

VOUCHER INCENTIVE PROGRAM 2026

On-Road Heavy-Duty Vehicles

**Funding Available
Fleets of 20 or fewer**

**South Coast
Air Quality
Management District**

2026 Voucher Incentive Program

Introduction to the Voucher Incentive Program (VIP)

The VIP is a streamlined approach to reduce emissions by replacing older, higher-polluting vehicles with newer, zero emission vehicles. This program is limited to owners/operators with **fleets of 20 or fewer** vehicles that have been operating at least 75% (mileage-based) in California during the previous twenty-four (24) months. The goal of this program is to reduce emissions from in-use heavy-duty trucks in small fleets by replacing Engine Model Years 2020 and older with new replacement trucks that are certified at the Zero Emission (ZE) standard.

The VIP is implemented by South Coast AQMD through contractual agreements with Dealers and Dismantlers. The Dealers apply to the South Coast AQMD for the vouchers on behalf of the applicant. If approved, the voucher amount will be deducted from the total purchase price of the truck by the Dealer. Applicants interested in replacing their truck must purchase their replacement truck through a South Coast AQMD-approved VIP Participating Dealership that has completed the required training for the VIP. A current list of South Coast AQMD-approved Dealerships is included in this brochure. Additional updates to this list will be posted on South Coast AQMD's webpage as they become available, at: www.aqmd.gov/VIP.

New for 2026

The final compliance deadline for the Truck and Bus Regulation was January 1, 2023, and therefore, the focus of this year's program will be on small fleets with Engine Model Year's 2010 to 2020 as outlined in the program guidelines. To maximize the emission reduction benefits under the VIP coupled with the strong interest to help further accelerate the transition to zero-emission vehicles, this year's VIP program will be exclusively for ZE replacement trucks which can receive up to \$410,000 per voucher. Co-Funding with zero-emission voucher projects is permitted, subject to the requirements of both programs.

Program Highlights

1. First-Come First-Served Basis (no application deadline; open until funds are exhausted)
2. Rapid Response Time: Applicant is notified within 20 business days of submitting application for funding
3. Exclusively for small fleets (**20 or fewer trucks**), including drayage trucks
4. Maximum of up to \$410K per ZE Replacement Truck
5. No contract required between applicant and South Coast AQMD

Funding Matrix Tables:

To determine the eligible funding amounts, please refer to the funding matrix tables listed in Appendix O of the VIP Guidelines. These tables are categorized by two main elements:

- 1) Drayage vs. Non-Drayage Fleets
- 2) Existing truck's Gross Vehicular Weight Rating (GVWR) and baseline NOx standard

The funding matrix tables (Appendix "O") can be found, under the Additional Information section, at: www.aqmd.gov/VIP.

For More Information

If you would like more information regarding the VIP, please contact the South Coast AQMD Project Officer for this program:
