	Emissions	E&P	Display Only	Daily
SCAQMD Proprietary	Clean Air Awards Nominations (CAA)	Clean Air Award electronic nomination form	Agency-wide	LPAM	Annual Cycle	Per Submission
SCAQMD Proprietary	Compliance Tracking System	Capture, track and display complaint, inspection and notification information	Compliance	C&E	Daily	Daily
SCAQMD Proprietary	DMS	Collects ambient air quality monitoring data	Air quality monitoring data	MAD	Daily	Daily
SCAQMD Proprietary	Emission Reporting System (ERS) Gateway	Captures and updates electronically reported RECLAIM NOx and SOx emission	Emissions	E&P	Daily	Daily
AdComplete.com	eNewsletterPro	Newsletter Software for sending email newsletters	Email newsletters	Agency-wide	Daily	Daily
SCAQMD Proprietary	Facility Information Detail System (FIND)	Display facility information to the public	Facility	Agency-wide	Daily	Daily
SCAQMD Proprietary	Facility Permit (FP)	Capture, track, and display Facility Permit related data.	Permit	E&P	Daily	Daily
SCAQMD Proprietary	Finance	Capture, track and display Accounts Receivable data.	Financial	Finance	Daily	Daily
SCAQMD Proprietary	Finance Voucher/Online Payment	On Line invoice and voucher payment system	Financial	Finance	Occurrence Based	Daily
SCAQMD Proprietary	Flare Notification System	Display flare notification data to the public	Compliance	PRDI	Occurrence Based	Daily
SCAQMD Proprietary	GHG Rx	Capture, track and display Greenhouse Gas projects data.	Area Source	PRDI	Occurrence Based	Daily
SCAQMD Proprietary	GIS Mapping Portal	Display air quality and special studies data to the public	Air quality	MAD/PRDI	Display Only	Daily
Smarter Tools Inc.	Help Desk	Help desk request logging	User support requests	IM	Occurrence Based	Daily
SCAQMD Proprietary	Lawnmower Exchange Application (User)	Registration system for gas to electric lawnmower exchange	Public registration	TAO	Event Based	Event Based
SCAQMD Proprietary	Legal Office System	Legal Office System process and track NOVs and cases within the	Compliance	Legal	Event Based	Daily
SCAQMD Proprietary	Mobile Fueler Reporting Portal	Web-based reporting portal to allow portable fuelers to submit reports required	Compliance	PRDI	Event Based	Daily
SCAQMD Proprietary	New Source Review (NSR)	Capture, track, and display permit related emissions, emission offsets, and	Emissions	E&P	Daily	Daily
SCAQMD Proprietary	Notice to Comply Inquiry System	Display Notices to Comply to the public	Compliance	E&C	Occurrence Based	Daily
Microsoft	Office365	Email	Email	Agency-wide	Daily	Daily
SCAQMD Proprietary	Oil and Gas Well reports (Rule 1148.2)	Capture, track and display Oil Well activities.	Area Source	PRDI	Occurrence Based	Daily
Hyland	OnBase	Electronic Document Management System	Agency wide documents	Agency-wide	Daily	Daily
SCAQMD Proprietary	Online Complaints System	On Line complaint submission system	Compliance	C&E	Daily	Daily
SCAQMD Proprietary	Online Filing and Registration System (R222)	This is a public facing online system that streamlines permitting operation	Permit, Emissions, Financial	E&P	Daily	Daily
Oracle	PeopleSoft Financials	Capture and track budget and accounting data	Financial	Finance	Daily	Daily
Oracle	PeopleSoft HCM	Capture and track Human Capital Management data	Human Resource	HR	Daily	Daily
SCAQMD Proprietary	Permit Administration and Application Tracking System (PAATS)	Capture, track, and display application and permit related data.	Permit	E&P	Daily	Daily
SCAQMD Proprietary	Permit Processing Fees Portal	Calculate permit processing fees	Permit	E&P	On Demand	Annual Fee Update
SCAQMD Proprietary	Permit Processing System (PPS)	Capture permit processing data including permit wordings, conditions, emissions, and fees.	Permit	E&P	Daily	Daily
SCAQMD Proprietary	Prop 1B GMS	Web-based application portal for the Prop 1B-Goods Movement Emission Reduction Program.	Information	TAO	Event Based	Daily
SCAQMD Proprietary	Public Notices Web Search	Display Notice of Violation information	Notices of violation	E&P	Daily	Daily
SCAQMD Proprietary	R1415 Refrigerant Filing System	Rule 1415: Reduction Of Refrigerant Emissions From Stationary Air Conditioning Systems. Permit Application.	Permit	PRDI	Daily	Daily
SCAQMD Proprietary	R314/R1113 Rporting System	Capture, track and display architectural coatings data.	Area Source	PRDI	Annual Cycle	Daily
SCAQMD Proprietary	Replace Your Ride (RZR)	Custom web application workflow automation enabling public to submit an application requesting up to \$12000 to purchase an environmentally cleaner vehicle	Incentive Funding	TAO	Event Based	Event Based

SB272 Multidivisional and Public Programs

SCAQMD Proprietary	Rule 1180 Refinery Fenceline Air Monitoring	Providing near real-time air quality information through a dedicated website to inform the public of current air quality conditions in their community.	Air quality	MAD	Hourly	Hourly
SCAQMD Proprietary	SCAQMD Mobile Application	SCAQMD's all-in-one air quality mobile application	Agency-wide	IM	Daily	Hourly
SCAQMD Proprietary	School Bus GMS	Web-based GMS system for Lower-Emission School Bus incentive program	Incentive Funding	TAO	Event Based	Daily
SCAQMD Proprietary	Special Air Quality Monitoring Web Site	Display air quality study data to the public	Air quality	MAD/PRDI	Display Only	On-Demand
SCAQMD Proprietary	Subscription Services Web	On Line subscription maintenance system	Agency-wide	AHR	Occurrence Based	Daily
SCAQMD Proprietary	VW Mitigation	Enables users to apply for for two Volkswagen Environmental Mitigation Action Projects (VW-EMAP): Zero-Emission Class 8 Freight and Port	Incentive Funding	TAO	Event Based	Daily
SCAQMD Proprietary	WAIRE Program Online Portal(ISR)	Web-based reporting portal for warehouse owners and operators to submit reports, documents, and fees required by Rules 2305 & 316	Compliance	PRDI	Annual Cycle	Daily
SCAQMD Proprietary	Web-Access To Emission Reporting System (WATERS)	Displays Emission Reporting System (ERS) data	Emissions	E&P	Daily	Daily
SCAQMD Proprietary	Air Quality Data Platform (AQDP)	Cloud-based platform that integrates, manages, and analyzes data from low-cost air quality sensors, offering web-based visualizations and dashboards for both private and public use	Air quality	MAD	Daily	Daily
BMC Software	IT Service Management (BMC Helix)	A service management tool that supports various forms of service tickets for staff to create IT requests	Agency-wide	IM	On Demand	Event Based
SCAQMD Proprietary	Rule 1180 Notification System	An email notification service that sends out notification emails to the Rule 1180 communities	Air quality	MAD	Hourly	Event Based
SCAQMD Proprietary	CHDV ELECTRIC GMS	CHDV ELECTRIC GMS enables users to apply for ELECTRIC Programs. ELECTRIC GMS provides a paperless application processing workflow automation for the district Staff.	Incentive Funding	TAO	Event Based	Occurance Based
SCAQMD Proprietary	Invest Clean GMS	INVEST CLEAN GMS enables users to apply for INVEST CLEAN Programs. INVEST CLEAN GMS provides a paperless workflow automation for the district staff.	Incentive Funding	TAO	Event Based	Occurance Based
SCAQMD Proprietary	Methyl Bromide Web Application	Web application to display air monitoring data for methyl bromide in West Long Beach.	Air quality	MAD	Hourly	Event Based
SCAQMD Proprietary	Rule 1109.1 - B-Cap Reporting	The two systems developed for R1109.1 B-CAP - Web Application and Gateway Service allow a streamline approach for emission data to be sent, processed, and be notified of any threshold exceedance.	Compliance	C&E, E&P	Event Based	Occurance Based
SCAQMD Proprietary	Wildfire Monitoring	System provides data visualization of air monitoring efforts in the communities affected by the Palisades Fire and Eaton Fire.	Air quality	MAD	Event Based	Occurance Based
