## South Coast AQMD Issues Windblown Dust Advisory for the Coachella Valley

*Valid until Tuesday 1:00 AM*

Valid Monday 1:00 PM until Tuesday 1:00 AM

### Current Conditions

- Air Quality Index (AQI) levels at Mecca and Northern Cathedral City, were in the **Moderate** category on Monday morning due to PM10 in windblown dust
- The National Weather Service has issued a wind advisory for the Banning Pass from 11 AM to 11 PM Monday, available at <https://www.weather.gov/sgx>

### Forecasted Air Quality Impacts

- Blowing dust may result in **Unhealthy for Sensitive Groups** or higher AQI levels in the Coachella Valley at times
- The highest windblown dust and AQI levels are expected in the northwestern part of the valley
- Air quality can vary by hour and location depending on wind conditions

To view current air quality in your neighborhood, download the [South Coast AQMD app](#) or visit [www.aqmd.gov/AQImap](http://www.aqmd.gov/AQImap).

### Detailed Forecast

3 PM Friday through 11 PM Monday	AQI is predicted to range from <b>Moderate to Unhealthy for Sensitive Groups</b> or higher at times, with the highest AQI in northwestern Coachella Valley. Wind gusts and AQI levels are predicted to peak around 7 to 8 PM Monday.
-------------------------------------	--

*South Coast AQMD will issue an update if additional information becomes available.*

### If you are in an area impacted by windblown dust:

- Limit your exposure by remaining indoors with windows and doors closed or seeking alternate shelter.
- Avoid vigorous physical activity.
- Run your air conditioning and/or an air purifier. If possible, do not use swamp coolers or whole house fans that bring in outside air.
- Help minimize dust pollution by stabilizing loose soils and slowing down if driving on dirt roads.

For more information, see the [EPA Guide for Particle Pollution \(PDF\)](#).

South Coast AQMD is the regulatory agency responsible for improving air quality for large areas of Los Angeles, Orange, Riverside and San Bernardino counties, including the Coachella Valley.
