

ZERO-EMISSION SPACE AND WATER HEATING INCENTIVE PROGRAM

www.aqmd.gov

@SouthCoastAQMD

CHOOSE A HEAT PUMP & RECEIVE A REBATE UP TO \$3,000!

Go Zero Emissions. Breathe Healthier Air.

Gas water heaters and furnaces produce nitrogen oxide (NOx) — a leading cause of air pollution.

South Coast AQMD is helping you reduce air pollutants and breathe cleaner air with the GO ZERO program — and save money in the process!

REBATE OF UP TO \$3,000 FOR A QUALIFIED HEAT PUMP!

Rebates available for replacing gas or propane HVAC or water-heating systems with a qualified heat pump (while rebate program funds last).

Contribute to cleaner air in your home and community while saving up to \$3,000.

VISIT AQMD.GOV/GOZERO TO LEARN MORE AND APPLY FOR YOUR REBATE.
