South Coast Air Quality Management District (South Coast AQMD) staff invites you to attend a Public Consultation Meeting for the WAIRE Program Technology Assessment. The Public Consultation Meeting will provide stakeholders with an opportunity to work with South Coast AQMD staff on the proposed Technology Assessment and to discuss key issues or concerns.

A copy of the presentation will be provided in a subsequent notice.

For additional documents pertaining to the WAIRE Program Technology Assessment, please visit the [WAIRE Program Technology Assessment Page](#) of the South Coast AQMD's [WAIRE Program Website](#).

For more information, please contact:

WAIRE Program Staff
waire-program@aqmd.gov
(909) 396-3140

The Public Consultation Meeting will only be conducted via video conferencing (Zoom), which can be accessed via your computer or smart phone. Alternatively, stakeholders can phone in to participate. If you have general questions or concerns about these meetings or their format, please contact Kalam Cheung at kcheung@aqmd.gov or (909) 396-3281.

Public Records

Please note that under the California Public Records Act (Gov't. Code § 7920.000 et seq.) your written and oral comments, attachments, and associated contact information (e.g., your address, phone, email) become part of the public record and can be released to the public on request or posted on South Coast AQMD's website.

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the Public Consultation Meeting. In addition, documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the South Coast AQMD. Please contact Myrna Nunez at (909) 396-2199 from 6:00 a.m. to 4:30 p.m., Tuesday through Friday, or send the request to mnunez1@aqmd.gov.
