Subject: URGENT: Please Vote NO to Rules 1111 and 1121 on June 6

Dear Chairwoman Delgado,

I am writing to oppose Proposed Amended Rules 1111 and 1121, and urge you to vote NO.

SCAQMD staff's amended language still shifts the burden onto consumers, forcing us to choose between unaffordable electric heat pumps or paying higher costs through new manufacturer fees just to keep using natural gas appliances.

Neither is a good choice with the cost-of-living skyrocketing and many of us barely getting by as it is.

Most residents still don't know these sweeping changes are even being considered. SCAQMD has not done enough to inform the public, and we deserve better transparency.

I strongly urge you to vote NO on Amended Rules 1111 and 1121 on June 6.

Sincerely,
