

Biography

Walker Wells

**Green Building, Cities and Schools Program Manager,
Global Green**

Mr. Wells' responsibilities include working with building industry stakeholders, affordable housing developers, and municipalities to further sustain able development practices, primarily through developing and implementing viable and cost-effective green building practices and programs. He is a former Senior Urban Designer with Gruen Associates in Los Angeles, and has been an Associate Planner with the City of Santa Monica, and an Urban Planner for the City of Malmö, Sweden.

Mr. Wells is a Member of the American Institute of City Planners and LEED Accredited Professionals. He has Bachelor's degrees in Sociology and Environmental Studies from the University of California, Santa Barbara, and a Masters Degree in City and Regional Planning from California Polytechnic University, San Luis Obispo.
