CHOOSE A HEAT PUMP & RECEIVE A REBATE UP TO \$3,000!

Go Zero Emissions. Breathe Healthier Air.

Gas water heaters and furnaces produces nitrogen oxide (NOx) — a leading cause of air pollution.

South Coast AQMD is helping you reduce air pollutants and breathe cleaner air with the GO ZERO program and save money in the process!

REBATE OF UP TO \$3,000 FOR A QUALIFIED HEAT PUMP!

Rebates available for replacing gas or propane HVAC or water-heating systems with a qualified heat pump (while rebate program funds last).

Contribute to cleaner air in your home and community while saving up to \$3,000.
