

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

Local Government Funder	Motor Vehicle Revenues (FY08-09)	Motor Vehicle Revenues (7/1/08 through 12/31/09 = 1/2 FY08-09)*	Motor Vehicle Revenues (1/1/09 through 6/30/09 = 1/2 FY08-09)	Project
SC Agoura Hills	\$26,474	n/a	\$13,237	Toyota Prius
SC Alhambra	\$130,922	n/a	\$65,461	Planned projects for use of these funds include an alternate fueled street sweeper as well as capital improvements to our CNG fueling station and continue purchasing alternate fueled vehicles.
SC Aliso Viejo	\$51,706	n/a	\$25,853	Design has been completed on the Bike Trail (8-a), construction is underway. In addition, the City is also looking to implement a Bicycles project i.e. Other Bicycle Facilities (8-b). The intention is to provide Bicycle Racks, and lockers along the City's Town Center Trail Loop. This will assist with making the City more pedestrian and bicycle friendly as well as enhance the street system aesthetically. The City would like to earmark its AQMD monies for these projects.
SC Anaheim	\$404,839	n/a	\$202,420	Go Local transportation program. Development of transportation hub.
SC Arcadia	\$65,177	n/a	\$32,589	Continue TDM program through rideshare program; participate in regional transportation planning efforts with SGVCOG; installation of diesel particulate matter filters to the existing public works vehicles to meet CARB's Rule 13; replacement of two diesel powered street sweepers with CNG powered vehicles (carried forward from FY08-09)
SC Artesia	\$19,357	n/a	\$9,679	Traffic Signal Synchronization Equipment Upgrade
SC Azusa	\$56,737	n/a	\$28,369	Alternative fuel vehicles
SC Baldwin Park	\$94,670	n/a	\$47,335	Turn over of fleet vehicles from gas/diesel to hybrid/CNG; installation of fast fill CNG facility
SC Banning	\$33,030	n/a	\$16,515	Purchase alternative fuel replacemnt vehicle and traffic synchronization
SC Beaumont	\$27,425	n/a	\$13,713	CNG Vehicles
SC Bell	\$45,209	n/a	\$22,605	Purchase of Alternative Fuel/Hybrid Vehicles
SC Bell Gardens	\$54,539	n/a	\$27,270	
SC Bellflower	\$90,058	n/a	\$45,029	Pedestrian/Bike Path
SC Beverly Hills	\$40,925	n/a	\$20,462	Total balance brought forward planned for rideshare program, low or zero emission vehicle purchase to replace retiring vehicles and infrastructure. Proposed bus stop shelter/amenities enhancements.
SC Big Bear Lake	\$7,175	n/a	\$3,588	Continue bicycle master plan review
SC Brea	\$46,752	n/a	\$23,376	This amount will be used to subsidize the Brea Transportation Program.
SC Buena Park	\$96,533	n/a	\$48,267	These funds are earmarked for the maintenance and operations of the new metrolink multi-modal transportation facility.
SC Burbank	\$92,567	n/a	\$46,284	These funds will be used to cover a portion of the salary and benefits of the Employee Rideshare Coordinator's full-time position for next year as well as the cost increases for the ECRP program enhancements for FY 2009/2010. Unappropriated funds may also be used as leverage for grants for qualifying infrastructure or projects as needed throughout the year.
SC Calabasas	\$33,516	n/a	\$16,758	Monies earmarked for the lease/purchase of 9 Honda Civic Hybrid, Super Ultra Low Emission Vehicles.
SC Calimesa	\$7,087	n/a	\$3,544	Applied for grant funds thru WRCOG for CNG vehicle; if grant not received the City will purchase CNG vehicle with AQMD funds. If grant received, funds will be used for traffic congestion relief on County Line & Calimesa Blvd.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Canyon Lake	\$12,204	n/a	\$6,102	To purchase alternative fuel vehicle
SC Carson	\$83,940	n/a	\$41,970	
SC Cerritos	\$79,642	n/a	\$39,821	Funds for future rideshare and trip reduction programs provided by the City of Cerritos.
SC Chino	\$96,560	n/a	\$48,280	Funds obligated to the Citywide Traffic Monitoring/Control System Project; Alternative Fuel Vehicle Purchases(CNG);Alternative Fuel Infrastructure Upgrades(CNG)
SC Chino Hills	\$92,218	n/a	\$46,109	Retrofit Diesel Equipment for particulates traps on exhaust systems: 02 GMC Asphalt Patch Truck, 04 Sterling Vector, 06 Freightliner Brush Truck, 06 Freightliner Dump Truck, 05 Ford F 550 Service Truck; Retrofit new 12 passenger vans with CNG, Install 2 spheres for CNG storage.
SC Claremont	\$42,274	n/a	\$21,137	Funds have been earmarked for use to construct a portion of the "Citrus Regional Bikeway" through the City of Claremont. Approximately \$200,000 is needed to help fund construction of this \$1,500,000 project during FY 2010-11. All remaining unused funds are earmarked for use toward: transit incentives for employees and/or sub-regional clean air planning activities conducted by the San Gabriel Valley Council of Governments.
SC Colton	\$60,595	n/a	\$30,298	The City has earmarked the a total of 87,004.46. for the purchase of two CNG passenger vans. The City will than have a remainder balance of 121,176.54 balance in the AB 2766 fund account. The City is earmarking these funds for the purchase of One Medium Duty CNG Truck for the Streets Department.
SC Commerce	\$15,699	n/a	\$7,849	
SC Compton	\$116,064	n/a	\$58,032	
SC Corona	\$172,417	n/a	\$86,209	Procurement of CNG-powered Honda Civics, Alternative Fuel Vehicle Rebate Program, Bus Monthly Pass Incentive Program, Metrolink Monthly Pass Incentive Program, and Bike Facilities & Purchase Program.
SC Costa Mesa	\$143,134	n/a	\$71,567	Various projects have been funded, and are indentified by fiscal year, in a spreadsheet sent together with the City's CAFR.
SC County of LA	\$933,447	n/a	\$466,724	
SC County of Orang	\$138,350	n/a	\$69,175	Two categories are earmarked: 1) Employee Rideshare Incentive Program \$25K; 2) Alternative Fuel Infrastructure \$425K.
SC County of Rivers	\$589,624	n/a	\$294,812	The "Earmarked" funds can include any of the following: 1) \$122,00 purchase of alternative fuel Heavy-Duty vehicles 2) \$78,000 is earmarked for COG activities 3)\$300,000 is earmarked for retrofit and repower of off-road equipment. 4) \$125,000 is earmarked for a new state of the art Video Conference system. 5) The remainder is set aside for various other air quality projects such as; the County's rideshare program, VT expenses and contributions to the County's work on reigonal air pollution reduction programs.
SC County of San B	\$204,404	n/a	\$102,202	purchase new low emitting alternative fueled vanpool vehicles for mountain areas, Metrolink employee shuttle project.
SC Covina	\$57,680	n/a	\$28,840	Upgrade CNG Station with MSRC Matching Funds, support on going air quality projects, and possible purchase of alternative fuel vehicle.
SC Cudahy	\$29,528	n/a	\$14,764	
SC Culver City	\$47,469	n/a	\$23,734	\$96,700 to offset CNG engine purchase of three (3) paratransit buses; \$15,000 for offset purchase of CNG sedan.
SC Cypress	\$57,218	n/a	\$28,609	Continuation of the City's vanpool program, as well as the continued expansion of the City's "Green Fleet".
SC Dana Point	\$43,103	n/a	\$21,552	
SC Diamond Bar	\$51,419	n/a	\$25,709	Funding reserve for alternative fuel vehicles.
SC Downey	\$132,057	n/a	\$66,029	CN FUELING FACILITY

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Duarte	\$26,510	n/a	\$13,255	City will be retrofitting two fleet vehicles with add on control equipment to comply with CA Air Resource Bd requirements and continue with reported projects
SC El Monte	\$146,541	n/a	\$73,270	Project 1; Purchase Type 3 CNG Cutaway Buses \$100,000. Project 2; Bicycle Facility Lockers \$60,000 Project. 3; Bicycle Lanes and Trail Improvements \$15,000.
SC El Segundo	\$19,178	n/a	\$9,589	Funds for FY 09-10 for the purchase of two new Hybrid AT-PZEV fleet vehicles for Planning and Building Safety inspections.
SC Fontana	\$220,448	n/a	\$110,224	PE Train Segement 6
SC Fountain Valley	\$52,507	n/a	\$26,254	\$320,000 is earmarked for the purchase of a CNG sewer vactor truck anticipated for delivery by May 2010. This will replace an older, diesel powered unit that is well beyond its useful service life.
SC Fullerton	\$160,733	n/a	\$80,367	Funds to be earmarked (encumbered) 1) to lease/purchase a number of alternative fuel vehicles for use in city pool car fleet (1-a), 2) for funding of other bicycle facilities (8-b), 3) for funding of land use strategies (3-), and 4) for funding of a new employer based work-related trip reduction program (6-a)
SC Garden Grove	\$202,222	n/a	\$101,111	\$61,000 of the carried forward earmarked funds is to match funds towards replacing heavy duty diesel vehicle with an alternate fuel heavy duty vehicle; \$15,000 continued the automation of ECRP participation tracking program; \$28,000 was used for land use research and planning elements, and \$16,000 was used for new clean fuel purchase rebate.
SC Gardena	\$72,130	n/a	\$36,065	Rideshare Program Development
SC Glendale	\$234,542	n/a	\$117,271	\$400,000 to be spent as local match on 2008 bus purchase for two (2) CNG 401 public transit buses.
SC Glendora	\$60,958	n/a	\$30,479	1. \$35,000 has been set aside in FY 2006-07 and 2007-08 for the implementation and development of a Pedestrian, Hiking/Equestrian Trails Master Plan but as of this report has not been expended for this purpose. The monies for this project are intended to be encumbered by FY2010-11. 2. \$7,851 was earmarked for use in FY 2008-09; however, funds are proposed to be encumbered in FY 2009-10. 3. \$30,000 is being earmarked for use in FY 2009-10 for a portion of the funding required for purchase of a CNG 16 peassenger cutaway for a new teen/middle school shuttle. 4. \$100,000 is being earmarked for use in FY2010-11 for purchase of a new 16-18 passenger alternative fueled transit vehicle for use as a new Village Transit Loop vehicle.
SC Grand Terrace	\$14,546	n/a	\$7,273	Emissions control equipment on diesel fuel equipment. Along with CNG fueling station/ EV Fueling Station maintenance
SC Hawaiian Garde	\$17,371	n/a	\$8,686	
SC Hawthorne	\$103,652	n/a	\$51,826	
SC Hemet	\$86,637	n/a	\$43,319	CNG Infrastructure, Alt Fuel Street Sweeper, PM reduction
SC Hermosa Beach	\$22,714	n/a	\$11,357	
SC Hidden Hills	\$2,555	n/a	\$1,278	purchase of electric or fuel efficient vehicle
SC Highland	\$61,280	n/a	\$30,640	Signal timing efficiency and diesel truck retrofit
SC Huntington Beac	\$236,231	n/a	\$118,116	Transit Center \$250,000; ECRP Program \$90,000; Civic Center bicycle racks & employee bicycle lockers \$25,000; Alternate fuel vehicles \$100,000; Particulate traps \$100,000; Shuttle service \$55,000; Infrastructure improvement for commuter locker, shower, changing room \$100,000
SC Huntington Park	\$75,599	n/a	\$37,800	
SC Inglewood	\$137,408	n/a	\$68,704	We purchased 4 alternative fuel heavy duty equipment trucks.
SC Irvine	\$240,447	n/a	\$120,224	\$881,843 Irvine Shuttle Service, \$375,000 Parking Structure, \$30,000 conversion of vehicle to CNG and \$24,822 for capital project.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Inwindale	\$1,843	n/a	\$922	Support COG activities for Coordination for the Low Emission Clean fleet, coordination with Metro on regional transportation issues and Congestion pricing
SC La Canada Flinti	\$16,997	n/a	\$8,498	For FY 2008-09 the "Earmarked" expenditure amount was \$180,000 was in support of the "Link and Gateway" project that will be continued to FY 2009-10, as the project was postponed due to a development adjacent to the site that will impact the project's design.
SC La Habra	\$73,130	n/a	\$36,565	
SC La Habra Height	\$7,058	n/a	\$3,529	
SC La Mirada	\$58,660	n/a	\$29,330	FUND EARMARKED FOR TELEGRAPH ROAD REALIGNMENT PROJECT-TO REDUCE TRAFFIC CONGESTION
SC La Palma	\$17,585	n/a	\$8,793	
SC La Puente	\$50,335	n/a	\$25,168	Future purchase of Alternative Fuel vehicles for City Manager and City Staff.
SC La Verne	\$39,594	n/a	\$19,797	Remaining of original earmark of \$114,000.
SC Laguna Beach	\$28,671	n/a	\$14,336	Projects for FY 2009/10: (1) Free main Line Transit Service will be offered during the Summer of 2010 at a cost of \$12,000. (2) The free Ride to Work program is being offered again this fiscal year at a projected cost of \$15,000. (3) \$1,700 will be spent on advertisement of the programs. (4) \$77,000 in unspent funds will be used towards the purchase of 3 propane powered trolleys at a cost of \$722,000. Other funds from ARRA, SCAQMD, and the City's LTF (TDA) claim funds will also be used towards the purchase.
SC Laguna Hills	\$38,365	n/a	\$19,183	The planned expenditure of the earmarked funds are for Alicia Parkway and La Paz Road Traffic Signal Synchronization projects. The proposed projects consist of interconnection and coordination of traffic signals. Through these projects, the City plans to moderate vehicle speeds and reduce vehicle idling which enhances air quality. Construction of these projects are scheduled in FY 09-10.
SC Laguna Niguel	\$78,090	n/a	\$39,045	Of this amount, \$181,223 is earmarked for maintenance and operating costs for the Laguna Niguel/Mission Viejo Metrolink Station (50% shared with the City of Mission Viejo) and the remainder is earmarked for traffic management operating costs.
SC Laguna Woods	\$20,398	n/a	\$10,199	
SC Lake Elsinore	\$58,127	n/a	\$29,063	Central Ave & Railroad Canyon Signal Synchronization, Citywide Signal Synchronization, Possible replacement of heavy duty vehicles.
SC Lake Forest	\$91,469	n/a	\$45,735	
SC Lakewood	\$97,514	n/a	\$48,757	Purchase of 3 alternative fuel vehicles for Lakewood's fleet in FY 09-10. CNG fuel station upgrade in FY 10-11.
SC Lawndale	\$39,102	n/a	\$19,551	CNG medium duty truck replacement \$45,000 & \$15,900 for CNG Service Station repairs.
SC Loma Linda	\$26,152	n/a	\$13,076	Purchase of alternate fuel vehicles
SC Lomita	\$24,501	n/a	\$12,251	Use of funds reserved for CNG street sweeper contract services cost differential. Amount also includes anticipated maintenance of Bicycles for Lomita Bike Patrol.
SC Long Beach	\$574,565	n/a	\$287,283	Bicycle Planning and Promotions \$300,000.00; Air Quality/SB375 \$150,000.00; Bikeway Improvements 750,000.00
SC Los Alamitos	\$13,714	n/a	\$6,857	
SC Los Angeles (City)	\$4,720,863	n/a	\$2,360,432	The City of Los Angeles reports as funds earmarked those amounts both allocated and proposed for allocation during the City's extended budgeting process for future years.
SC Lynwood	\$40,151	n/a	\$20,075	
SC Malibu	\$21,436	n/a	\$10,718	For CNG fueling station maintenance and EV recharging maintenance

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Manhattan Beach	\$41,523	n/a	\$20,761	The City of Manhattan Beach still plans to use the balance of its AB 2766 funds to complete a large-scale upgrade/expansion of its CNG fueling station in the next year. Recent news of a commercial CNG fueling station being installed by a private company may change these plans. Depending on the outcome, the City may seek to refuel at that private CNG station and instead dedicate our fund balance to expanded CNG vehicles including buses and/or regular fleet replacements (with new purchases being CNG-fueled).
SC Maywood	\$34,331	n/a	\$17,166	
SC Menifee	\$62,169	n/a	\$31,085	PM Reduction- Dust Control- Paving or composite fill of dirt roads.
SC Mission Viejo	\$115,200	n/a	\$57,600	The City's FY09-10 budget includes AB2766 funding for traffic signal coordination, air quality planning, Sustainable Communities Strategy work, and the City's AB2766 financial audit work.
SC Monrovia	\$33,505	n/a	\$16,753	Funds will be used as a portion of matching funds required for Transif Village project. Improvements included traffic calming measures and new bus stop amenities.
SC Montclair	\$42,571	n/a	\$21,286	Partially offset purchase price of alternative fuel street sweeper and rideshare program support.
SC Montebello	\$76,436	n/a	\$38,218	Purchase of hybrid vehicles and CNG fueling station
SC Monterey Park	\$73,722	n/a	\$36,861	Alternative fueled vehicle replacement and CNG fueling system upgrades.
SC Moreno Valley	\$213,283	n/a	\$106,641	Traffic Signal Coordination Program; Road Dust Control Program; Vehicle Emissions Abatement Program
SC Murrieta	\$114,570	n/a	\$57,285	Traffic Signal Optimization/Congestion Management project (8330); Traffic light synchronization program (4837); RTA subsidy for MSJC student bus fares during program period
SC Newport Beach	\$98,737	n/a	\$49,368	
SC Norco	\$30,771	n/a	\$15,386	Purchase four golf carts for \$16,000 total (\$4,000 each) and two hybrids for \$50,000 total (\$25,000 each).
SC Norwalk	\$128,289	n/a	\$64,145	Administrative costs, operating costs for I-5 Consortium Cities, differential cost for alternative fuel street sweeping contract, construction of concrete bus pads on public transit routes
SC Ontario	\$203,131	n/a	\$101,566	Planned efforts include expansion of storage capacity to reduce energy consumption and increase supply reliability to the City and public users; expansion of slow-fill system including line and dispensers to accommodate additional alternative fuel vehicles; replacement of flow meters to regulate and control flow of gas; backup power system improvements to ensure CNG availability during power outages; and public dispenser upgrades.
SC Orange (City)	\$160,890	n/a	\$80,445	Funds earmarked to upgrade master traffic signal synchronization hardware and controllers.
SC Palos Verdes Es	\$14,212	n/a	\$7,106	Funds accumulated and conceptually obligated or "earmarked" by the city council or Board of Supervisors for specific uses in the future but have NOT been officially obligated or spent. Alternative fuel or hybrid vehicles will be purchased when possible for vehicle replacement.
SC Paramount	\$92,035	n/a	\$46,018	Earmarked for purchase of Street Sweeper and Hybrid Vehicle in FY 2010.
SC Pasadena	\$169,236	n/a	\$84,618	Continue to implement employee rideshare activities.
SC Perris	\$62,568	n/a	\$31,284	Natural Gas Vehicle Program
SC Pico Rivera	\$75,477	n/a	\$37,738	
SC Placentia	\$60,372	n/a	\$30,186	Provides funds for Intersection Improvements (\$44,717), Traffic Operations (\$190,000) and Fuel Efficient Vehicles (\$210,000)
SC Pomona	\$190,764	n/a	\$95,382	These funds are earmarked for FY09/10 and FY10/11 to purchase and install particulate matter reduction devices (DPMRD) on fleet vehicles, three traffic modification projects, one (1) CNG station, one (1) citywide street signal synchronization project, and a traffic operations/communications center upgrade and facility improvement.
SC Rancho Cucamonga	\$328,854	n/a	\$164,427	The earmarked funds are budgeted in FY09/10 to purchase multiple fuel efficiency vehicles.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Rancho Palos Verdes	\$50,124	n/a	\$25,062	
SC Rancho Santa Monica	\$58,076	n/a	\$29,038	Electric vehicle charging stations. Count down pedestrian signal heads.
SC Redlands	\$83,856	n/a	\$41,928	Funds earmarked for alternative fuel and/or hybrid vehicles to be used as pool cars.
SC Redondo Beach	\$78,771	n/a	\$39,386	Earmarked funds are matching funds for purchase of paratransit and fixed route vehicles.
SC Rialto	\$115,058	n/a	\$57,529	Future rideshare activities
SC Riverside (City)	\$346,960	n/a	\$173,480	Earmarked funds are those reserved for the following projects: 1. The Riverside Go Transit Program which will subsidize local Riverside Transit Agency bus passes for City of Riverside residents. 2. The City Alternative Fuel Vehicle Rebate Program which offers incentive toward the purchase of alternative and clean hybrid fueled vehicles for City of Riverside residents. 3. CNG infrastructure development at the City of Riverside Regional Water Quality Control Plant.
SC Rolling Hills Estates	\$8,852	n/a	\$4,426	Palos Verdes Dr N Bike Lane Project
SC Rosemead	\$64,648	n/a	\$32,324	The City Council has earmarked the AQMD funds to purchase new alternative fuel vehicles listed in the City's vehicle replacement schedule.
SC San Bernardino	\$245,794	n/a	\$122,897	A parking meter project in the downtown area was planned and funds were encumbered this FY; however, due to an unexpected legal matter (parking district ordinance) the project has been delayed.
SC San Clemente	\$79,277	n/a	\$39,639	Left over funds will be used on traffic calming and projects that have not been identified
SC San Dimas	\$42,891	n/a	\$21,446	alt.fuel vehicles
SC San Fernando	\$29,384	n/a	\$14,692	This allocation will be carried forward this year in order to accumulate enough funds to purchase a CNG Dump Truck.
SC San Gabriel	\$49,163	n/a	\$24,581	Alternative fueled vehicles.
SC San Jacinto	\$41,572	n/a	\$20,786	Acquisition of a propane powered dump truck.
SC San Juan Capistrano	\$42,894	n/a	\$21,447	E-Government software related to trip reduction to City Hall
SC San Marino	\$15,582	n/a	\$7,791	Continue diesel exhaust system installations; replacement of fleet vehicles.
SC Santa Ana	\$416,275	n/a	\$208,138	These funds are appropriated for clean fuel vehicles and CNG infrastructure for the City fleet.
SC Santa Clarita	\$152,397	n/a	\$76,199	
SC Santa Fe Springs	\$20,085	n/a	\$10,043	
SC Santa Monica	\$106,792	n/a	\$53,396	Earmarked for partial funding of Alt Fuel Vehicles and Infrastructure & Alt Car Expo or Public Education
SC Seal Beach	\$29,650	n/a	\$14,825	32,292 Fund balance for the Senior Bus Program and Electric Vehicle Charging Costs throughout the City.
SC Sierra Madre	\$15,242	n/a	\$7,621	The city will be paying \$1000 for the annual membership dues to San Gabriel Valley Council of Govt. \$600 will be paid administrative cost and \$30,000 will be paid to purchase CNG-fueled Vehicles for the Public Works Department.
SC Signal Hill	\$12,965	n/a	\$6,483	
SC South El Monte	\$25,996	n/a	\$12,998	Continue implementing Buss Pass Program and Pay for SGVGOG Dues
SC South Gate	\$119,164	n/a	\$59,582	Continue with the City's emphasizes to carry on its effort to convert to clean fuel system; continue promotion of in house rideshare program and development of a portion of the City's General Plan Circulation Element
SC South Pasadena	\$29,964	n/a	\$14,982	To purchase a Prius in FY 2010-2011
SC Stanton	\$33,532	n/a	\$16,766	
SC Temecula	\$117,106	n/a	\$58,553	Funds are programmed in the Fiscal Year 2010-2014 Capital Improvement Program for the design and construction of the Meadows Parkway Bike Lane, Santa Gertrudis Pedestrian Bicycle Trail and Temecula Park and Ride.
SC Temple City	\$41,609	n/a	\$20,804	Purchase Ford Escape Hybrid for Code Enforcement Department

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Torrance	\$174,215	n/a	\$87,108	These funds are earmarked for replacement of vanpool vehicles and program incentives.
SC Tustin	\$84,929	n/a	\$42,465	Earmarked for the purchase of an alternative fuel street sweeper
SC Upland	\$87,750	n/a	\$43,875	Continue to support rideshare activities
SC Villa Park	\$6,594	n/a	\$3,297	NGV pump station upgrades and equipment replacement
SC Walnut	\$36,737	n/a	\$18,368	Earmarked funds for future alternative fuel vehicle purchase.
SC West Covina	\$96,541	n/a	\$48,271	Purchase (2) hybrid vehicles to replace pool and building inspector vehicles
SC West Hollywood	\$43,816	n/a	\$21,908	
SC Westlake Village	\$10,247	n/a	\$5,124	Funds being allocated for acquisition/operation of electric/gasoline and CNG vehicles.
SC Westminster	\$108,795	n/a	\$54,398	\$11,073 Rideshare van replacement. \$110,000 for CNG fueling station @City Yard. \$40,500 for Senior Transportation, \$20,000 for Senior Meal Program. \$144,350 for administration of Ride Sharing and Van Pool Programs
SC Whittier	\$110,353	n/a	\$55,177	Funds earmarked for the Whittier Greenway Trail - Class 1 bikeway in Whittier.
SC Wildomar	\$35,773	n/a	\$17,887	Unpaved Roadway Enhancement Program
SC Yorba Linda	\$78,605	n/a	\$39,303	Purchase of Alternative fuel vehicle
SC Yucaipa	\$60,651	n/a	\$30,326	Funds earmarked for four local projects including pedestrian/bicycle train/sidewalks

TOTAL 12/31/08 (CY2009) **\$9,393,800**

Local Government Funder	Motor Vehicle Revenues (FY09-10)	Motor Vehicle Revenues (7/1/09 through 12/31/09 = 1/2 FY09-10)	Motor Vehicle Revenues (1/1/10 through 6/30/10 = 1/2 FY09-10)	Project
SC Agoura Hills	\$27,120	\$13,560	\$13,560	Signal Synchroniztion
SC Alhambra	\$100,966	\$50,483	\$50,483	Planned projects for use of these funds include an alternate fueled street sweeper as well as capital improvements to our CNG fueling station and continue purchasing alternate fueled vehicles.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Aliso Viejo	\$52,081	\$26,041	\$26,041	<p>The City has earmarked funds for it's the design and construction of a Bike Trail and walking trails within the City.</p> <p>Design has been completed on the Bike Trail (8-a), construction is underway. The intention is to link the Aliso Viejo Bicycle Trail System to the City's Conference, Aquatic Center, Wetland Educational Park, and Town Center and with the Orange County Regional Trail System.</p> <p>In addition, the City is also looking to implement a Bicycles project i.e. Other Bicycle Facilities (8-b). The intention is to provide Bicycle Racks, and lockers along the City's Town Center Trail Loop.</p> <p>The City would like to earmark its AQMD monies for these projects.</p>
SC Anaheim	\$394,560	\$197,280	\$197,280	
SC Arcadia	\$64,027	\$32,014	\$32,014	Continue TDM program through employee rideshare program; participate in regional transportation planning efforts with SGVCOG; installation of diesel particulate matter filters to the existing public works vehicles to meet CARB's Rule 13; replacement of two diesel powered street sweepers with CNG powered vehicles (carried forward from FY 08-09)
SC Artesia	\$75,431	\$37,715	\$37,715	
SC Azusa	\$55,404	\$27,702	\$27,702	Two Ford E450 Hybrid Plug-In Transit Vehicles with match from a DOE grant.
SC Baldwin Park	\$92,218	\$46,109	\$46,109	Alternative fuel vehicles and new/reconstructed alternative fueling stations around the City
SC Banning	\$32,221	\$16,111	\$16,111	Funds set aside for use in the future to purchase alternative fuel replacement vehicles.
SC Beaumont	\$46,530	\$23,265	\$23,265	CNG Vehicles
SC Bell	\$94,833	\$47,417	\$47,417	Purchase of Alternative Fuel Vehicles
SC Bell Gardens	\$67,595	\$33,798	\$33,798	
SC Bellflower	\$87,405	\$43,703	\$43,703	CNG truck and UHF radio system with GPS component
SC Beverly Hills	\$40,864	\$20,432	\$20,432	Fund balance earmarked for continued and expanded ridshare program, vehicle fleet transition to low or zero emission (ie, electric) fleet vehicles, and electric standup vehicles for enforcement services.
SC Big Bear Lake	\$9,038	\$4,519	\$4,519	Big Bear Valley Master Plan of Trails
SC Brea	\$45,490	\$22,745	\$22,745	This amount will be used to subsidize the Brea Transportation Program.
SC Buena Park	\$120,290	\$60,145	\$60,145	These funds are earmarked for the maintenance and operation of the new metrolink multi-modal transportation facility.
SC Burbank	\$156,151	\$78,076	\$78,076	These funds will be used to cover a portion of the salary and benefits of the Employee Rideshare Coordinator (Administrative Analyst I) full-time position for next year, as well as the cost increases for the ECRP program enhancements for FY 2010/2011. Unappropriated funds may also be used as leverage for grants for qualifying infrastructure or projects as needed throughout the year.
SC Calabasas	\$27,074	\$13,537	\$13,537	Earmarked funds are obligated towards the continued lease of fleet, as well expansion of clean air vehicles replacing older, City owned vehicles.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Calimesa	\$8,487	\$4,244	\$4,244	Purchase of alternative fuel vehicles began FY09-10 with purchase completed in FY10-11.
SC Canyon Lake	\$12,600	\$6,300	\$6,300	Bus shelters
SC Carson	\$141,228	\$70,614	\$70,614	
SC Cerritos	\$46,985	\$23,493	\$23,493	Funds for future rideshare and trip reduction programs provided by the City of Cerritos.
SC Chino	\$95,307	\$47,654	\$47,654	Alternative Fuel Infrastructure Upgrades; Alternative Fuel Vehicle Purchases (CNG); Funds obligated to the city wide traffic monitoring/control system project.
SC Chino Hills	\$89,138	\$44,569	\$44,569	Retrofit Diesel Equipment for particulates traps on exhaust systems: 02 GMC Asphalt Patch Truck, 04 Sterling Vector, 06 Freightliner, 06 Freightliner Dump Truck, 05 Ford F550 Service Truck; CNG station compressor Replacement; General Plan Update; Pave Fairway Drive; Rehabilitation of Pedestrian Pathways
SC Claremont	\$42,777	\$21,389	\$21,389	Funds have been earmarked for use to construct a portion of the "Citrus Regional Bikeway" through the City of Claremont. Approximately \$200,000 is needed to help fund construction of this \$1,500,000 project which is currently under construction and expected to be completed by June 2011. Any remaining funds are earmarked for: transit incentives for employees and /or sub-regional clean air planning activities conducted by the San Gabriel Valley Council of Governments (SGVCOG)
SC Colton	\$58,520	\$29,260	\$29,260	CITY IS CURRENTLY RESEARCHING COSTS IN A QUICK FILL CNG FUELING STATION. EARMARKED FUNDS WILL BE ESTABLISHED FOR THE PRELIMINARY ENGINEERING AND CONSTRUCTION COST OF A STATION.
SC Commerce	\$15,342	\$7,671	\$7,671	
SC Compton	\$112,583	\$56,292	\$56,292	
SC Corona	\$168,253	\$84,127	\$84,127	Funds are earmarked for the purchase of five CNG Honda Civics to purchase replacement vehicles, to fund the construction of bus stop improvements and sidewalks, to fund an alternative fuel vehicle rebate program, to provide funding for the Corona Cruiser multi-day bus pass incentive program and to set-aside funds for a replacement of Corona Cruiser buses.
SC Costa Mesa	\$131,886	\$65,943	\$65,943	Various projects have been earmarked and budgeted for future implementation including eight projects active with expenditures in fiscal year 2009-2010.
SC County of LA	\$1,561,312	\$780,656	\$780,656	
SC County of Orang	\$134,437	\$67,219	\$67,219	Two categories are earmarked: 1) Employee Rideshare Program \$35K; 2) Alternative Fuel Infrastructure \$400K.
SC County of Rivers	\$508,602	\$254,301	\$254,301	Earmarked funds can include any of the following: purchase of alternative fuel heavy duty vehicles, COG activities, retrofit and repower of alternative off highway equipment, state of the art video conferencing. The remainder is set aside for other air quality projects such as county rideshare program, expenses and contributions to regional air pollution reduction programs.
SC County of San B	\$199,692	\$99,846	\$99,846	Commuter shuttle project, replace vanpool fleet.
SC Covina	\$56,094	\$28,047	\$28,047	Funds for upgrade of CNG Station, possible Metrolink Shuttle promotion and support of ongoing Air Quality projects.
SC Cudahy	\$29,304	\$14,652	\$14,652	
SC Culver City	\$46,035	\$23,018	\$23,018	Earmarked funds include \$15,000 for CNG sedan; \$50,000 for electric ZEV and charging components.
SC Cypress	\$56,214	\$28,107	\$28,107	Funds are earmarked for the purchase of three alternative fuel vehicles and replacement of two diesel arrowboards with solar panels arrowboards
SC Dana Point	\$53,549	\$26,775	\$26,775	

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Diamond Bar	\$87,267	\$43,634	\$43,634	City of Diamond bar will continue to implement programs that reduce air pollution from motor vehicles and ensure compliance with state & federal air quality standards. The programs will be implemented in FY 2011 which include the intelligent transportation systems, the transit pass systems and the DB traffic management support center.
SC Downey	\$128,478	\$64,239	\$64,239	CNG Fueling Facility
SC Duarte	\$26,306	\$13,153	\$13,153	The City will be retrofitting two fleet vehicles with add on control equipment to comply with CARB requirements and continue with reported projects.
SC El Monte	\$143,015	\$71,508	\$71,508	Project 1: Purchase of CNG Type 3 cutway buses \$250,000; Project 2: Bicycle lanes and trail improvements \$15,000; Project 3: Purchase of CNG maintenance service trucks \$80,000.
SC El Segundo	\$19,248	\$9,624	\$9,624	Funds for FY 10-11 for the purchase of one new AT-PZEV Hybrid fleet vehicle for City pool car use.
SC Fontana	\$214,024	\$107,012	\$107,012	\$5,385 Pacific Electric Trail Segment 5b; \$125,041 Pacific Trail Segment 6
SC Fountain Valley	\$66,021	\$33,011	\$33,011	Purchase of hybrid or electric vehicles to replace existing gasoline powered vehicles used by non-emergency service providers and Public Works.
SC Fullerton	\$155,828	\$77,914	\$77,914	Funds to be earmarked (encumbered) 1) to lease/purchase a number of alternative fuel vehicles for use in city pool car fleet (1-a), 2) for funding of their bicycle facilities (8-b), 3) for funding of land use strategies (3), and 4) for funding of a new employer based work-related trip reduction program
SC Garden Grove	\$198,804	\$99,402	\$99,402	Earmarked funds are used to complete the automation of the ECRP participation tracking program; for redemption of Points For Performance gift certificates earned by using alternate commute modes, land use research and planning elements, the purchase of emission credits (VTEC), and clean fuel purchase rebates.
SC Gardena	\$69,986	\$34,993	\$34,993	to purchase AFV vehicles and to further develop the Ride Share Program
SC Glendale	\$234,724	\$117,362	\$117,362	
SC Glendora	\$60,027	\$30,013	\$30,013	\$125,000 earmarked for purchase of one 22 passenger CNG fueled cutaway; \$55,000 earmarked for rehabilitation of public/MetroLink shuttle parking lot; \$35,000 earmarked for Bike/Pedestrian/Hiking/Equestrian Trails Master Plan
SC Grand Terrace	\$13,839	\$6,920	\$6,920	\$31,875.52 is earmarked for the alt. fuel vehicle purchase. We will also be looking into a subrecipient agreement with Omni trans for the installation of a new bus stop shelter on Grand Terrace Road and Mt. Vernon Ave. We are uncertain of the cost at this point.
SC Hawaiian Gardens	\$18,127	\$9,064	\$9,064	Purchase of alternative fuel vehicles and infrastructure
SC Hawthorne	\$101,881	\$50,940	\$50,940	
SC Hemet	\$84,197	\$42,099	\$42,099	CNG Infrastructure (CNG Station), PM (Particulate Matter) reduction, RTA Go-Pass Program
SC Hermosa Beach	\$22,069	\$11,035	\$11,035	
SC Hidden Hills	\$2,163	\$1,082	\$1,082	Purchase of electric or fuel efficient vehicle
SC Highland	\$99,849	\$49,924	\$49,924	Retrofitting diesel truck
SC Huntington Beach	\$229,263	\$114,632	\$114,632	\$200,000 Retrofit vehicles w/particulate traps, \$250,000 Traffic signal coordination, \$150,000 Bicycle master plan, \$100,000 Shuttles, \$78,000 ECRP
SC Huntington Park	\$73,165	\$36,583	\$36,583	
SC Inglewood	\$134,591	\$67,296	\$67,296	Traffic Management and Signal Coordination
SC Irvine	\$246,631	\$123,316	\$123,316	\$500,000 Irvine Shuttle Service, \$30,000 for 2 CNG Trucks and the balance for CIP Non Circulation Projects
SC Inwindale	\$1,955	\$978	\$978	Support COG activities for Coordination efforts to improve mobility & land use around various major corridors, Low Emission Clean Fleet, coordination with Metro on regional transportation issues and congestion pricing.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC La Canada Flinti	\$30,676	\$15,338	\$15,338	The "Earmarked" expenditure amount of \$138,800 will be countinued to FY 2010-11, as the project was postponed due to a development adjacent to the site that will impact the project's design.
SC La Habra	\$71,132	\$35,566	\$35,566	
SC La Habra Height	\$6,965	\$3,482	\$3,482	
SC La Mirada	\$56,544	\$28,272	\$28,272	Telegraph road realignment project to manage traffic congestion
SC La Palma	\$19,006	\$9,503	\$9,503	F250 3.4 ton LPG utility flat bed truck
SC La Puente	\$48,992	\$24,496	\$24,496	Future puchase of Alternative Fuel Vehicles for Staff
SC La Verne	\$38,476	\$19,238	\$19,238	
SC Laguna Beach	\$28,542	\$14,271	\$14,271	Projects for FY 2010/11: (1) Free main line transit service will be offered during the summer of 2011 at a cost of \$ \$19,000. (2) The Free Ride to Work Program is being offered again this fiscal year at a projected cost of \$13,000. (3) \$1,700 will be spent on advertisement of the programs.
SC Laguna Hills	\$37,678	\$18,839	\$18,839	The planned expenditure of the earmarked funds are for La Paz Road Traffic Signal Synchronization project. The proposed project consist of interconnection and coordination of traffic signals. Through this project, the City plans to moderate vehicle speeds and reduce vehicle idling which enhances air quality. Construction of this project is underway.
SC Laguna Niguel	\$76,090	\$38,045	\$38,045	Of this amount, \$162,099 is earmarked for maintenance and operating costs for the Laguna Niguel/Mission Viejo Metrolink Station (50% shared with the City of Mission Viejo) and the remainder is earmarked for traffic management operating costs.
SC Laguna Woods	\$20,921	\$10,461	\$10,461	Funds conceptually set aside by the City Council for use in building a multi-modal trail on Santa Maria Avenue to be used by electric golf carts, bicycles, etc. AB 2766 funds were used for a similar project several years ago, all as part of an effort to provide an alternative vehicle path system throughout Laguna Woods.
SC Lake Elsinore	\$56,916	\$28,458	\$28,458	Citywide Signal Synchronization, Railroad Canyon Signal Synchronization. Installation of a Pedestrian/Bicylce Traffic Signal with crosswalks at Riverside Drive and Grand Ave.
SC Lake Forest	\$88,707	\$44,354	\$44,354	
SC Lakewood	\$94,554	\$47,277	\$47,277	Replace dirty fuel vehicle(s) with alternative fuel vehicle(s) in Lakewood's fleet.
SC Lawndale	\$38,036	\$19,018	\$19,018	F150 Ford CNG Truck
SC Loma Linda	\$25,611	\$12,806	\$12,806	Installation of smog particulate devices on two vehicles and the purchase of equipment for signal coordination upgrade
SC Lomita	\$23,765	\$11,883	\$11,883	Use of funds reserved for CNG street sweeper contract services cost differential. Amount also includes anticipated maintenance of Bicycles for Lomita Bike Patrol.
SC Long Beach	\$557,851	\$278,926	\$278,926	Infrastructure Improvements-\$1,483,654; Mobility Promotions-\$300,000; Employee Bikeshare Program-\$30,000; Employee Rideshare Program-\$10,000; Annual Rideshare Survey - \$20,000; COG Member- \$16,000
SC Los Alamitos	\$14,244	\$7,122	\$7,122	For future CNG vehicle purchase.
SC Los Angeles (Cit	\$4,632,639	\$2,316,320	\$2,316,320	The City of Los Angeles authorized the following allocations in FY10: 1) a portion of the costs for 57 heavy-duty alternative fuel vehicles for Public Works, Bureau of Sanitation at \$1,163,989; 2) a portion of the cost of 33 heavy duty alternative fuel vehicles for the General Services Department at \$857,000; 3) GPS/Diagnostic devices for 107 vehicles at \$22,310; and 4) one retrofit device for an off-road construction unit at \$40,626.
SC Lynwood	\$102,074	\$51,037	\$51,037	To provide and install 2 electric charging stations for future electric vchicles
SC Malibu	\$16,142	\$8,071	\$8,071	Ongoing Infrastructure Support and Upgrades

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Manhattan Beach	\$41,575	\$20,788	\$20,788	The City of Manhattan Beach still plans to use the balance of its AB 2766 funds to complete an upgrade/expansion of its CNG fueling station. A commercial CNG fueling station being installed within the city by a private company may change these plans. The City may seek to refuel at that location and instead dedicate our fund balance to expanded CNG vehicles including buses and/or regular fleet replacements (with new purchases being CNG-fueled).
SC Maywood	\$33,857	\$16,929	\$16,929	
SC Menifee	\$76,661	\$38,330	\$38,330	New low emission vehicles (3) for Bldg & PW Inspectors
SC Mission Viejo	\$112,836	\$56,418	\$56,418	The City's FY10-11 adopted budget includes AB2766 funding for traffic signal coordination, air quality planning, Sustainable Communities Strategy work, and the City's AB2766 financial audit work.
SC Monrovia	\$45,034	\$22,517	\$22,517	Funds will be used as a portion of matching funds required for Transit Village project. Improvements include traffic calming measures and new bus stop amenities.
SC Montclair	\$41,853	\$20,927	\$20,927	Earmarked for purchase of a street sweeper at the cost of \$275,000
SC Montebello	\$74,353	\$37,177	\$37,177	
SC Monterey Park	\$73,872	\$36,936	\$36,936	Alternative fueled/hybrid vehicles and CNG fueling system upgrade.
SC Moreno Valley	\$293,423	\$146,712	\$146,712	Traffic Signal Coordination Program; Road Dust Control Program; Transportation Management Center
SC Murrieta	\$145,353	\$72,676	\$72,676	\$348,300 for the Traffic Signal Optimization Project (8330).
SC Newport Beach	\$97,868	\$48,934	\$48,934	
SC Norco	\$31,573	\$15,787	\$15,787	Park and Ride lot at Norco Community Center on northwest corner of Hamner Avenue & Sixth Street.
SC Norwalk	\$124,060	\$62,030	\$62,030	Administrative costs, operating costs for I-5 Consortium Cities, purchase of City hybrid vehicles, Commuter Benefit program.
SC Ontario	\$196,096	\$98,048	\$98,048	Planned efforts include expansion of storage capacity to reduce energy consumption and increase supply reliability to the City and public users; expansion of slow-fill system including line and dispensers to accommodate additional alternative fuel vehicles; replacement of flow meters to regulate and control flow of gas; backup power system improvements to ensure CNG availability during power outages; and replacement of fast-fill dispensers.
SC Orange (City)	\$164,202	\$82,101	\$82,101	Funds earmarked are for Accounting and Auditing Services, as well as the City's Police Bike Team's use.
SC Palos Verdes Es	\$17,395	\$8,698	\$8,698	Funds accumulated and conceptually obligated or "earmarked" by the city council or Board of Supervisors for specific uses in the future but have NOT been officially obligated or spent. Alternative fuel or hybrid vehicles will be purchased when possible for vehicle replacement.
SC Paramount	\$65,529	\$32,765	\$32,765	Funds earmarked for the purchase of hybrid vehicles in FY 2011 and research and development project.
SC Pasadena	\$171,091	\$85,546	\$85,546	Continue to implement employee rideshare activities
SC Perris	\$61,509	\$30,755	\$30,755	Natural Gas Vehicle Program
SC Pico Rivera	\$75,748	\$37,874	\$37,874	
SC Placentia	\$63,801	\$31,901	\$31,901	Provides funds for Streets (\$55,000), Traffic Operations (\$140,000), Technology (\$13,475), Vehicles (\$60,000), and Major Studies (\$50,000)
SC Pomona	\$185,023	\$92,512	\$92,512	These funds are earmarked for FY10/11 and FY11/12 to purchase and install particulate matter reduction devices (DPMRD) on fleet vehicles, two traffic modification projects, one traffic operations/communications center, traffic signal system improvements and one CNG vehicle.
SC Rancho Cucamonga	\$413,325	\$206,662	\$206,662	Part of the earmarked funds is budgeted in FY 10/11 for a bus pads capital project. Other earmarked funds includes funding for the rideshare and other misc programs that decrease air pollution.
SC Rancho Palos Verdes	\$48,463	\$24,232	\$24,232	

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Rancho Santa M	\$56,279	\$28,139	\$28,139	Traffic management and signal co-ordination. Traffic calming measures and alternative transportation mode planning.
SC Redlands	\$81,123	\$40,562	\$40,562	Funds earmarked for alternative fuel and/or hybrid vehicles to be used by specific departments or as pool cars.
SC Redondo Beach	\$97,692	\$48,846	\$48,846	The City is accruing funds for future projects.
SC Rialto	\$113,252	\$56,626	\$56,626	Future Rideshare Program activities
SC Riverside (City)	\$341,616	\$170,808	\$170,808	Earmarked funds are those reserved for the following projects: 1. Riverside Go Transit Program which subsidizes local Riverside Transit Agency bus passes for City of Riverside residents. The City is researching the possibility of making the program more available to commuters by incorporating other modes of transit. 2. Possible broadening of the ongoing City Alternative Fuel Vehicle Rebate Program which offers incentives toward the purchase of alternative and clean hybrid fueled vehicles for City of Riverside residents. The City is researching opportunities to support electric vehicle infrastructure and electric vehicle purchases. 3. CNG infrastructure development at the City of Riverside Regional Water Quality Control Plant.
SC Rolling Hills Est	\$9,227	\$4,614	\$4,614	Alternative Fuel Truck Purchases and Propane Fueling Station
SC Rosemead	\$65,212	\$32,606	\$32,606	The City has earmarked funds to purchase alternative fueled vehicles.
SC San Bernardino	\$233,643	\$116,822	\$116,822	\$120,000 for City Rideshare Program; \$40,000 for traffic light synchronization; \$30,000 for LNG Fuel.
SC San Clemente	\$233,349	\$116,675	\$116,675	The City Council has developed a sustainability action plan and one of the items is alternative fuel station(s). Staff is looking to get City Council approval to use funds for the development of an alternative fuel station or the modification of an existing gas station to also have alternative fuels. It is estimated that the City will spend \$50,000 next year on this initial work.
SC San Dimas	\$41,042	\$20,521	\$20,521	Future purchases of alternative fueled vehicles.
SC San Fernando	\$28,637	\$14,319	\$14,319	This allocation will be accumulated to purchase a CNG dump truck.
SC San Gabriel	\$48,494	\$24,247	\$24,247	For future purchases of alternative fuel vehicles
SC San Jacinto	\$52,454	\$26,227	\$26,227	Acquisition of a propane powered dump truck.
SC San Juan Capistrano	\$41,747	\$20,873	\$20,873	E-Government software related to trip reduction to City Hall
SC San Marino	\$15,298	\$7,649	\$7,649	Replacement of fleet vehicles.
SC Santa Ana	\$297,144	\$148,572	\$148,572	These funds are appropriated to the Harbor Mixed Use Corridor Plan and fleet vehicle improvements to reduce vehicle emissions.
SC Santa Clarita	\$277,464	\$138,732	\$138,732	Climate Action Plan
SC Santa Fe Spring	\$20,142	\$10,071	\$10,071	
SC Santa Monica	\$104,729	\$52,365	\$52,365	Earmarked for partial funding of Alt Fuel Vehicles and Infrastructure & Alt Car Expo or Public Education
SC Seal Beach	\$29,585	\$14,793	\$14,793	34,361 Fund Balance for the senior bus program and electric vehicle charging costs throughout the city.
SC Sierra Madre	\$12,549	\$6,275	\$6,275	The city is planning to replace its entire fleet with zero emission or partial-zero emission vehicles. The city will use \$43701 for the purchase of 3 vehicles meeting CARB AT-PZEV and PZEV criteria. The Public Works Dept is doing a research on using AB2766 fund to upgrade City's CNG fuel station. The Green Commission is also working on reductions in emissions and transportation control measures.
SC Signal Hill	\$12,942	\$6,471	\$6,471	
SC South El Monte	\$25,606	\$12,803	\$12,803	Continue implementing Bus Pass Program and Pay for SCV COG Dues
SC South Gate	\$116,364	\$58,182	\$58,182	Continue with the City's emphasizes to carry on its effort to convert to clean fuel system; continue promotion of in house rideshare program and development of a portion of the City's General Plan Circulation Element
SC South Pasadena	\$29,249	\$14,624	\$14,624	One Prius for the City's Community Services Dept.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Stanton	\$56,981	\$28,490	\$28,490	
SC Temecula	\$116,176	\$58,088	\$58,088	Funds are programmed in the Fiscal Year 2011-15 Capital Improvement Program. Projects will provide additional Pedestrian and Bicycle Trails for the Community; and a safe route for pedestrians and bicyclist; and will enable and encourage Temecula residents to carpool when commuting.
SC Temple City	\$40,475	\$20,238	\$20,238	
SC Torrance	\$168,835	\$84,418	\$84,418	These funds are earmarked for replacement of vanpool vehicles and program incentives.
SC Tustin	\$86,725	\$43,363	\$43,363	Earmarked for the purchase of an alternative fuel street sweeper
SC Upland	\$84,960	\$42,480	\$42,480	
SC Villa Park	\$7,155	\$3,578	\$3,578	Maintain and replace NGV pump station
SC Walnut	\$37,002	\$18,501	\$18,501	Earmarked funds are for future alternative fuel vehicle purchase.
SC West Covina	\$162,771	\$81,386	\$81,386	Purchase (2) alternative fueled medium duty trucks
SC West Hollywood	\$43,816	\$21,908	\$21,908	Alternative fuel infrastructure
SC Westlake Village	\$10,030	\$5,015	\$5,015	Funds allocated for acquisition/operation of electric/gasoline and CNG vehicles.
SC Westminster	\$105,623	\$52,812	\$52,812	\$11,073 Ridesahre van replacement. \$110,000 for CNG fueling station. \$28,000 for Senior Transportation. \$165503 for Ride Sahrng and Van Pool Program.
SC Whittier	\$98,268	\$49,134	\$49,134	Funds earmarked for the Whittier Greenway Class 1 Bike Trail.
SC Wildomar	\$35,464	\$17,732	\$17,732	Unpaved Roadway Enhancement Program
SC Yorba Linda	\$78,004	\$39,002	\$39,002	Citywide GIS program system
SC Yucaipa	\$74,381	\$37,191	\$37,191	Funds earmarked for three local projects including pedestrian/bicycle/sidewalks
TOTALS		\$9,960,335	\$9,960,335	

Local Government Funder	Motor Vehicle Revenues (FY10-11)	Motor Vehicle Revenues (7/1/10 through 12/31/10 = 1/2 FY10-11)	Motor Vehicle Revenues (1/1/11 through 6/30/11 = 1/2 FY10-11)	Project
SC Agoura Hills	\$25,599	\$12,800	\$12,800	Signal synchronization
SC Alhambra	\$68,338	\$34,169	\$34,169	Planned projects for use of these funds include an alternate fueled street sweeper and purchase of alternate fueled vehicles. Funds will also be used for capital improvements to the CNG fueling station used by Alhambra and four other entities.
SC Aliso Viejo	\$51,513	\$25,757	\$25,757	The City has earmarked funds for the design and construction of a bike trail (8-A), walking trails, and a potential shuttle transit system that would connect to neighboring cities and regional lines. The intention is to link the bicycle and walking trail systems to the City's Conference Center, Aquatic Center, Wetland Educational Park, regional trail systems, and the City's Town Center which serves as the City's hub for shopping, dining, and entertainment. In addition, the City is also looking to implement a bicycles project (8-B), which would provide Bicycle racks and lockers along the City's Town Center Loop Trail.
SC Anaheim	\$387,512	\$193,756	\$193,756	Particular Filter - A filter for a vehicle for equipment to reduce diesel particles etc.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Arcadia	\$62,060	\$31,030	\$31,030	Continued TDM program through employee rideshare program; participate in regional transportation planning efforts with SGVCOG; installation of diesel particulate matter filters to the existing public works vehicles to meet CARB's Rule 13; replacement of an asphalt patching vehicle with a CNG powered vehicle.
SC Artesia	\$19,238	\$9,619	\$9,619	
SC Azusa	\$53,822	\$26,911	\$26,911	Two Ford E450 Hybrid Plug-In Transit Vehicles with match from a DOE grant.
SC Baldwin Park	\$89,540	\$44,770	\$44,770	Funds to be utilized toward construction of a parking structure adjacent to the City's Metrolink Station and purchase of Alternative fueled vehicles.
SC Banning	\$30,693	\$15,347	\$15,347	Funds set aside for use in the future to purchase alternative fuel replacement vehicles.
SC Beaumont	\$36,900	\$18,450	\$18,450	Alternative fuel vehicles and cost of alternative fuel
SC Bell	\$42,516	\$21,258	\$21,258	Future project
SC Bell Gardens	\$41,331	\$20,666	\$20,666	
SC Bellflower	\$84,949	\$42,474	\$42,474	CNG fueled trucks (2)
SC Beverly Hills	\$31,083	\$15,541	\$15,541	Fund balance earmarked for bicycle planning and implementation of bicycle facilities and equipment; employee rideshare program, parking enforcement transit/bicycles, vehicle fleet transition to low or zero emission vehicles.
SC Big Bear Lake	\$6,768	\$3,384	\$3,384	Pedestrian, Bicycle and Equestrian Master Plan, Targeted Shuttle Program and Commuter Trail Enhancements
SC Brea	\$44,297	\$22,149	\$22,149	This amount will possibly be used to purchase an alternative fuel vehicle, pending various levels of approval (AQMD, City, etc.)
SC Buena Park	\$92,465	\$46,233	\$46,233	These funds are earmarked for implementation of land use strategies that will make it easier for pedestriansto walk, bicycle, or use public transit, and for the design and implementation of bikeways/pedestrian corridors.
SC Burbank	\$119,382	\$59,691	\$59,691	These funds will be used to cover a portion of the salary and benefits of the Employee Rideshare Coordinator (Administrative Analyst I) full-time position for the next year, as well as the cost increases for the ERCP program enhancements for FY 2011-2012. Unappropriated funds may also be used as leverage for grants for qualifying infrastructure or projects as needed throughout the year.
SC Calabasas	\$33,257	\$16,629	\$16,629	Earmarked funds are obligated toward the continued lease of fleet, as well as expansion of clean air vehicles to replace older, City owned vehicles.
SC Calimesa	\$7,460	\$3,730	\$3,730	
SC Canyon Lake	\$12,213	\$6,107	\$6,107	The funds have been "earmarked" for the purchase of new solar bus stops in FY11-12.
SC Carson	\$107,911	\$53,956	\$53,956	
SC Cerritos	\$79,528	\$39,764	\$39,764	Funds for future rideshare and trip reduction programs provided by the City of Cerritos
SC Chino	\$93,126	\$46,563	\$46,563	Slow-fill/fast-fill CNG fueling facility upgrades at the City's Public Works Services Center (\$250,000); Engine "Re-Powers" on three (3) of the City's off-road equipment (\$5,077); purchase new street sweeper (\$100,000); Chaffey College "Bus Pass Program" (\$18,000); Bicycle Trails Master Plan (\$100,000); misc. traffic management (\$200,000)
SC Chino Hills	\$86,775	\$43,388	\$43,388	College Free Pass Program (\$8,200); General Plan (\$10,000); Design and Upgrade to CNG Station (\$124,700); Replace Temporary Asphalt on Community Park Overflow Parking Lot to reduce the airborne particulate matter(\$100,000);Pave the unimproved portion of Fariway Blvd (\$159,700)

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Claremont	\$41,166	\$20,583	\$20,583	Funds are earmarked for completion of the Citrus Regional Bikeway and continuation of exiting employee trip reduction programs. Remaining funds will be used as needed to complete installation of PEV charging stations and bicycle facilities.
SC Colton	\$57,869	\$28,935	\$28,935	The City has earmarked the following funds: \$14,895 for the Omnitrans College Free Pass Pilot Program for 2011/2012 which assists student to a free bus pass to use instead of driving a vehicle to school. 2) the City has earmarked 90,000 to purchase A CNG heavy duty patch truck to replace an existing gas running patch truck. 3) The City has earmarked \$80,000 for the purchase of new slow/quick fill CNG fueling station. City staff is working on cost estimates for a new fueling station at the City's Corporate Yard.
SC Commerce	\$14,806	\$7,403	\$7,403	
SC Compton	\$116,549	\$58,275	\$58,275	
SC Corona	\$165,358	\$82,679	\$82,679	Funds are earmarked for the purchase of a replacement Honda Civic CNG for the carpool program, to fund the construction of bus stop improvements and sidewalks, to fund an Alternative Fuel Vehicle Rebate Program, to provide funding for the update of the City's Bicycle Master Plan.
SC Costa Mesa	\$128,967	\$64,484	\$64,484	Various projects have been earmarked and budgeted for future implementation including several projects active with expenditures in fiscal year 2010-2011.
SC County of LA	\$1,252,830	\$626,415	\$626,415	
SC County of Orang	\$139,376	\$69,688	\$69,688	Two categories are earmarked: 1) Employee Rideshare Program \$35K; 2) Alternative Fuel Infrastructure \$50K
SC County of Rivers	\$608,315	\$304,157	\$304,157	Earmarks are for purchase of Alternative fuels/electric vehicles, video conferencing, Ride Share and public transportation fare subsidies.
SC County of San B	\$203,382	\$101,691	\$101,691	San Bernardino Associated Governments vanpool project.
SC Covina	\$54,308	\$27,154	\$27,154	Funds earmarked will be used for CNG Station upgrade
SC Cudahy	\$1,368	\$684	\$684	
SC Culver City	\$44,678	\$22,339	\$22,339	Funds to be applied to cost differential for CNG, hybrid and electric vehicle purchases in FY11-12 and FY12-13.
SC Cypress	\$54,868	\$27,434	\$27,434	Funds are earmarked for purchase of alternative fuel fleet vehicles to replace current gas powered fleet vehicles.
SC Dana Point	\$32,028	\$16,014	\$16,014	
SC Diamond Bar	\$52,359	\$26,179	\$26,179	City of Diamond Bar will continue to implement programs that reduce motor vehicle trips and air pollution and ensure compliance with state & federal air quality standards. The programs will continue in FY2012 include the intelligent transportation systems, the transit pass systems and the DB traffic management support center.
SC Downey	\$125,156	\$62,578	\$62,578	CNG Fueling Facility
SC Duarte	\$31,145	\$15,573	\$15,573	Shuttle Services 8,000, Street Sweeper 1,400, Hybrid Vehicles 27,000
SC El Monte	\$138,857	\$69,428	\$69,428	Purchase of three CNG Type 3 Cutway 25-passenger buses
SC El Segundo	\$19,798	\$9,899	\$9,899	
SC Fontana	\$209,507	\$104,754	\$104,754	Pacific Electric Bicycle Trail
SC Fountain Valley	\$64,510	\$32,255	\$32,255	Four vehicles were budgeted for purchase for 2010-11; however, these were pushed forward to 2011-12 and have since been purchased and will be reflected in next year's report. These vehicles include 3 Ford Escape Hybrids and 1 Hyundai Sonata Hybrid.
SC Fullerton	\$152,555	\$76,278	\$76,278	Encumbered but unspent funds for specific future uses
SC Garden Grove	\$203,820	\$101,910	\$101,910	

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Gardena	\$69,986	\$34,993	\$34,993	To purchase 2 Nissan Leaf vehicles and 2 charging stations. Also to further develop the Ride Share Program
SC Glendale	\$227,108	\$113,554	\$113,554	\$70,000 to be spent of Transportation Demand Management to develop a web-enabled social networking system that centralizes and distributes multimodal information (transit, rail, carpool, vanpool, ect) and supporting infrastructure (transit stops, routes, bike paths, ect) for individuals.
SC Glendora	\$59,708	\$29,854	\$29,854	\$125,000 earmarked for purchase of one 22 passenger CNG fueled cutaway; \$75,000 earmarked for rehabilitation of public/Metrolink shuttle parking lot; \$35,000 earmarked for Bike/Pedestrian/Hiking/Equestrian Trails Master Plan
SC Grand Terrace	\$14,151	\$7,076	\$7,076	The City is earmarking funds for the expansion of bike lanes along Michigan St. and Main St. that will connect bicycle routes from Riverside County to others in San Bernardino County. This project is scheduled to take place in FY12/13. The City may also look into a sub-grant to Omnitrans for a bus stop shelter along their Grand Terrace scheduled stop route. The City will also be using funds to pay for the continuous maintenance of our signal light coordination along Barton Road. Annual maintenance for the signal light coordination costs approxemetly \$4,680 per year
SC Hawaiian Garde	\$18,460	\$9,230	\$9,230	Purchase of altervative fuel vehicles and infrastructure
SC Hawthorne	\$77,361	\$38,681	\$38,681	
SC Hemet	\$83,036	\$41,518	\$41,518	CNG Fill Station project
SC Hermosa Beach	\$21,430	\$10,715	\$10,715	
SC Hidden Hills	\$2,350	\$1,175	\$1,175	Purchase of electric or fuel efficient vehicle
SC Highland	\$57,635	\$28,818	\$28,818	The balance of the funds will continue to be used for signal synchronization. We will also be supporting the OMNITRANS College Pass Pilot Program. We also have \$17,000 budgeted for in 11/12 to retro-fit our diesel truck.
SC Huntington Beac	\$223,956	\$111,978	\$111,978	\$184,000 Signal Synchronization grant match, \$350,000 diesel particulate filters, \$81,000 Bicycle Master Plan, \$41,700 employee rideshare and alternate commute programs, \$60,000 downtown shuttle program, \$55,000 senior shuttle program
SC Huntington Park	\$70,539	\$35,270	\$35,270	Purchase of Vehicle Fuel Efficient (Hybrid)
SC Inglewood	\$131,031	\$65,515	\$65,515	Funds to be used for traffic flow and signalization
SC Irvine	\$239,587	\$119,794	\$119,794	Irvine Shuttle Service, Irvine Parking Structure, Conversion to CNG, Bike/Pedestrian Transit Access and Stop Improvements
SC Irwindale	\$1,696	\$848	\$848	
SC La Canada Flint	\$38,244	\$19,122	\$19,122	The City has adopted two projects for the upcoming FY 2011-12 totaling \$174,525. Consisting of a tree planting project for \$35,725 and finalizing the Link and Gateway Project for \$138,800.
SC La Habra	\$69,400	\$34,700	\$34,700	
SC La Habra Height	\$6,640	\$3,320	\$3,320	Future purchase of an alternative fuel vehicle
SC La Mirada	\$54,906	\$27,453	\$27,453	
SC La Palma	\$19,006	\$9,503	\$9,503	General Plan Update for compliance with SB 375 and AB 32.
SC La Puente	\$47,386	\$23,693	\$23,693	Future purchase of Alternative Fuel Vehicles for staff.
SC La Verne	\$37,336	\$18,668	\$18,668	
SC Laguna Beach	\$27,764	\$13,882	\$13,882	Projects for FY 2011/12: (1) Free main line transit service will be offered during the summer of 2012 at a cost of \$17,000. (2) The Free Ride to Work Program is being offered again this fiscal year at a projected cost of \$13,000. (3) \$1,000 will be spent on advertisement of the programs.

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Laguna Hills	\$36,831	\$18,416	\$18,416	N/A
SC Laguna Niguel	\$74,332	\$37,166	\$37,166	Of this amount, \$97,333 is earmarked for maintenance and operating costs for the Laguna Niguel/Mission Viejo Metrolink Station (50% shared with the City of Mission Viejo) and the remainder is earmarked for traffic management operating costs.
SC Laguna Woods	\$20,132	\$10,066	\$10,066	Balance of funds not yet used for construction of Santa Maria Avenue Multimodal Trail.
SC Lake Elsinore	\$59,294	\$29,647	\$29,647	Continue Citywide Traffic Signal Coordination Program, Installation of a Pedestrian/Bicycle Traffic Signal with crosswalks at Riverside Drive and Grand Avenue, Paving of dirt roads for PM reduction and road dust control.
SC Lake Forest	\$86,498	\$43,249	\$43,249	Traffic Signal Synchronization CIP Project for Fiscal Year 2012-13
SC Lakewood	\$91,199	\$45,600	\$45,600	Proposed clean fuel station infrastructure upgrades. Purchase new CNG vehicles.
SC Lawndale	\$36,884	\$18,442	\$18,442	New Ford F150 CNG
SC Loma Linda	\$24,909	\$12,455	\$12,455	\$10,000 is earmarked for the 2011-2012 signal monitoring on Barton road. \$13,000 is earmarked for the purchase of bus passes to give to students commuting into the Loma Linda University from other colleges such as CSUSB and SBDO Valley College to reduce the amount of cars on the road via public transportaion.
SC Lomita	\$18,038	\$9,019	\$9,019	Use of funds reserved for CNG street sweeper contract services cost differential. Amount also includes anticipated maintenance of Bicycles for Lomita Bike Patrol.
SC Long Beach	\$560,108	\$280,054	\$280,054	Long Beach Bike Share Program \$385,000; Purchase 6 CNG Vehicles, 2 electric vehicles, and two electri charging stations \$215,750.00; COG Member \$16,000.00
SC Los Alamitos	\$13,363	\$6,682	\$6,682	For future CNG vehicle purchase
SC Los Angeles (Cit	\$4,506,727	\$2,253,363	\$2,253,363	City of Los Angeles authorized the earmarked funds to cover a portion of the alternative fuel fleet vehicle purchases.
SC Lynwood	\$79,901	\$39,951	\$39,951	Funds earmarked, but not yet approved by City Council is to purchahse and install 2 charging stations and to purchase 2 Hybrid vehicles
SC Malibu	\$15,009	\$7,505	\$7,505	Ongoing Infrastructure Support and Upgrades
SC Manhattan Beac	\$40,331	\$20,166	\$20,166	The City of Manhattan Beach plans to use the balance of its AB 2766 funds to complete an upgrade/expansion of its CNG fueling station. A commercial CNG fueling station being installed within the city by a private company may change these plans. The City may seek to refuel at that location and instead dedicate our fund balance to expanded CNG vehicles including buses and/or regular fleet replacements (with new purchases being CNG-fueled).
SC Maywood	\$25,771	\$12,886	\$12,886	
SC Menifee	\$75,696	\$37,848	\$37,848	alternative fuel vehicle leases/purchases and corresponding fuel expenses

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Mission Viejo	\$118,711	\$59,356	\$59,356	AB 2766 funding is earmarked for citywide traffic signal coordination, air quality planning, and the City's AB2766 financial audit work.
SC Monrovia	\$55,774	\$27,887	\$27,887	Funds will be used in two ways: (1) \$150,000 for bike facilities related to the Gold Line; and, (2) \$35,000 for Hybrid vehicle purchase
SC Montclair	\$40,551	\$20,276	\$20,276	Earmarked for continuing replacement of gas powered vehicles with alternative fuel vehicles
SC Montebello	\$72,696	\$36,348	\$36,348	Funds earmarked to support Employee Commute Reduction Program and larger project in the future.
SC Monterey Park	\$75,725	\$37,863	\$37,863	Alternative fuel/hybrid vehicles to replace gasoline/diesel fuel vehicles.
SC Moreno Valley	\$205,318	\$102,659	\$102,659	Traffic Signal Coordination Program; Road Dust Control Program; Transportation Management Center
SC Murrieta	\$109,987	\$54,994	\$54,994	\$400,000 for the Traffic Signal Optimization Project (8330).
SC Newport Beach	\$100,655	\$50,327	\$50,327	\$10,181.00 Paint CNG Equipment Maintenance Room. \$15,600.00 Modify two service bays to safely maintain & repair (CNG) vehicles. \$10,181.56 CNG-Safe Garage Modifications Construction Support.
SC Norco	\$29,792	\$14,896	\$14,896	
SC Norwalk	\$120,566	\$60,283	\$60,283	Planned future expenses include purchase of hybrid vehicle, cleaner vehicle street sweeping contract, City employee commuter program, software and server upgrade for remote mass notification to eliminate staff driving, I-5 freeway traffic mitigation study, development of the Gateway Cities Sustainable Communities Strategy
SC Ontario	\$192,096	\$96,048	\$96,048	In FY 2011/12, the City of Ontario's proposed CNG facility improvements include adding 24 slow-fill hoses for overnight fueling of City CNG vehicles; increasing existing CNG storage capacity which will provide energy savings by allowing for increased operation of the CNG compressors during off-peak times; increasing system fueling capacity from 3,000 psi to 3,600 psi to increase vehicle range (maintaining public access at one dispenser as well as OMSD fuel system at 3,000 psi); and replacing one City-use fast fill dispenser at 3,600 psi. These improvements will accommodate future expansion of the City's CNG Fleet and promote greater public consumption of this alternative fuel supply.
SC Orange (City)	\$157,065	\$78,533	\$78,533	
SC Palos Verdes Es	\$15,361	\$7,680	\$7,680	Funds accumulated and conceptually obligated or "earmarked" by the city council or Board of Supervisors for specific uses in the future but have NOT been officially obligated or spent. Alternative fuel or hybrid vehicles will be purchased when possible for vehicle replacement.
SC Paramount	\$63,682	\$31,841	\$31,841	Funds earmarked for the purchase of 3 hybrid vehicles and 1 utility vehicle in FY 2012.
SC Pasadena	\$169,793	\$84,897	\$84,897	Continue to implement employee rideshare activities/efforts
SC Perris	\$60,539	\$30,270	\$30,270	To purchase hybrid vehicle, trucks, employee carpool program
SC Pico Rivera	\$73,563	\$36,782	\$36,782	Traffic Calming - Speed bump pilot study fee, on call engineering services, traffic control, speed bump cushions and traffic counters. For FY 11-12. The total authorization budget for Traffic Calming is \$9177 in FY 11-12, using carryover FY 10-11 carryover of \$2631 plus FY 11-12 estimated funding of \$6546
SC Placentia	\$56,818	\$28,409	\$28,409	Provides funding for Streets (\$55,000), Traffic Operations (\$150,000), Technology (\$45,125), and Major Studies (\$25,000).
SC Pomona	\$179,792	\$89,896	\$89,896	These funds are earmarked for FY11/12 and FY12/13 to purchase and install particulate matter reduction devices (DPMRD) on fleet vehicles, a traffic operations assessment, traffic signal system improvements and three alternative fuel vehicles.
SC Rancho Cucamc	\$153,513	\$76,757	\$76,757	About \$512K is budgeted for FY 2011/12 to purchase the CNG truck and asphalt patch.
SC Rancho Palos V	\$47,067	\$23,534	\$23,534	

Appendix F - SOCAB FEA 2012 FAY (CREDIT) FUNDING - AB2766 DISCRETIONARY FUNDING (CITIES)

SC Rancho Santa M	\$54,829	\$27,415	\$27,415	Robinson Ranch Traffic Calming, Crosswalk Bulb-out Upgrade, Bus/Shuttle service, Trabuco Creek Bike Trail.
SC Redlands	\$79,021	\$39,511	\$39,511	Funds earmarked include \$350,000 for alternative fuel vehicles, to be used by specific departments or as pool cars; \$15,000 for student bus pass subsidy; and \$100,000 for bicycle lane and trails design.
SC Redondo Beach	\$74,816	\$37,408	\$37,408	The City is accruing funds for future projects that reduced emissions from motor vehicles.
SC Rialto	\$108,637	\$54,319	\$54,319	Future Rideshare Program activities
SC Riverside (City)	\$352,252	\$176,126	\$176,126	Earmarked funds are those reserved for the following projects. 1. Bicycle programs and infrastructure enhancements. 2. Eelectric vehicle charging infrastructure at strategic locations throughout the City. 3. Expanded electric vehicle incentives and marketing efforts for existing programs. Earmarked funds also includes "revenues" from the sale of bus passes through the Riverside Go Transit Bus Pass Subsidy Program. Revenues from these bus pass sales are returned to the air quality fund for use on additional transit fare subsidies or other air quality improvement projects.
SC Rolling Hills Est	\$8,836	\$4,418	\$4,418	Alternative Fuel Truck Prurchases and Propane Fueling Station
