

INVEST CLEAN ²⁰²⁵

Heavy-Duty Vehicle Charging Infrastructure, Freight Vehicles, Cargo Handling Equipment, Switcher Locomotives

This virtual workshop is being held to gather input on the INVEST CLEAN project which will deploy heavy-duty vehicle charging infrastructure, battery-electric freight vehicles (Class 4, 5 and 8), battery-electric cargo handling equipment, and battery-electric switcher locomotives. Funding will be provided for the deployment of infrastructure, vehicles, and equipment specifically related to goods movement and logistics.

For more information about INVEST CLEAN, please visit:
<https://www.aqmd.gov/home/technology/implementation/invest-clean>

INVEST CLEAN is a transformational initiative aimed at modernizing the Southern California goods movement and logistics system to zero-emission technologies. The project spans from the San Pedro Bay Ports through Los Angeles, Orange, San Bernardino, and Riverside counties to California's border with Arizona and Nevada. [WAIRE](#) Program Mitigation funds may be used as a supplement for projects in the South Coast AQMD jurisdiction.

South Coast AQMD will present a brief overview of INVEST CLEAN and the heavy-duty vehicle charging infrastructure, freight vehicles (Class 8), cargo handling equipment and battery-electric switcher locomotive programs. Southern California Association of Governments will present on Last Mile Freight program for Class 4 and 5 vehicles. There will be an opportunity for the public to ask questions and/or provide comments. Project design questions will be discussed during the presentation.

Americans with Disabilities Act and Language Accessibility Disability and language-related accommodations can be requested to allow participation in the Community Workshops. In addition, documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the South Coast AQMD. For more details please contact INVESTCLEAN-CPRG@aqmd.gov.

South Coast AQMD is the air pollution control agency for all of Orange County and major portions of Los Angeles, Riverside, and San Bernardino Counties.
