

HEAT PUMP AND ELECTRIFICATION BOOTCAMP

 **Thursday December 4 - Friday December 5, 2025**

 **8:30 AM - 4:30 PM**

 **21865 Copley Drive,
Diamond Bar, CA 91765**

Join South Coast Air Quality Management District for a free two-day training to support plumbing and HVAC professionals. In this bootcamp, you'll learn:

-  the state goals driving the demand for trained installers
-  field-tested diagnostics that prevent costly mistakes
-  how to guide heat pump interest to customer conversion

Don't miss this opportunity to stay ahead of the curve!
