

Residential Electric Lawn & Garden Equipment Rebate Program - Approved Dismantlers List

Participants of the South Coast Air Quality Management District (South Coast AQMD) Residential Electric Lawn & Garden Equipment Rebate Program are required to surrender their existing, fully functional gasoline-powered lawn and garden equipment to a participating dismantler for permanent destruction.

This list may be updated periodically as new dismantlers are added to the Program. For questions or assistance, please contact program staff at 888-425-6247 or via email at lawnmower@aqmd.gov.
