CHAPTER 1 INTRODUCTION..... 1
 What Is The Technical Guidance Document? 2
 What Is Title V? 2
 How Is Title V Implemented In The AQMD? 2
 Getting Help From AQMD Staff 3
 Keeping Current With Title V Developments..... 3
CHAPTER 2 APPLICABILITY DETERMINATION..... 5
 Introduction..... 6
 What Criteria Determine If A Facility Is Subject To Title V? 6
 What Classifies A Facility As A Major Stationary Source? 6
 What Is A Major Stationary Source?..... 6
 What Is A Non-Major Stationary Source? 7
 Phase One 8
 Phase Two 9
 Why Do The Emission Thresholds Differ By Area? 9
 Facilities Subject To The Federal Title IV Acid Rain Program 11
 Facilities Operating Solid Waste Incineration Units Permitted Under Federal Clean Air Act Section 129(e) 11
 Facilities Subject To New Source Performance Standards (NSPS) 12
 Facilities Subject To National Emission Standard For Hazardous Air Pollutants (NESHAP) 12
 Facilities With Actual Emissions That Exceed The Title V Thresholds 13
 Is An Initial Title V Permit Application Required?..... 13
 Requesting To Be Exempted From The Title V Permitting Program 14
 Criteria To Determine Exemption From Title V 14
 Federal Title V Exemption Criteria 14
 State Of California Title V Exemption Criteria 14
 AQMD Title V Exemption Criteria..... 14
 Facilities that Could Become Subject To Title V In The Future 16
 Determining If A New Facility Will Be Subject To Title V..... 17
CHAPTER 3 THE PERMIT APPLICATION PROCESS FOR AN INITIAL TITLE V PERMIT 19
 Introduction..... 20
 Initial Title V Permit Application..... 20
 Deadline For Filing The Initial Title V Permit Application. 20
 What Permit Application Forms Must Be Included In The Initial Title V Permit Application?.. 21
 Form 400-A Application For Permit To Construct And Permit To Operate 23
 Form 500-A2 Application Certification..... 23
 Form 500-B List Of Exempt Equipment 23
 Form 500-C1 Compliance Status Report 23
 Form 500-H Compliance Assurance Monitoring Applicability Determination Form 24
 Form 500-C2 Non-Compliant Operations Report And Compliance Plan 24
 Permit Application Requirements For Facilities With AQMD Permit History..... 24
 Permit Application Requirements For New Facilities With No AQMD Permit History..... 26
 When Is The Application Deemed Complete? 26
 The Requirements For Submitting Additional Information 26
 Who Can Qualify As A Responsible Official? 27
 For a Corporation 27

For a Partnership..... 28

For a Sole Proprietorship 28

For a Municipality, State, Federal, or Other Public Agency..... 28

For Phase II Acid Rain Facilities That Are Not A Corporation, Municipality, State, Federal,
Or Other Public Agency..... 28

Submitting An Application To Modify Or Add Equipment While The Initial Title V Permit
Application Is Pending..... 28

What Is An Application Shield?..... 31

What Is An Alternative Operating Scenario?..... 31

What Is A Permit Shield?..... 31

Applications That Contain Confidential Information..... 32

Information In The Application Is Incorrect Or Incomplete 32

The Applicant Can Request To Streamline The Application..... 33

Forms Required From Acid Rain Facilities 33

CHAPTER 4 THE PERMIT RENEWAL PROCESS 35

Permit Renewal Application 36

CHAPTER 5 ADMINISTRATIVE CHANGES AND PERMIT REVISIONS..... 39

Permit Revision Applications..... 40

Permit Revision Types..... 40

Administrative Revision 40

Minor Revision..... 41

Group Processing Of Minor Permit Revisions..... 42

De Minimis Significant Revision 42

Significant Revision 43

Examples Of Permit Revisions..... 45

Required Forms to Revise a Title V Permit..... 46

Circumstances Allowing An Operational Change That Is Not Expressly Allowed In The
Permit Without Obtaining A Permit Revision..... 47

CHAPTER 6 FEES..... 49

Introduction..... 50

What Are The Fees For An Initial Title V Permit? 50

What Are The Fees For Permit Renewals? 51

What Are The Fees For Permit Revisions?..... 52

What Are The Fees For Public Notices? 52

Public Hearing Fees 52

Fees For Processing Requests To Be Excluded From Title V 52

CHAPTER 7 THE PERMITTING PROCESS AND PUBLIC PARTICIPATION..... 55

Introduction..... 56

What Does A Title V Permit Contain? 56

What Are The Legal Requirements For A Title V Permit? 56

What Types Of Equipment Will Not Be Listed On The Title V Permit?..... 59

*What Is The Relationship Between Existing Equipment-Based Permits And The Title V
Permit?*..... 59

How Will The Title V Permit Be Structured? 60

*Does A Title V Permit Have To Include Both Versions Of A Local Rule If A Previous Version
Is Federally Approved Into The SIP But The More Recent Amended Version Of The Local
Rule Is Not Yet SIP-Approved?* 62

*As A RECLAIM Facility, The Equipment-Based Permits Have Already Been Replaced By A
Single Facility Permit. Why Is It Necessary To Get Another Facility Permit?*..... 63

What Are Federal Compliance Assurance Monitoring (CAM) Requirements? 63

What Are Federal Periodic Monitoring Requirements?..... 63

How is Application Completeness Determined?..... 64

How Are Title V Applications Evaluated For Completeness? 64

*How Much Time Does AQMD Have To Make An Application Completeness Determination?*64

What If I Receive A Notice Deeming My Application As Incomplete? 65

What Is The Permitting Process For Initial Title V Permit Applications? 65

What Is The Evaluation Process For An Initial Title V Application?..... 65

How Does The Secondary Review Process Work?..... 66

How Is The Public Notified?..... 68

What Information Is Provided In The Public Notice? 68

What Is The Time Period During Which A Person May Provide Comment On The Proposed Title V Permit? 68

What Is The Time Period During Which A Person May Request A Public Hearing On A Proposed Title V Permit?..... 68

What Information Must Be Provided In A Request For A Public Hearing Regarding A Proposed Permit? 69

What Happens After A Request For Public Hearing Is Submitted?..... 69

Who Is Responsible For The Expenses Associated With The Public Hearing?..... 70

Are Adjacent States Notified Of AQMD Title V Permitting Actions? 70

What Are The Requirements For AQMD Submittal Of Title V Applications And Permits To EPA?..... 70

What Actions Can EPA Take During The 45-Day Review Period? 70

What Are AQMD's Options When It Receives Comments From EPA On A Proposed Title V Permit?..... 71

Can The Public Object To A Proposed Permit After The Public Comment Period Has Closed? 71

What Happens If, As A Result Of A Public Petition, AQMD Receives An EPA Objection To A Proposed Title V Permit After EPA's 45-Day Review Period?..... 71

What Is The Permitting Process For Title V Permit Revision Applications? 72

How Are Title V Permit Revision Applications Evaluated? 72

What Is The Review Process For Administrative Revisions? 72

What Is The Review Process For Minor Permit Revisions? 72

How Long Will It Take To Process An Application For A Minor Permit Revision?..... 72

What Is Group Processing Of Minor Permit Revisions? 72

How Long Will It Take To Process Grouped Applications For Minor Permit Revisions?..... 73

What Is The Review Process For De Minimis Significant Permit Revisions? 73

How Long Will It Take To Process An Application For A De Minimis Significant Permit Revision? 73

What Is The Review Process For Significant Permit Revisions?..... 73

How Long Will It Take To Process An Application For Significant Permit Revision?..... 73

What Is Operational Flexibility? 75

What Changes Which Violate A Permit Term Or Condition Can Be Made Under Operational Flexibility? 75

What Are The Requirements For Emissions Trading Under Operational Flexibility? 76

What Are Examples Of The Changes That May Be Made Under Operational Flexibility? 77

What Are Examples Of The Changes That May Not Be Made Under Operational Flexibility? 77

Can AQMD Or EPA Reopen A Title V Permit After The Permit Is Issued? 78

How Are Title V Permits Renewed? 79

What Is The Term Of A Title V Permit? 79

What Is The Procedure For Renewing A Title V Permit?..... 79

What Opportunities For Permit Streamlining Are Available? 79

CHAPTER 8 COMPLIANCE **81**

Introduction..... 82

What Is Required In Title V?..... 82

What Are The Reporting Requirements Of Title V? 83

When Is A Deviation Reportable?..... 84

What Is An Emergency? 85

What Is A Breakdown? 85

What Are Excess Emissions? 86

What Are Other Deviations? 86

What If The Facility Is Not In Compliance? 86

What Are The Consequences For Failure To Comply? 87

Who Can Enforce Title V? 87

AQMD Enforcement Authority..... 87

EPA Enforcement Authority 87

What Is “Federally Enforceable”? 87

Citizen Enforcement..... 88

How Is A Facility Protected From Enforcement Action Upon Discovering Non-Compliance? 88

 Variance And Alternative Operating Condition 89

Petitioning For A Variance Or Alternative Operating Condition 90

When Does An AOC Become Effective?..... 91

What Is A Semi-Annual Monitoring Report And When Is It Due?..... 91

What Is The Annual Compliance Certification?..... 92

When Does A Facility Submit An Annual Compliance Certification?..... 92

How Can The Facility Perform An Annual Compliance Certification? 93

APPENDIX A LIST OF ACRONYMS AND ABBREVIATIONS 95

APPENDIX B DETERMINING FACILITY EMISSIONS FOR TITLE V APPLICABILITY 97

Introduction 98

What Pollutants Need To Be Included In The Applicability Determination?..... 98

What Emission Sources Must Be Included In The Applicability Determination?..... 103

What Are Considered Fugitive Emissions? 104

Determination Of Actual Emissions For Title V Applicability..... 109

Determination Of PTE For Title V Applicability..... 109

APPENDIX C NATIONAL EMISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS (NESHAPS) 123

APPENDIX D APPLICATION AND PERMIT STREAMLINING OPPORTUNITIES 129

Introduction 130

Application Streamlining 130

What Areas Of Application Streamlining Have Been Incorporated Into AQMD’s Title V Application Forms? 130

Can A Facility Certify Compliance Based Upon AQMD Rules Pending SIP Approval By EPA Rather Than On The SIP-Approved Versions? 131

Permit Streamlining 131

May A Title V Permit Contain References To Specific Applicable Requirements Or Other Existing Information That Is On Record With AQMD?..... 131

How Will AQMD Resolve Conflicting Permit Requirements?..... 131

May An Applicant Request Streamlining Of Multiple Redundant Or Overlapping Requirements? 132

What Criteria Are Applicable To The Streamlining Of Redundant Or Conflicting Requirements? 133

What Must Be Included In An Application For Permit Streamlining? 134
