

Cooperative Agreement With The Ports Of Long Beach & Los Angeles

COMMUNITY MEETING

South Coast AQMD and the Ports of Long Beach and Los Angeles are hosting a hybrid community meeting to discuss potential new measures to complement the Cooperative Agreement that recently went into effect. The current Cooperative Agreement is an enforceable contract that focuses on planning and implementation of zero-emission port infrastructure. The purpose of this meeting is to provide a forum for interactive discussions of potential additional measures that will facilitate near- and long-term emission reductions in port emissions.
