**THE SOUTH COAST AQMD IS PROVIDING FREE TECHNICAL ASSISTANCE
AND TOOLS TO HELP DEVELOP YOUR FLEET'S COMPLIANCE STRATEGIES.**

SCAQMD Workshop for Off-Road Diesel Vehicle Programs (SOON and Carl Moyer Funding)

**Thursday, August 14, 2008
9:00 AM – 12:00 Noon
AQMD—Auditorium
21865 Copley Drive
Diamond Bar, CA 91765**

Join us to find out about:

- Updates on the In-Use Off-Road Diesel Vehicle Regulation adopted by CARB
- Explanation of the Surplus Off-Road Opt-In for NOx (SOON) and Carl Moyer grant programs
- Assessing your fleet and developing a compliance plan
- Selecting vehicles for SOON and Carl Moyer funding
- AQMD's Fleet Assistance Program
- SOON Compliance Assistance Tool (Calculator)
- Sample fleet compliance strategies, with NOx and PM emission targets

Approximately \$15 million is currently available for SOON program projects

Applications are due on November 7, 2008 at 1:00 PM

- All fleets may apply for this funding -
- Come to the workshop to learn more -

For additional information on the workshop or SOON technical assistance:

- Please contact Randall Pasek at rpasek@aqmd.gov or (909) 396-2251 for more information on the SOON program or to set up an appointment with AQMD staff.
- General info is also available at:
